NOEL-SHINKAWA,2022-09-30 Adele and Junishiro live thousands of miles apart but they have one thing in common both have a family secret They also have their own ghosts Although Adele lives in France and Junichiro in Japan they succeed in meeting each other The book is written in a style reminiscent of Haruki Murakami fantasy is never far from reality The book is about ghosts childhood fears magic and love To distance herself from domestic violence a little girl takes refuge in her secret garden where she tries to meet her deceased brothers who died when they were still infants She tries to hear their voices on an old radio plays hide and seek with their shadows in the park and summons them by means of a magic ceremony In the meantime in Japan a sad little boy lives a great love with a young girl who dies chasing after her magic bird But they promised they would love each other for ever But they promised each other they would love each other for ever She comes back as a yurei a Japanese ghost to remind him of his oath At first it s fine with him but as he gets older he would like to be able to date girlfriends without the ghost interfering So he and his friends come up with all sorts of things to keep the yurei away Will Adele and Junishiro be able to leave the ghosts of their past behind and love themselves to the fullest **The Gold**

Falcon Katharine Kerr,2007-05-01 Experience the land of Deverry as never before in this new high fantasy romance series inspired by Celtic mythology Reincarnated as young lovers Nevyn and Jill test the bounds of their own magic while facing powerful enemies Orphaned by a cholera epidemic Neb and his young brother are sent to the desolate farm of their last living relative But when the savage Horsekin tribes begin raiding the villages along Deverry s western border the brothers must flee for their lives A chance encounter with Salamander a bard and master of dweomer magic proves their salvation as he brings them to the shelter of Tieryn Cadryc s dun Here Neb finds love with his soulmate Branna only to be dragged into a

war for the very survival of the kingdom And though both Neb and Branna are gifted with dweomer magic they are also facing powerful enemies they have fought before in past lives they no longer remember Perfect Pairs, 3-5 Melissa Stewart, Nancy Chesley, 2023-10-10 Hands on lessons can be fun and compelling but when it comes to life science they aren't always possible practical effective or safe Children can't follow wolves as they hunt elk visit a prehistoric swamp or shrink down to the size of a molecule and observe photosynthesis firsthand But they can explore a whole world of animals plants and ecosystems through the pages of beautifully illustrated science themed picture books Perfect Pairs which marries fiction and nonfiction picture books focused on life science helps educators think about and teach life science in a whole new way Each of the twenty lessons in this book is built around a pair of books that introduces a critical life science concept and guides students through an inquiry based investigative process to explore that idea from life cycles and animal environment interactions to the inheritance of traits and the critical role of energy in our world Each lesson starts with a Wonder Statement and comprises three stages Engaging Students features a hands on activity that captures student interest uncovers current thinking and generates vocabulary The heart of the investigative process Exploring with Students spotlights the paired books as the teacher reads aloud and helps students find and organize information into data tables Encouraging Students to Draw Conclusions shows students how to review and analyze the information they have collected Bringing high quality science themed picture books into the classroom engages a broad range of students addresses the Performance Expectations outlined in the Next Generation Science Standards and supports the goals of the Common Core State Standards for English Language Arts Even if you are science shy Perfect Pairs can help you become a more confident teacher whose classroom buzzes with curious students eager to explore their natural world **Sleep Hormones** Gerald
