Slippery And Other Stories:

Slippery and Other Stories R. A. Lafferty, 1985-02-01

The Art of Dying and Other Stories Githa Hariharan, 1993
Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in The Remains of the Feast where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in Gajar Halwa where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in The Reprieve and always executed with a precision of style and magical imagery these stories never fail to surprise and delight

Nightmare Envy and Other Stories George Blaustein, 2018-01-05

What has it meant to be an Americanist What did it mean to be an Americanist through fascism war and occupation Nightmare Envy and Other Stories is a study of Americanist writing and institutions in the 20th century Four chapters trace four routes through the mid twentieth century The first chapter is the hidden history of American Studies in the United States Europe and Japan The second is the strange career of national character in anthropology The third is a contest between military occupation and cultural diplomacy in Europe The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F O Matthiessen carried a canon of radical literature across the Iron Curtain Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways Many of our modern myths of the United States and Europe were formed in this moment Some saw the United States assume the mantle of cultural redeemer Others saw a stereotypical America rich in civilization but poor in culture overtake a stereotypical Europe rich in culture and equally rich in disaster Drawing on American and European archives the book weaves cultural intellectual and diplomatic history with portraits of Matthiessen Margaret Mead Ruth Benedict David Riesman Alfred Kazin and Ralph Ellison It excavates the history of the Salzburg Seminar in American Civilization where displaced persons former Nazis budding Communists and glad handing Americans met on the common ground of American culture Others found keys to their own contexts in American books reading Moby Dick in the ruins Nightmare Envy and Other Stories chronicles American encounters with European disaster European encounters with American fiction and the chasms over which culture had to reach

Thunder Road and Other Stories Wayne Kyle Spitzer,2022-04-29 From Thunder Road I don t know why we stared at that dead pterodactyl chick so long there wasn t anything particularly striking or even gross about it there were no flies for example no maggots just a couple of butterflies one white and the other burnt orange which matched the fading sunlight Maybe it was our nonstop ride all the way from Biggs Junction near the Washington border to Multnomah Falls which was closer to Portland I mean it s a lot of work peddling a BMX bicycle some 70 plus miles even across level terrain Or maybe it was how paper thin the creature s exsanguinous oyster white skin was how almost translucent or the way its little talons weren t really talons at all but little hands like a baby s hands All I remember for certain is how contemplative everyone

seemed to get while looking down at it how funereal even elegiac like we were saying goodbye to one of our own All I remember for certain is something akin to holding vigil for a fellow traveler which in a very real sense we were For him the war is over I whispered although I doubt anyone heard me over the crash and roar of the falls I wonder where Mom is Not here that s for sure said Quint There are no nests I followed his gaze into the treetops and beyond to the waterfall itself which dashed and cascaded down the cliffs Weird I mean where the hell could it have come from Maybe it came from up there said Jesse From the very top There s there s a platform up there a wooden observation deck We came here on a field trip once and hiked up to it Be a good place to build a nest real stable And defensible I looked from one end of the concrete bridge Benson Bridge the sign had called it which was closed off with cyclone fencing to the other Speaking of which this bridge looks pretty defensible don t you think I peered off the way we had come Only one side to protect we can take turns standing watch I mean it may not be the Ritz but what do you say We looked around and then at each other Hell I m in said Quint We can even build a fire and maybe eat something something hot I mean It ll be just like it ll be just like Camp Courage I couldn t help but to notice he d stopped short of saying home and a quick glance at Jesse confirmed he d noticed it too although whether he d done so because his own home life had sucked or because he d understood in that moment that because of the Flashback we d never see home again I don t know Sure why not said Jesse We can heat up that beef stew the one we were saving for Portland We re close enough He shrugged off his pack and spear and laid down his bike And besides it ll lighten my load He dug out the can of Dinty Moore stew and paused looking at it Seems almost wasteful though doesn t it I mean you d like to think you d like to think nothing was born just to lay there and rot you know We all turned to look at the bird Yeah said Quint I mean it s like God laid it out there just for us and here we are wanting to eat something from a can I got off my bike and reached for my pocketknife touched its smooth imitation wood handle We re going to have to learn how to hunt eventually I suppose I mean I already know how to hunt said Quint And to clean and dress a I know how to do that too He held out his hand for my knife which I gave over to him slowly reluctantly And since both you pussies missed man school I guess I ll be the one to have to show you Jesse looked at me and then back to Quint Let me guess Because attributes Because attributes said Quint and got off his bike

Computing and Capitalism Hamid R. Ekbia, Bonnie A. Nardi, 2017-05-04 An exploration of a new division of labor between machines and humans in which people provide value to the economy with little or no compensation The computerization of the economy and everyday life has transformed the division of labor between humans and machines shifting many people into work that is hidden poorly compensated or accepted as part of being a user of digital technology Through our clicks and swipes logins and profiles emails and posts we are more or less willingly participating in digital activities that yield economic value to others but little or no return to us Hamid Ekbia and Bonnie Nardi call this kind of participation the extraction of economic value from low cost or free labor in computer mediated networks heteromation In this book they explore the social and technological processes through which economic value is extracted from digitally mediated work the nature of the value created and what prompts people to participate in the process Arguing that heteromation is a new logic of capital accumulation Ekbia and Nardi consider different kinds of heteromated labor communicative labor seen in user generated content on social media cognitive labor including microwork and self service creative labor from gaming environments to literary productions emotional labor often hidden within paid jobs and organizing labor made up of collaborative groups such as citizen scientists Ekbia and Nardi then offer a utopian vision heteromation refigured to bring end users more fully into the prosperity of capitalism **A Moment of Madness: and Other Stories** Florence Marrvat, 2025-02-17 Reprint of the original first published in 1883
