Sleeping with the President Gennifer Flowers,1998

All the Presidents' Women John M. Berez, Ph.D.,1999-04

Having just completed a careful study of nearly a dozen different sexual styles *Sexual Styles A Guide to Understanding Your Lover's Personality* Humanics 1998 John Berez now applies this same analysis to the sexual lives of the last ten American Presidents not from the viewpoint of an historian or tabloid journalist but as a clinical psychologist From the silhouette of our personality style emerges our sexual style through careful analysis of the personality styles and especially in their relationships with women *All The Presidents Women* probes the past and present inhabitants of the world's most powerful office with surprising results From President Truman through Bill Clinton Berez provides a fascinating investigation into the lives loves and motivations of these influential men With depth and clarity *All The Presidents Women* presents answers to questions such as Did Bess Truman henpeck her husband Harry Was Jack Kennedy a wildly promiscuous playboy or did he just have a great capacity to love lots of women Was Lyndon Johnson indeed crude or was he putting on a wild west sideshow Did Nixon's paranoia extend beyond the press corps and other politicians and was he suspicious of everyone *All the Presidents Women* will engender new understanding of our presidents personalities their sexual styles and the women they have loved

The Uncollected Essays of Elizabeth Hardwick Elizabeth Hardwick,2022-05-24 Essays on music art pop culture literature and politics by the renowned essayist and observer of contemporary life now collected together for the first time *The Uncollected Essays of Elizabeth Hardwick* is a companion collection to *The Collected Essays* a book that proved a revelation of what for many had been an open secret that Elizabeth Hardwick was one of the great American literary critics and an extraordinary stylist in her own right The thirty five pieces that Alex Andriess has gathered here none previously featured in volumes of Hardwick's work make it clear that her powers extended far beyond literary criticism encompassing a vast range of subjects from New York City to Faye Dunaway from Wagner's *Parsifal* to Leonardo da Vinci's inventions and from the pleasures of summertime to grits souffl In these often surprising always well wrought essays we see Hardwick's passion for people and places her politics her thoughts on feminism and her ability especially from the 1970s on to write well about seemingly anything

Partisan Sex Fedwa Malti-Douglas,2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties *Partisan Sex Bodies Politics and the Law in the Clinton Era* explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton's breakfasts and the rise of a society of voyeurs Amazon.com

The Survivor John F. Harris,2006-10-10 NEW YORK TIMES BESTSELLER The definitive

account of one of the most accomplished controversial and polarizing figures in American history Bill Clinton is the most arresting leader of his generation He transformed American politics and his eight years as president spawned arguments that continue to resonate For all that has been written about this singular personality including Clinton's own massive autobiography there has been no comprehensive nonpartisan overview of the Clinton presidency Few writers are as qualified and equipped to tackle this vast subject as the award winning veteran Washington Post correspondent John F Harris who covered Clinton for six of his eight years in office as long as any reporter for a major newspaper In *The Survivor* Harris frames the historical debate about President William Jefferson Clinton by revealing the inner workings of the Clinton White House and providing the first objective analysis of Clinton's leadership and its consequences Harris shows Clinton entering the Oval Office in 1993 primed to make history But with the Cold War recently concluded and the country coming off a nearly uninterrupted generation of Republican presidents the new president's entry into this maelstrom of events was tumultuous His troubles were exacerbated by the habits personal contacts and the management style he had developed in his years as governor of Arkansas Clinton's enthusiasm and temper were legendary and he and Hillary Rodham Clinton whose ambitions and ordeals also fill these pages arrived filled with mistrust about many of the characters who greeted them in the permanent Washington that often holds the reins in the nation's capital Showing surprising doggedness and a deep set desire to govern from the middle Clinton repeatedly rose to the challenges eventually winning over or running over political adversaries on both sides of the aisle sometimes facing as much skepticism from fellow Democrats as from his Republican foes But as Harris shows in his accounts of political debacles such as the attempted overhaul of health care Clinton's frustrations in the war against terrorism and the numerous personal controversies that time and again threatened to consume his presidency Bill Clinton could never manage to outrun his tendency to favor conciliation over clarity or his own destructive appetites *The Survivor* is the best kind of history a book filled with major revelations the tense dynamic of the Clinton inner circle and Clinton's professional symbiosis with Al Gore to the imprint of Clinton's immense personality on domestic and foreign affairs as well as the minor details that leaven all great political narratives This long awaited synthesis of the dominant themes events and personalities of the Clinton years will stand as the authoritative and lasting work on the Clinton Presidency

A Vast Conspiracy Jeffrey Toobin, 2012-11-14 NEW YORK TIMES BESTSELLER The inspiration for Impeachment American Crime Story on FX The definitive account of the Clinton Lewinsky sex scandals the extraordinary ordeal that nearly brought down a president with a new preface by the author that reframes the events in light of the Me Too movement A story as taut and surprising as any thriller an unimpeachable page turner People First published a year after the infamous impeachment trial this propulsive narrative captures the full arc of the Clinton sex scandals from their beginnings in a Little Rock hotel to their culmination on the floor of the United States Senate with only the second vote on presidential removal in American history Rich in character and fueled with the high octane of a sensational legal thriller *A Vast Conspiracy* has indelibly

shaped our understanding of this disastrous moment in American political history **Historical Dictionary of the Clinton Era** Richard S. Conley, 2012-03-15 William Jefferson Clinton's legacy remains a matter of significant contention among historians, political scientists, and pundits even after a decade of time to reflect. The Historical Dictionary of the Clinton Era covers both sides of the Clinton presidency through a chronology, an introductory essay, appendixes, and an extensive bibliography from publisher description **Scandal and American Politics in the 21st Century** Robert Busby, 2022-01-22 This book examines how scandal allegations have been managed in the contemporary era in the United States and how understandings of the impact of scandal on political credibility have changed over time. It incorporates prominent scandals at both federal and state level in which sudden and unexpected revelations created an uncertain political environment. The primary focus is on sex scandals and how damage limitation strategies have been utilized in order to try to limit and accommodate a demise in political standing. The book considers how damage limitation strategies were utilized, the core components of each, and their impact on the political standing of the individuals involved. Rather than marking the end of a political journey, scandal increasingly appears to be an issue that can be perceived as a temporary impediment in a political career **The Complete Idiot's Guide to Impeachment of the President** Steven D.
