**More sky than man can see,
More seas than he can sail,
More sun than he can bear to watch,
More stars than he can scale.
More breath than he can breathe,
More yield than he can sow,
More grace than he can comprehend,
More love than he can know.**

The Extravagance Of God:

The Extravagance of God Kate Haltom, 2003 Extravagant Bryan Jarrett, 2011-08 God is lavishly excessively and outrageously loving In a word He is extravagant When His extravagance registers in our hearts and minds extravagant devotion is unleashed toward Him which in turn prompts further expressions of extravagance from Him Bryan Jarrett shares how this cycle of extravagance transformed his own experience of God and how it breathes new life into people in the church and beyond

The Extravagance of Music David Brown, Gavin Hopps, 2018-07-13 This book explores the ways in which music can engender religious experience by virtue of its ability to evoke the ineffable and affect how the world is open to us Arguing against approaches that limit the religious significance of music to an illustrative function The Extravagance of Music sets out a more expansive and optimistic vision which suggests that there is an excess or extravagance in both music and the divine that can open up revelatory and transformative possibilities In Part I David Brown argues that even in the absence of words classical instrumental music can disclose something of the divine nature that allows us to speak of an experience analogous to contemplative prayer In Part II Gavin Hopps contends that far from being a wasteland of mind closing triviality popular music frequently aspires to elicit the imaginative engagement of the listener and is capable of evoking intimations of transcendence Filled with fresh and accessible discussions of diverse examples and forms of music this ground breaking book affirms the disclosive and affective capacities of music and shows how it can help to awaken vivify and sustain a sense of the divine in everyday life

The Hospitality of God Brendan Byrne, 2015-10-15 Luke portrays the life and ministry of Jesus as a divine visitation to the world seeking hospitality The One who comes as visitor and guest becomes host and offers a hospitality in which the entire world can become truly human be at home and know salvation in the depths of their hearts In this new edition of The Hospitality of God Brendan Byrne SJ provides to the point commentary on those parts of Luke s gospel that bring home to people a sense of the extravagance of God s love for them The Hospitality of God approaches Luke s gospel through the interpretive key of hospitality It looks at the gospel as a whole yet lingers upon scenes where the theme of hospitality is particularly prominent such as the infancy stories Jesus at Nazareth Jesus in the house of Simon the Good Samaritan Martha and Mary the banquet in 14 1 35 the Prodigal Son Jesus visit to the tax collector Zacchaeus the institution of the Eucharist and the Emmaus event This revised edition includes a new introductory chapter titled Features of Luke which includes distinctive themes and motifs of the gospel that invite all to join in the life giving hospitality of God This revised edition is an excellent resource for students teachers and pastors interested in Luke s gospel or in search of a helpful perspective for pastoral and homiletic reflection and preparation

The Extravagant Fool Kevin Adams, 2014-05-06 The Extravagant Fool is an underdog narrative Readers will have a front row seat to Kevin Adams s breathtaking story one that builds chronologically through a very difficult four year period At the height of financial success Kevin Adams had it all A thriving business with more work than he could get to investments spread out between luxury

homes commercial real estate and new business ventures However by January 2009 over the course of the last 100 days of 2008 Kevin watched in silent amazement as he lost it all His house of cards came tumbling down Kevin had a choice Do what he had always done work harder Or let go of conventional thinking and learn to live by absolute faith in God With foreclosures lawsuits potential homelessness and his family looking to him for immediate answers Kevin took the radical position of stopping every effort to survive and resting instead at the feet of Jesus The process of living literally by faith is a gamble and one that only The Extravagant Fool for God is willing to take The Extravagant Fool is about encountering God with an uncommon intimacy Intimacy increases our ability to discern His voice which leads to the revelation of who we are what we are to do for Him on earth and finally the provision to carry it out Yet none of this really takes hold without first hearing the kind of living breathing testimony offered by The Extravagant Fool a man who staked his welfare and future entirely on the goodness of God

Extravagant Love Carole Engle Avriett,2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God s extravagant love It is beyond measure Careful study of God s Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay His head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus s culture to shed new light on God s nature Reading it you will gain a deeper understanding of God s love a love of astonishing extravagance

4D LOVE Nikki Garcia,2024-02-14 4D Love is an engaging ebook that delves into the profound dimensions of God s love Through insightful explorations of scripture and real life anecdotes from the author readers are taken on a journey to understand the breadth length depth and height of God s love The book emphasizes how

life's challenges often hinder our ability to fully experience this divine love. By examining how God tests and refines our love, the ebook illustrates the transformative power of love in our lives, ultimately leading to spiritual growth and maturity. **The Transformative Power of God** LaShunda Coleman, 2022-11-10. THE TRANSFORMATIVE POWER OF GOD is a personal journey of love, physical loss, and learning how to navigate grief so that lessons learned and applied can assist others in finding their purpose. This book dives into how we can support grievers while relying on God and His promise of eternal life to shape how we view death, life, and our heavenly home. **Extravagant** Brady Boyd, 2022-10-25. From the senior pastor of New Life Church, a timely thought provoking, inspiring, and uplifting The Gazette Colorado book that redefines the notion of extravagance by using the parable of the Good Samaritan to demonstrate how to live a truly compassionate and selfless life of giving freely without expecting anything in return. We all know people in our lives who have yes faces. They are calm but energetic, present but still purposeful with their time. They're genuine in their desire to know about you, how you're doing, what you're up to, how you feel. Even with full lives of their own, they somehow still have the energy to inquire about others. These are extravagant people. In Extravagant, Pastor Brady Boyd shows us that by constantly offering up our time, talents, and hearts, we can live life more like these exceptional people. Drawing on the parable of the Good Samaritan, he encourages us to stop living a life driven by selfish desire and start building lasting relationships that will be spiritually fulfilling. Discover how to begin this transformation by ceasing to be a passerby and become one who pauses in the course of daily life. By embracing the spirit of generosity, Pastor Boyd shows us that the path to a happier life is by living closer to God's vision and building a community that will be there in times of need. Boyd's illuminating insights are a perfect primer for living a more self-aware, spiritually fulfilling life. Shelf Awareness and just the remedy we need in today's fractured culture and troubled times.

