The Ethnic Almanac:

The Ethnic Almanac Stephanie Bernardo Johns, 1981 A look at the customs culture and traditions various ethnic groups brought to America drawn from books encyclopedias periodicals newspapers and private sources **Those Were the Days**, 198? Challenges of Measuring an Ethnic World, 1993 **The Witches' Almanac, Standard Edition: Issue 39, Spring 2020 to Spring 2021** Theitic, 2019-12 Founded in 1971 by Elizabeth Pepper the art director of Gourmet magazine for many years The Witches Almanac is a witty literate and sophisticated publication that appeals to general reads as well as hard core Wiccans At one level it is a pop reference that will fascinate anyone interested in folklore mythology and culture but at another it is the most sophisticated and wide ranging annual guide available today for the mystic enthusiast Modeled after the Old Farmers Almanac it includes information related to the annual Moon Calendar weather forecasts and horoscopes as well as legends rituals herbal secrets mystic incantations interviews and many a curious tale of good and evil Although it is an annual publication much of the content is both current and timeless not specific to the date range of each issue The theme of Issue 39 Spring 2020 Spring 2021 is Stones the Foundation of Earth Also included are articles on Celestial Powers Lightning Gods Bolts from the Blue Gargoyles How to work with the Spirits of the Land The Art of Embodying Godforms in Ritual Holey Stones Borges Beasts and much more *Ethnicity and Democracy in the Eastern Himalayan Borderland* Mona Chettri, 2025-10-01 This book presents a close look at the growth success and proliferation of ethnic politics on the peripheries of modern South Asia built around a case study of the Nepal ethnic group that lives in the borderlands of Sikkim Darjeeling and east Nepal Grounded in historical and ethnographic research it critically examines the relationship between culture and politics in a geographical space that is home to a diverse range of ethnic identities showing how new modes of political representation cultural activism and everyday politics have emerged from the region **Military Review**, 1995 *Records and Briefs of the United States Supreme Court*, 1832 *Single Star of the West* Kenneth W. Howell, Charles Swanlund, 2017-03-15 Does Texas s experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico Single Star of the West chronicles Texas s efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men suffered from their own share of fears and faults Texas s efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the

republic attracted political and economic opportunists some of whom achieved a remarkable degree of success Single Star of the West also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably

Catholic Almanac's Guide to the Church Matthew Bunson,2001-10-31 Your Concise Guide to All Things Catholic No matter what you want to know about the Catholic Church you ll find the answer in this one volume guide From the composition of the Curia to contemporary saints from major doctrines to the Third Secret of Fatima if it s part of the Catholic world it s here *The Source* Loretto Dennis Szucs,Sandra Hargreaves Luebking,2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist s bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20 signed chapters which are well written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find **Contemporary Iran** Ali Gheissari,2009-04-02 In this volume an imposing roster of both internationally renowned Iranian scholars and rising young Iranian academics offer essays many based on recent fieldwork on the nature and evolution of Iran s economy significant aspects of Iran s changing society and the dynamics of its domestic and international politics since the 1979 revolution focusing particularly on the post Khomeini period *Professional Journal of the United States Army* ,1993 **Leslie Marmon Silko** Louise K. Barnett,James L. Thorson,1999 An exciting collection of new essays on the work of the outstanding American Indian woman writer **Cecil Rhodes and the Cape Afrikaners** M. Tamarkin,2020-04-03 This study of the relationship between Cecil Rhodes and the Cape Afrikaners fills many gaps in his political biography Previous biographers have rarely consulted the abundant Cape Afrikaner sources that this book refers to and which contribute to a better understanding of Rhodes political career Rhodes who appeared on the political scene of the Cape Colony in the 1880s played an important role in the shaping of the political outlook of the Cape Afrikaners during the last two decades of the century *Inventive Politicians and Ethnic Ascent in American Politics* Miriam Jiménez,2013-11-07 This innovative book investigates the process through which ethnic minorities penetrate into higher echelons of political power specifically how they succeed in getting elected to the U S Congress Analysts today see ethnic politicians largely in relation to their collectivities but by actually studying what ethnic minority politicians do and the issues they have faced Jim nez s book offers an original perspective of analysis Jim nez utilizes a

ground breaking comparative dataset of elected members of Congress organized upon the basis of national origin the first available Using the cases of Mexican Americans and Italian Americans Jimenez analyzes and compares the different ways that these ethnic politicians have been elected to the national legislature from the beginning of the 20th century until the present Her study examines Italian and Mexican American politicians actions and interactions with local political parties identifies various layers of political power that have influenced their successes and failures and uncovers the strategies that they have used Jimenez argues that the politically active segment of an ethnic group matters in the process of political incorporation of a group She also asserts that regular access of ethnic groups into upper levels of political office and the full acceptance of new ethnic players only occurs as a consequence of an institutional change Jimenez s pioneering documentation and analysis of the strategies of ethnic minority politicians and the ways that political institutions have influenced these politicians is significant to scholars of political incorporation race and ethnicity and congressional elections Her book demonstrates the need to reconsider several standard ideas of how minority representation occurs and deepens our understanding of the role that political institutions play in that process

The Dynamics of American Ethnic, Religious, and Racial Group Life Philip Perlmutter, 1996-08-13 Focusing on racial ethnic and religious groups the author proposes a historical overview of group life and its impact on American society His objectives and arguments are multiple Covering a period from precolonial days to the present he discusses the dynamics of group identity as well as the dynamics of intragroup and intergroup relations The underlying theme is All groups have at one time endured discrimination in American society But the trend in the United States historically has been toward guaranteeing and protecting individual rights The author concludes that over the past few decades however the trend has shifted Since the civil rights movement the course has been toward government promotion of group rights over individual rights He argues that this promotion of group rights has been chipping away at traditional individual rights The impact of these preferences specifically affirmative action programs has been to create competition and antagonism among groups Concerned with how to preserve national unity in the wake of this increasing animosity Perlmutter concludes with ominous observations for America s future if the current trend of the government promoting group rights continues *Quarterly Review of Military Literature* ,1993
