Sky Spirit:

Spirit's Key Edith Cohn,2014-09-09 By now twelve year old Spirit Holden should have inherited the family gift the ability to see the future But when she holds a house key in her hand like her dad does to read its owner s destiny she can t see anything Maybe it s because she can t get over the loss of her beloved dog Sky who died mysteriously Sky was Spirit s loyal companion one of the wild dogs that the local islanders believe possess dangerous spirits As more dogs start dying and people become sick too almost everyone is convinced that these dogs and their spirits are to blame except for Spirit Then Sky s ghost appears and Spirit is shaken But his help may be the key to unlocking her new power and finding the cause of the mysterious illness before it s too late Spirit s Key is Edith Cohn s debut novel Patricia Ann Lynch,2004-01-01 Features over four hundred entries that explore such topics as the core beliefs of various tribes creation accounts and recurrent themes throughout North American native cultures The beliefs of many Native American peoples emphasize a close relationship between people and the natural world including geographical features such as mountains and lakes and animals such as whales and bison Therefore many of the myths of these peoples are stories of strange occurrences where animals or forces of nature and people interact These stories are full of vitality and have captured the attention of young people in many cases for centuries Native American Mythology A to Z presents detailed coverage of the deities legendary heroes and heroines important animals objects and places that make up the mythic lore of the many peoples of North America from northern Mexico into the Arctic Circle A comprehensive reference written for young people and illustrated throughout this volume brings to life many Native American myths traditions and beliefs Offering an in depth look at various aspects of Native American myths that are often left unexplained in other books on the subject this book is a valuable tool for anyone interested in learning more about various Native American cultures Coverage includes creation accounts from many Native American cultures influences on and development of Native American mythology the effects of geographic region environment and climate on myths core beliefs of numerous tribes recurrent themes in myths throughout the continent The beliefs of many Native American peoples emphasize a close relationship between people and the natural world *Indian Legends of the Pacific Northwest* Ella E. Clark,2023-11-15 This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the creation of the world and the heavens above Each group of stories is prefaced by a brief factual account of Indian beliefs and of storytelling customs Indian Legends of the Pacific Northwest is a treasure still in print after fifty years This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the crea **Skyspirit** Anthony Wolff,2014-03-13 Often what seems to be beautiful and harmless is as deadly as the Amazons sapphire colored frog Beryl Tilson and Sensei Percy Wong search a South American

jungle for a rich American woman who has been the victim of a prison pen pal confidence racket It is unthinkable that she is being held in a brothel that caters to the diseased yet that is where their search takes them **The Power of Stars** Bryan E. Penprase,2010-10-17 What are some of the connections that bind us to the stars How have these connections been established And how have people all around the world and throughout time reacted to the night sky the sun and moon in their poetry mythology rituals and temples This book explores the influence of the sky on both ancient and modern civilization by providing a clear overview of the many ways in which humans have used the stars as an ordering principle in their cultures and which today still inspire us intellectually emotionally and spiritually The book explores constellation lore from around the world celestial alignments of monuments and temples both from ancient and modern civilizations and the role the sky has played in the cultures of the Greek Egyptian Babylonian Native American Chinese Mayan Aztec and Inca Models of the universe from each of these cultures are described clearly and each culture s explanation of the stars planets and other celestial objects are described The roots of astronomy and astrology are presented with original imagery and reproductions of ancient manuscripts that portray the structure of the physical universe as conceived by a diverse array of human cultures over the centuries Our own scientific Big Bang cosmology and the origin of stars and elements are discussed in a philosophical context to explore how we as modern people learn about the Universe and incorporate the findings of science into our world views A concluding chapter provides a summary of modern science s effort to unlock the celestial secrets from the sky and from past civilizations and what these answers mean for us today **Zhongnan Taoist** Xiao CongHua,2020-09-17 My mother is dead My grave will be opened six months later I was born in her grave I am a ghost I was born with a yin constitution and was destined to be a Taoist my whole life Otherwise I would definitely not live past the age of thirteen Don t ask me if there are any ghosts in this world If you want to see a ghost burn the paper write down the name of the dead soul in your blood and I ll have it come straight to you **Saint Martial Sovereign** Mu Ma,2020-09-01 In an era where there was no saint in the world a peerless genius had stumbled upon the inheritance of the Stellar Sword Saint and stepped onto the peak of the path of the sword *Kumakana: A Gronups Tale* Kevin Price,2018-03-12 At thirteen Lavender Jensen is headstrong and determined bored and reckless until one day she crosses the line In the arcane Kumakana forest where one wrong move means certain death Lavender Jensen s sudden appearance sparks tensions between two clans of cunning voracious predators and the enigmatic guardians of the Natural Order the Gronups She meets Jerramunga a buoyant laconic Aboriginal youth a complete stranger whose actions draw her into a series of encounters that test her beliefs and bring the powers of her imagination to the fore As a life and death struggle unfolds the pair discover ancient lore inner strengths and hidden talents and their involvement becomes the key to the future of the mysterious world within the forest And perhaps the world outside Heaven Talisman Tian FuXiaoSheng,2020-06-14 An endless expanse of blue sea withered wood immortal mountains ten thousand miles in total without any sign of human habitation Endless rays of blue boundless
