The False Gods We Worship The Abundant Life:

The False Gods We Worship Spencer W. Kimball, 1998 *On the Way* James J. Rawls, 2018-05-29 *On the Way* is a book of reflections on one man's journey of faith. Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time. This presence now is sensed only fleetingly yet the longing persists. The title of the book has a double meaning. *On the Way* refers to the journey of faith, our lifelong pilgrimage from God and to God. But it also points to the one who leads us on this journey, the one who says, "I am the way and the truth and the life." *On the Way* is a collection of one hundred devotional readings reminiscent of Spurgeon's classic *Morning and Evening Daily Readings* and the Benedictine *Lectio Divina*. It is intended to stir within the reader some forward movement in their own journey of faith. What people are saying about *On the Way* James J. Rawls draws on wisdom from across the ages. Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith. This book is a great gift and blessing. The Rt Rev Barry L. Beisner, VII Bishop of the Episcopal Diocese of Northern California. This is a wonderful book, beautifully written, insightful and filled with wisdom and warmth. Gil Bailie, founder of The Cornerstone Forum and author of *God's Gamble: The Gravitational Power of Crucified Love*. 2016 James Rawls has a capacity for clarity of thought and graceful articulation that the reader will find fully present in these meditations. Savor, consume and digest them. Repeat again and again. The Rev. L. Ann Hallisey, D. Min. Professional Coach and Organization Consultant, former Dean of Students, Church Divinity School of the Pacific, Berkeley. *Exalting Jesus in Hosea, Joel, Amos, Obadiah* Allan Moseley, Jonathan Akin, 2025-02-01 *Exalting Jesus in Hosea, Joel, Amos, Obadiah* is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this commentary series takes a Christ-centered approach to expositing each book of the Bible. Each chapter explains and applies key passages, providing helpful outlines for study and teaching. *The Missing Church* Robert H. Baldwin, 2010-08 Are you working harder at church these days but enjoying it less? Are you wondering why, amid so much Christian church activity, American life seems to be angrier and more fragmented and stressful? Why isn't the Body of Christ more powerful in shaping culture? Galen Blom and Bob Baldwin take a fresh approach to these questions in *The Missing Church: The Power of Being the Body of Christ in the Family, Neighborhood, and Workplace*. The answer is profoundly simple: the church has little influence on our society because it is missing from the people groups that actually exercise dominion in our culture: our families, our local neighborhoods, our places of work, and our schools. But how can the church be present in the family and in a suburban neighborhood? And isn't it illegal for Christians to be the church at work or at school? Blom and Baldwin trace God's plan for human society from Genesis through the New Testament. His Word has much to say about what Christians are to be together as Christ's Body within these strategic people groups. The good news is God's call is not something additional we have to add to our already busy lives. It is simply a call to live in community that adds wholeness and meaning to every part of life. Let The

Beyond Self-Help: The True Path to Harnessing God's Wisdom, Realizing Life's Potential and Living the Abundant Life By Rev. Jason K. Pankau with Lisa Leach and John B. Donovan, The Promise Dan Lewis, 2018-03-23 This writing is a labor of love and a declaration of truths for womankind from God's Word and the longstanding war against them in hope of bringing healing to God's precious daughters. Michael Craig Campbell, 2005-08-01 Great towers have been destroyed. Our nuclear power plants remain vulnerable to attack. Many questions trouble the population of the world: Did the Bible predict 21st Century terrorism? Did World War III begin September 11, 2001? Do we live in the chaotic last days described by ancient prophets? Are we sufficiently prepared? Will good prevail over evil? Are the dangers of the last days both physical and spiritual? The Bible contains alarming news. But all the biblical shock and awe is secondary to learning the purpose of life. Coincidences between scripture and current events provide clues to the catastrophic signs that will precede the 1000-year Reign of Christ. God's teachings, Satanic opposition, terrorism, prophecies, both Bush Administrations, nuclear war and fallout, terrible disasters, the Gulf and Iraq Wars, World War III, pornography, the Abu Ghraib prison scandal are all fitting together to complete and reveal a great puzzle. Eternal consequences are of great importance. The scriptures counsel how to cope with latter-day challenges. Commandments can't be ignored without suffering consequences. Procrastination is a thief. Apathy towards Jesus Christ poisons the eternal soul. So study, ponder and pray to unlock the secrets of scripture. Then chart your eternal future.
