Trees of the South Charlotte Hilton Green, 2018-08-25
Green's book is a delightful introduction to a knowledge of trees. The emphasis is to a large extent on the unique characteristics of trees and on unusual facts concerning their history and use. There are two full pages of photographs for almost every tree described: one of the tree in its natural setting, the other of detail that will aid in identification. Originally published in 1939. A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value.
