Sky Rider Andy and Angie Belcher, 19?? *Skyrider* B. M. Bower, 1918 Skyrider B. M. Bower, 2019-11-27 In *Skyrider* B M Bower masterfully weaves an enthralling narrative that captures the spirit of the American West through the lens of pioneering aviation Set against the backdrop of the early 20th century the book explores themes of adventure love and the relentless pursuit of freedom Bower s vivid descriptions and engaging dialogue reflect the often romanticized yet brutally honest realities of both sky and earth presenting a rich tapestry of characters whose lives intersect with the burgeoning world of flight The literary style blends elements of adventure fiction and romance inviting readers to soar alongside the daring skyriders who took to the skies in search of fortune and self discovery B M Bower a prominent American author of the early 1900s was deeply influenced by her experiences living in the West Her firsthand knowledge of the region and its culture fueled her passion for storytelling and uniquely positioned her to explore the burgeoning aviation scene Bower s works often reflect her commitment to portraying strong independent characters a quality that resonates powerfully in *Skyrider* where her protagonists bravely navigate both social and aerial landscapes Readers seeking an exhilarating blend of romance and adventure will find *Skyrider* a captivating journey that not only entertains but also evokes a profound appreciation for the early aviators who dared to dream Bower s keen insight into human emotions and the trials of frontier life make this novel a timeless treasure appealing to fans of historical fiction and aviation alike **Bladefoot** David Pratt, 2017-10-18 This is a tale set sixty five million years ago in what is now Alberta Canada during the Age of Dinosaurs Bladefoot the Troodon must depart from his parent s territory before they turn against him while dodging his long time rival Cutter Once he leaves his dwindling sanctuary he must avoid vicious bloodthirsty predators that thunder across the land swoop down from the air and lurk beneath the apparent still waters Bladefoot must also confront volatile armoured herbivores and the threats of an angry Earth if he is to succeed his mission of finding his own home range and a female companion to start a family During his quest Bladefoot will face many different trials and tribulations For Bladefoot failure is not an option is he is to pass on his genes to the next generation However the world where he lives is in the shadow of a much greater power **The Thunder Bird & Skyrider (Western Adventure Classics)** B. The Legend Home Charles & Irene Nickerson,2013-09 It has been 12 months since Beary has arrived at the Academy from his tour aboard the Saber Claw He enjoyed teaching the classes he had been assigned At first some of the older cadets resented the fact that their instructor was younger than they were Then they would see the ribbons on his uniform and hear the rumors Ben of course helped spread them Flight training was going well His many hours in jump ships were proving to be a blessing instead of a curse He expected to graduate early from flight training Caesar had spent six months at the academy then shipped off to aid a hospital ship that had lost one of its surgeons to an accident The Hospital ship was trying to combat a new disease that had cropped up on an agricultural colony in the Darius system Once again his work under Dr Maxumus was proving invaluable Ben along with taking accelerated classes was teaching a class in survival and weapons Ben had taken to this task with enthusiasm With the help of two of the Marine Professors he wrote the training manual for the course which they used as a major project in two of his classes The class he taught was so popular there was a waiting list Pompey kept busy trying to prepare for the cub which was due in three months running two homes plus working for her new father in law on special issues Senator Maxumus was busy trying to get the Senate to strengthen its rules He did not want to see new conspiracies flair up The idea that eight senators some in critical positions could become traitors had shaken the Senate The Bearilian house of Representatives was demanding a full and open investigation as it scrutinized its own members The Arcrilians had suffered such a devastating defeat that they were asking for terms for a treaty and for aid The Bearilian President immediately started negotiations along with the Antillean Supreme Council The result was the removal of all Arcrilian ships from Bearilian and Antillean territory in exchange for food and raw materials purchased at a reasonable price For the Antilleans this was a big win For Angelina Maxumus the last 12 months had been hectic as she tried to balance her time between Bearilia Prime and Andreas Prime She enjoyed being a Neuro surgeon a lot more than being an Empress She even found that she had to show up at State functions not as a wife of a prominent Senator but as a Head of State There

had also been a need to appoint representatives to the two Bearilian Houses One of her second Brother s sons Iacomus Augustus had joined his cousins on Andreas Prime He found some unclaimed land near the western ocean connected to the Augustan land A young Dragon Silver Tail agreed to be his Family Dragon The Dragon Counsel suggested that he be appointed as the Planet s Senator A young nomad also moved to Andreas Prime He had no family or land A young Dogon Saraina approached the Dogon Counsel and asked that this young Nomad be given its sheep and become its family His name was Khristophoros The Dogon Counsel gave him the last name Theodoros Khristophoros Theodoros was called before Angelina She questioned him for several cycles She found out that he had been part of a servant family to the Pompaius family She found goodness and strength in this young Bear After talking with both counsels she appointed him to the House of Representatives He would prove to be a loyal and excellent choice Savato Artemus was not happy He loved the Crimson Blade but he could not find a gunner that met his standards He also missed his friends Captain Centaurus found he hated the paper work of a ship s captain as much as Atilus had Yet he loved the Saber Claw especially with the new upgrades Commodore Atilus was a taskmaster with his Destroyer Squadron Only Centaurus had no complaints Yet Destroyer Squadron 9 was shapin
