slave states seeking protection under Spanish laws by Joshua R Giddings DISCARDING that code of morals which teaches the suppression of truth for the purpose of upholding the honor either of the Government or of the individuals who wield its administration the Author of the following work has endeavored to give a faithful record of those interesting events which appear directly connected with the Exiles of Florida Torn from their native land their friends and homes they were sold in the markets of Carolina and Georgia Feeling the hand of oppression bearing heavily upon them they fled to Florida and under Spanish laws became free Holding lands of the Spanish Crown they became citizens of that Territory entitled to protection To regain possession of their truant bondmen Georgia made war upon Florida but failed to obtain her object At a time of profound peace our army acting under the direction of the Executive invaded Florida murdered many of these free men and brought others to the United States and consigned them to slavery An expensive and bloody war followed but failing to capture more of the Exiles our army was withdrawn