Spurgeon's Sermons Volume 01: 1855 Charles Haddon Spurgeon, 2017-04-14. Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century. These charismatic and inspiring sermons are enough to encourage, convict, and inspire anyone who seeks a closer and more intimate relationship with God. **Sermons Delivered in Exeter Hall, Strand, During the Enlargement of New Park Street Chapel, Southmark** Charles Haddon Spurgeon, 1855. **Sermons delivered in Exeter Hall, Strand ... (Selected from the Penny Pulpit. ... The concluding services of the Rev. C. H. Spurgeon.)**. Charles Haddon Spurgeon, 1856. *The Pacific Unitarian*, 1903. 'Tikkun Olam' —To Mend the World Jason Goroncy, 2013-12-04. Tikkun Olam. To Mend the World is premised on the conviction that artists and theologians have things to learn from one another, things about the complex interrelationality of life and about a coherence of things given and sustained by God. The ten essays compiled in this volume seek to attend to the lives, burdens, and hopes that characterize human life in a world broken but unforgotten, in travail but moving towards the freedom promised by a faithful Creator. They reflect on whether the world wounded as it is by war, by hatred, by exploitation, by neglect, by reason, and by human imagination itself, can be healed. Can there be repair? And can art and theology tell the truth of the

world's woundedness and still speak of its hope *The People's New Testament Commentary* M. Eugene Boring, Fred B. Craddock, 2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible **The Complete Topical Guide to the Bible** Martin Hugh Manser, Alister McGrath, J. Packer, Donald Wiseman, 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included [Art and Faith](#) Makoto Fujimura, 2021-01-05 From a world renowned painter an exploration of creativity's quintessential and often overlooked role in the spiritual life Makoto Fujimura's art and writings have been a true inspiration to me In this luminous book he addresses the question of art and faith and their reconciliation with a quiet and moving eloquence Martin Scorsese An elegant treatise Fujimura's sensitive evocative theology will appeal to believers interested in the role religion can play in the creation of art Publishers Weekly Conceived over thirty years of painting and creating in his studio this book is Makoto Fujimura's broad and deep exploration of creativity and the spiritual aspects of making What he does in the studio is theological work as much as it is aesthetic work In between pouring precious pulverized minerals onto handmade paper to create the prismatic refractive surfaces of his art he comes into the quiet space in the studio in a discipline of awareness waiting prayer and praise Ranging from the Bible to T S Eliot and from Mark Rothko to Japanese Kintsugi technique he shows how unless we are making something we cannot know the depth of God's being and God's grace permeating our lives This poignant and beautiful book offers the perspective of in Christian Wiman's words an accidental theologian one who comes to spiritual questions always through the prism of art **Shakespeare and the Mystery of God's Judgments** Robert G. Hunter, 2011-03-01 Robert G Hunter maintains that the impact of the Protestant Reformation on the Elizabethan mind was in great part responsible for the emergence of the outstanding tragedies of the age

Luther and Calvin caused men to ask how God can be just if man is not free and Shakespeare's greatest tragedies confront the vexing problems posed by these altered conceptions of man's freedom of will and God's providential control of natural circumstance. Shakespeare's audiences were not single minded. He wrote for semi Pelagians, Augustinians, Calvinists and men and women who did not know what to think. Conflicting certainties, doubts and uncertainties were his raw material both within his mind and the minds of the audience. Hunter shows how Shakespeare uses the major attitudes toward God's judgment in creating Richard III, Hamlet, Othello, Macbeth and King Lear. He notes that Shakespeare's different viewpoints are the heart of the tragedies themselves. Even after Shakespeare's imaginative considerations of the mysteries, the tragedies seem to consistently provide questions rather than answers and what they inspire in their beholders is more likely to be doubt than faith.

Queering Christianity Robert E. Shore-Goss, Thomas Bohache, Patrick S. Cheng, Mona West, 2013-06-25. A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals, this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice. Through essays by noted lesbian, gay, bisexual, transgender, queer or questioning and intersex LGBTQI religion scholars, this important compilation summarizes the history and current status of LGBTQI theology, exploring its relationship to the policies, practices and theology of traditional Christianity. Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches, explaining the reasoning of each and clarifying contentious issues. At the same time, the book highlights ways in which queer theology and practice benefit Christian congregations. Writing from the perspective of grassroots Christian LGBTQI movements, many of the contributors draw upon their own experiences. They provide graphic examples of the effects exclusion has on individuals, congregations and denominations and also share examples of inclusion and its effects. Equally important, the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology, offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices.
