Stone Walls Men:

The Stonewall Brigade James I. Robertson, Jr.,1977-11-01 Here seen through the eyes of the men themselves is the story of the Confederacy's legendary Stonewall Brigade Most Civil War accounts treat of battles and armies The focus of this exciting account is sharper narrower a single brigade the basic unit of attack of one of those armies The Stonewall Brigade and its first commander Thomas J Jackson won their nickname at the bloody baptism of First Manassas Over the next four years Jackson's foot cavalry achieved fame and sustained losses matched by few American military units before or since There were some 2 600 men serving in the brigade at the start of the war At Appomattox thirty nine engagements later only 210 remained none above the rank of captain But these men from out of the Valley of Virginia had written their names upon the pages of history In *The Stonewall Brigade* the author a distinguished scholar of the Civil War has given equal billing with the immortal Jackson to such soldiers as Lieutenant David Barton Captain Kyd Douglas and Private John Casler He has attempted to capture the camp life the marches the personal experiences in battle rather than concentrate on well known strategy and familiar Confederate leaders Similarly descriptions of battles are written from within the ranks rather than from command posts The result is a vivid and often moving account of courage and cowardice triumph and heartbreak and endurance perhaps without parallel

The Coming of the Stonewalls Bernadette Richards,2021-03-16 When life couldn't seem more normal and boring do you dream of something more Rose Brennan did She longed for a life beyond her humdrum reality She wished for a special someone who cared about her enough to share her hopes and fears Those were her beloved daydreams Until now What if you were cast into a land where fairy tales seem to come true A land cursed by an ancient evil where a throne must be fought for A land fraught with peril a land of prophecies unfulfilled And a land where you are long expected What would you do And what if there was someone just where you least expected who knows the answer to it all

Four Years in the Stonewall Brigade John O. Casler,2017-01-16 I was no secessionist and hoped the trouble would be settled without recourse to arms but when the war came I shouldered my musket in behalf of my native State and defended her to the last As a commander in Stonewall Jackson's brigade John Casler experienced all the horrors and comedy of the American Civil War His time was not so different from his countrymen on the other side with the exception of point of view He buried more than one good friend I saw my friend William I Blue lying on his face dead I sat down by him and took a hearty cry and then thinks I It does not look well for a soldier to cry but I could not help it While I was at work a Georgian came to me and wanted the tools as soon as I was done with them He said he wanted to bury his brother and asked if I was burying a brother No I replied but dear as a brother New Intro Annotated Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample
