Sto Let Narodniho Divadla Prague Opera:

Provincial Theater and Its Opera Jiří Kopecký, Lenka Křupková, 2015-12-31 This monograph is a model essay on the functioning of a municipal German language theatre and it introduces a new view into research led by both theatre scientists and musicologists on the European scene The book is conceived as social history of a citizen's cultural institution and interprets a wide range of problematic themes which we meet to this day in the everyday practice of municipal theatres

The Coasts of Bohemia Derek Sayer, 2020-06-30 In *The Winter's Tale* Shakespeare gave the landlocked country of Bohemia a coastline a famous and to Czechs typical example of foreigners' ignorance of the Czech homeland Although the lands that were once the Kingdom of Bohemia lie at the heart of Europe Czechs are usually encountered only in the margins of other people's stories In *The Coasts of Bohemia* Derek Sayer reverses this perspective He presents a comprehensive and long needed history of the Czech people that is also a remarkably original history of modern Europe told from its uneasy center Sayer shows that Bohemia has long been a theater of European conflict It has been a cradle of Protestantism and a bulwark of the Counter Reformation an Austrian imperial province and a proudly Slavic national state the most easterly democracy in Europe and a westerly outlier of the Soviet bloc The complexities of its location have given rise to profound and often profoundly comic reflections on the modern condition Franz Kafka Jaroslav Hasek Karel Capek and Milan Kundera are all products of its spirit of place Sayer describes how Bohemia's ambiguities and contradictions are those of Europe itself and he considers the ironies of viewing Europe the West and modernity from the vantage point of a country that has been too often ignored *The Coasts of Bohemia* draws on an enormous array of literary musical visual and documentary sources ranging from banknotes to statues museum displays to school textbooks funeral orations to operatic stage sets murals in subway stations to censors' indexes of banned books It brings us into intimate contact with the ever changing details of daily life the street names and facades of buildings the heroes figured on postage stamps that have created and recreated a sense of what it is to be Czech Sayer's sustained concern with questions of identity memory and power place the book at the heart of contemporary intellectual debate It is an extraordinary story beautifully told

The New Grove Dictionary of Opera Stanley Sadie, 1992 *The New Grove Dictionary of Opera* is a comprehensive resource on the study of opera designed for scholars and opera aficionados Its 11 000 articles written by more than 1 300 of the world's leading critics and scholars cover 1 800 operas from the late 16th century Florentine Camerata through the great 18th and 19th century operas to contemporary works such as the minimalist theatre pieces of Philip Glass The lives and works of more than 2900 composers and hundreds of singers from Francesco Rasi in the 17th century to Luciano Pavarotti in the 20th are discussed in biographical articles Indexes of character names and arias make it easy to find what you are looking for Illustrations throughout the book present rare photographs reproductions of original posters set and costume designs and scenes from modern productions Publisher's description

Visions of the Village Christopher Campo-Bowen, 2025-04 Visions of the

Village offers a nuanced account of the cultural history political salience and social resonances of Czech village operas especially those by composers Bedřich Smetana Antonín Dvořák and Leoš Janáček By examining music critical writings institutional and government records letters and other archival sources Christopher Campo Bowen examines how musical representations of the idealized village acquired and provided meaning for Czech audiences serving as the basis for understandings of a wide range of sociocultural and political issues including gender class nationalism imperialism ethnicity and race This book explores how operas like Smetana's The Bartered Bride Dvořák's The Devil and Kate and Janáček's Jenůfa served as focal points for the articulation of an essentialist sense of Czech identity In addition to composers and their operas Campo Bowen investigates the output of critics administrators and other urban intellectuals like Otakar Hostinský František Adolf Šubert and Zdeněk Nejedlý to understand the impact of village operas on public discourse Through this in depth analysis this book uncovers how music functions at the nexus of the desire for politically resonant ethnoracial identities and the representation of ruralness from the nineteenth century to the present **Yale Historical Publications** ,1978
