Current Business Reports ,2003 **The British Architect** ,1915 Minerals Yearbook ,1989 **St Gregory's Minster, Kirkdale, North Yorkshire: Archaeological Investigations and Historical Context** Philip Rahtz†,Lorna Watts,2021-04-22 The result of c 20 years of work on and around the church of St Gregory s Minster Kirkdale North Yorkshire this work is concerned primarily with the 8th century onwards but also extends the time period of this isolated site particularly for the post Roman to middle Saxon period but also as an earlier probably religious landscape *Popular Mechanics* ,1913-04 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Ancient Building in Cyprus** George R. H. Wright,1992 The wealth of excavation in Cyprus conducted across a period of nearly a century and a half has revealed much evidence of ancient building of all functional categories This picture extends over a vast range of time ca 10 000 years since Cyprus is probably the place where the earliest substantial building known the Neolithic round house style is better presented than anywhere else in the world It is the aim of this book to set forth and document the building tradition which hitherto has received no detailed exposition The book will fill several gaps in the library shelves at one and the same time architectural history that presents all the archaeological evidence Ancient Building in Cyprus G.R.H. Wright,2022-11-07 The wealth of excavation in Cyprus conducted across a period of nearly a century and a half has revealed much evidence of ancient building of all functional categories Whereas the earlier excavation concerned mainly funerary and religious contexts more recent work has endeavoured to clarify the whole range of building in Cyprus This picture extends over a vast range of time ca 10 000 years since Cyprus is probably the place where the earliest substantial building known the Neolithic round house style is better presented than anywhere else in the world Certainly it was immeasurably longer lived in Cyprus than in any other region of the ancient world This longevity of tradition became a proverbial aspect of the Cypriote character It is the aim of this book to set forth and document this building tradition which hitherto has received no detailed exposition After preliminary geographical and historical introductions the ancient building of Cyprus has been surveyed and analysed from the following view points its historical development its design its construction and its foreign connections Because of the extensive and detailed coverage every effort has been made to facilitate the use of the book equally as a treatise and as a work of instant reference e g by way of introductory pr cis list of general references running titles to pages and marginal rubrics The book is also virtually a double treatment of the subject since a separate volume contains specially drawn illustrations arranged with captions on the facing pages which themselves constitute an incisive coverage of the subject matter The book will fill several gaps in the library shelves at one and the same time architectural history that presents all the archaeological evidence The print edition is available as a set of two volumes 9789004095472 **The Vermonter** ,1913

The Oxford Handbook of Engineering and Technology in the Classical World John Peter Oleson, 2008 Nearly every aspect of daily life in the Mediterranean world and Europe during the florescence of the Greek and Roman cultures is relevant to engineering and technology This text highlights the accomplishments of the ancient societies the research problems and stimulates further progress in the history of ancient technology

The Uley Shrines Ann Woodward, Peter Leach, 2014-06-15 These excavations at Uley provide evidence for a sequence of activities from Neolithic times to the seventh or eighth century AD Standing stones or massive posts the focus of an oval enclosure in a sacred clearing were replaced at the end of the Iron Age by enclosed timber shrines and pits containing votive objects In the early second century AD these were replaced by a Romano Celtic temple enlarged in the mid fourth century Around the temple were living quarters guest accommodation and shops A cult of the god Mercury is implied by a cult statue figurines altars a series of inscribed lead tablets and animal remains In the early fifth century a timber hall or church was built over the temple site Its replacement was in stone and also of Christian character Demolition deposits produced fragments of window glass of seventh or eighth century date More ephemeral structures were then built before the site was finally given over to agriculture There is discussion of other sacred sites in long term use the cult and plan of the Roman temple other temples in use at the end of the Roman period and the impact of early Christianity
