*Convict Tattoos* Simon Barnard,2016-08-29 At least thirty seven per cent of male convicts and fifteen per cent of female convicts were tattooed by the time they arrived in the penal colonies making Australians quite possibly the world s most heavily tattooed English speaking people of the nineteenth century Each convict s details including their tattoos were recorded when they disembarked providing an extensive physical account of Australia s convict men and women Simon Barnard has meticulously combed through those records to reveal a rich pictorial history *Convict Tattoos* explores various aspects of tattooing from the symbolism of tattoo motifs to inking methods from their use as means of identification and control to expressions of individualism and defiance providing a fascinating glimpse of the lives of the people behind the records Simon Barnard was born and grew up in Launceston He spent a lot of time in the bush as a boy which led to an interest in Tasmanian history He is a writer illustrator and collector of colonial artifacts He now lives in Melbourne He won the Eve Pownall Award for Information Books in the 2015 Children s Book Council of Australia s Book of the Year awards for his first book *A Z of Convicts in Van Diemen s Land* *Convict Tattoos* is his second book The early years of penal settlement have been recounted many times yet *Convict Tattoos* genuinely breaks new ground by examining a common if neglected feature of convict culture found among both male and female prisoners Australian This niche subject has proved fertile ground for Barnard who is ink free by providing a glimpse into the lives of the people behind the historical records revealing something of their thoughts feelings and experiences *Mercury* The best thing to happen in Australian tattoo history since Cook landed A must have for any tattoo historian Brett Stewart Australian Tattoo Museum **Prison Tattoos** Efrat Shoham,2015-03-10 This Brief studies the important role that tattoos play in prison culture and examines its unique manifestation among minority inmates This work aims to provide a better understanding of prison group culture particularly among social marginal groups through the lens of Russian immigrants in Israeli prisons Russian immigrants currently represent approximately 25% of the total Israeli prison population and this book examines how tattoos show an important form of rebellion amongst this group As tattoos are forbidden in some forms of Islam and Judaism and the Israeli prison service confiscates over 200 homemade tattoo devices per year this is a significant phenomenon both before and during incarceration This work examines how despite the transition to Israel the main social codes of Russian prisoners are still dominant and help segregate this group from the larger prison population It provides a lens to understand Russian criminal

activity in Israel and in a larger context the modes of social cohesion and criminal activity of organized crime groups operating in prison systems This work will be of interest to researchers studying the organized crime and the criminal justice system Russian organized crime in particular as well as related studies of immigration demography and social cohesion
