The Expendables Volume 2 The Ring Of Tantalus:

The Expendables: The Rings of Tantalus Edmund Cooper, 2011-09-29 First they went to Kratos and faced the Deathworms Then they went on to Tantalus and tried to fathom the Rings which could only have been fabricated with the help of highly sophisticated machinery And then they discover an alien spaceship orbiting the planet in strict silence and incommunicability When they finally boarded the vessel it was obvious that it had been derelict for centuries as a result of some dreadful battle Meanwhile down below the enigmatic Rings lay waiting to deal with intruders as they did the deadly vampire tree Once again Commander James Conrad and his team of Expendables faced their mission to find planets suitable for colonization The second of a new series of books The Rings of Tantalus seems guaranteed to further launch Richard Avery as a very special writer of modern science fiction novels And there are more to come

The Expendables: The Wargames of Zelos Edmund Cooper, 2012-12-14 Zelos seemed an ideal planet for colonization Possessing one large continent and numerous archipelagos it had a climate and vegetation comfortably like that of Earth Captain James Conrad and his crew of Expendables started on their initial reconnaissance of the planet For the first time they found human beings already in residence But this was a society remote from anything they had ever before experienced For the Emperor of this strange world controlled his domain through the great annual War Games Only the fittest could survive and only they were allowed to procreate Through this death control the population was limited to twenty thousand There was only one way the Expendables could get permission to establish a colony on Zelos Risking their own lives they must compete in the dreaded War Games And somehow they must win

The Expendables: The Deathworms of Kratos Edmund Cooper, 2011-09-29 The Expendables were criminals offered pardons in exchange for exploring alien worlds But their mission takes them to Kratos where the local lifeform is giant slimy and hostile

THE EXPENDABLES: THE RINGS OF TANTALUS RICHARD AVERY, 1975 *Jupiter Laughs* Edmund Cooper, 2011-09-29 What happened on Judgement Day Do we have Martian ancestors Will we blow up the world In this collection of his best SF stories Edmund Cooper gives his own inimitably entertaining answers to these and other such intriguing questions From The Death Watch to The Brain Child Cooper considers possible scenarios Sometimes he is serious sometimes satirical Sometimes he is uncomfortably close to the truth

Seed of Light Edmund Cooper, 2012-12-14 TEN MEN AND WOMEN ESCAPED IN THE STARSHIP THE ONLY HOME THEY WOULD KNOW FOR GENERATIONS THE SEED FROM WHICH THEY WOULD BUILD A NEW RACE The Solarian was a hundred metres high and at its broadest point twenty metres in diameter It was designed to carry an initial crew of ten people five men and five women with provisions for subsequent children Yet in that vast hull every cubic metre of space was indispensable for the ship was a self contained world required to support human life independently for centuries No member of the crew male or female could regard themselves as a separate entity an individual personality But each person was a part of a total life unit a dedicated nucleus that might one day expand into a tribe that might phoenixlike bring forth a new human race
