The Stockman's Handbook M. Eugene Ensminger, 1978 **The Stockman's Handbook** Marion Eugene Ensminger, 1992 The Stockman's Handbook M. Eugene Ensminger, 1983* Stockman's Handbook Digest M. Eugene Ensminger, 1992 **Routledge Handbook of the Horn of Africa** Jean-Nicolas Bach, 2022-03-30

The Routledge Handbook of the Horn of Africa provides a comprehensive interdisciplinary survey of contemporary research related to the Horn of Africa. Situated at the junction of the Sahel-Saharan strip and the Arabian Peninsula, the Horn of Africa is growing in global importance due to demographic growth and the strategic importance of the Suez Canal. Divided into sections on authoritarianism and resistance, religion and politics, migration, economic integration, the military and regimes, and liberation, the contributors provide up-to-date authoritative knowledge on the region in light of contemporary strategic concerns. The handbook investigates how political, economic, and security innovations have been implemented, sometimes with violence, by use of force or by negotiation, including ethnic federalism in Ethiopia, independence in Eritrea and South Sudan, integration of the traditional authorities in the neo-patrimonial administrations, Somali Islamic Courts, the Sudanese Islamist regime, people's movements, multilateral operations, and the construction of an architecture for regional peace and security. Accessibly written, this handbook is an essential read for scholars, students, and policy professionals interested in the contemporary politics in the Horn of Africa.

The Routledge Handbook of Tourism Research is a compendium of some of the most relevant issues affecting tourism development today. The topics addressed in this book provide some new thinking for those involved in tourism research. This book takes the reader from the beginnings of tourism research to a discussion of emerging forms of tourism and selected examples of tourism development. The underlying theoretical dimensions are reviewed, analysed, and discussed from a number of perspectives. This book brings together leading researchers, many of whom are members of the International Academy for the Study of Tourism, to discuss tourism today and its future. The works included in this volume are diverse in terms of geographical context, research methodology, root discipline, and perspective. This book represents studies based in Europe, North America, Oceania, and Asia. Research methodologies include both quantitative and qualitative. Both macro and micro issues are discussed from the economic, psychological, sociological, political science, marketing, and other perspectives, which reflect the interdisciplinary nature of tourism studies. This book is divided into 6 sections. Section 1 considers the foundations for tourism research. Section 2 discusses the implications for destination management, and section 3 discusses planning for tourism development. Section 4 covers human capital for tourism development. And finally, section 5 evaluates emerging forms of tourism, and then section 6 offers insights into tourism evolution. It offers the reader a comprehensive synthesis of this field.
