The Fall of Babylon John Cumming,1870 *The Old Testament ; According to the Authorized Version: Prophetical books: Isaiah to Malachi* ,1882 **The Fall of Babylon the Great America: Revised and Expanded** Michael D. Fortner,2015-05-18 Revised and Expanded 3rd edition Sept 2017 Now at Version 3 3 May 2018 This is an analysis of Babylon the Great and shows that it is the United States of America One of the most difficult things I had to do in my study of Bible prophecy was come to the realization that America is Babylon the Great BTG I did not want to believe it I resisted because it means that America will be destroyed in a nuclear holocaust But after years of study the evidence forced me to that conclusion Then I realized that most nations of the world will suffer great destruction to one degree or another based on their sins So America will also suffer for its sinfulness I also came to understand that BTG is not all of America it is ONLY wicked America God will destroy wicked America but he will save a righteous remnant from those who do not go in the Rapture During the past 10 years I saw such great decline in America that I can now see why America will be destroyed and also why it must be destroyed But America will NOT be destroyed before the start of the Great Tribulation GT which is so often claimed but will only be wounded at the start but will be nuked and then invaded at the end of the GT The nuclear war and invasion of America are the last acts of the beast a Revised Islamic Empire and its allies Russia and China and North

Korea in its attempt to totally destroy Christianity and the Christians in America Then Christ returns to save the world by destroying the evil that is taking over the world Many people misinterpret Babylon the Great BTG harlot prostitute in Revelation 17 and 18 She has been interpreted to be the Roman Catholic Church the Protestant Church Jerusalem Islam Saudi Arabia and who knows what else I will provide a mountain of evidence and explain in detail how America is political Babylon cultural Babylon and economic Babylon If Babylon is also a city then it is New York City Like my other books on Bible prophecy there is a lot of new insights in this book that are not found in any other book on Babylon the Great and America I also discuss the Old Testament references to an end time Babylon which is not a rebuilt city in Iraq but can only be the same as Mystery Babylon in Revelation And I will discuss the founding of America how it was founded with a de facto covenant with God de facto means being in effect though not formally recognized But America also is chosen of God because it was one of the nations that God promised to Abraham Yes God promised Abraham more than one nation It is likely the main reason that America became the greatest and most powerful nation the world has ever seen This book also includes dreams and visions from ancient times to modern even George Washington s vision We will discuss how America will be destroyed in a nuclear holocaust and be invaded but Christ will return to save humanity and civilization from total destruction I also show how America will be split into three parts by a huge global earthquake Rev 16 after it betrays Israel One split will be along the Mississippi River Some of the prophecies say that America will have another civil war which allows it to be nuked and invaded Are we seeing the start of it now in 2016 with riots by people who do not believe in democracy There is also a discussion of Gog and Magog of Ezekiel 38 which gives us details for two wars not just one One will be an invasion of Israel the other will be an invasion of America In the appendix I discuss the wrong interpretation of Walid Shoebat showing that his view of Babylon being Saudi Arabia is extremely wrong This is Book 3 of the Bible Prophecy Revealed series of books on Bible prophecy which is a complete teaching on Bible prophecy If you liked the other two books you will like this one The Fall of Babylon Bernard Shoesmith,2010-06 I trust the Scriptures found in this writing will stir your hearts and minds leaving you with a desire to study more deeply as we see world events unfold God has given us the book of Revelation knowing the ones reading it will be His followers This will keep their faith strong as they see the prophecies unfold Jesus told us in Matthew 10 28 not to fear those who are able to kill the body because they cannot kill the soul but rather to fear God Who is able to destroy both body and soul The tribulation will be far worse than anything that has happened so far in this world Those living at that time will be unable to escape or change the events We should not place our faith in the things of this world as they will be completely destroyed Our relationship with God not only affects our eternal state but each day we live for Him has its eternal rewards
