Confederate General R.S. Ewell Paul D. Casdorph, 2021-12-14 Richard Stoddert Ewell is best known as the Confederate General selected by Robert E Lee to replace Stonewall Jackson as chief of the Second Corps in the Army of Northern Virginia Ewell is also remembered as the general who failed to drive Federal troops from the high ground of Cemetery Hill and Culp's Hill during the Battle of Gettysburg Many historians believe that Ewell's inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War During his long military career Ewell was never an aggressive warrior He graduated from West Point and served in the Indian wars in Oklahoma Kansas New Mexico and Arizona In 1861 he resigned his commission in the U S Army and rushed to the Confederate standard Ewell saw action at First Manassas and took up divisional command under Jackson in the Shenandoah Valley Campaign and in the Seven Days Battles around Richmond A crippling wound and a leg amputation soon compounded the persistent manic depressive disorder that had hindered his ability to make difficult decisions on the battlefield When Lee reorganized the Army of Northern Virginia in May of 1863 Ewell was promoted to lieutenant general At the same time he married a widowed first cousin who came to dominate his life often to the disgust of his subordinate officers and he became heavily influenced by the wave of religious fervor that was then sweeping through the Confederate Army In Confederate General R S Ewell Paul D Casdorph offers a fresh portrait of a major but deeply flawed figure in the Confederate war effort examining the pattern of hesitancy and indecisiveness that characterized Ewell's entire military career This definitive biography probes the crucial question of why Lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the Gettysburg Campaign Casdorph describes Ewell's intriguing life and career with penetrating insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee's favor for much of

the war Complete with riveting descriptions of key battles Ewell s biography is essential reading for Civil War historians

The Maps of Spotsylvania Through Cold Harbor Bradley M. Gottfried,2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle **Stonewall's Prussian Mapmaker** Oscar Hinrichs,2014 Stonewall s Prussian Mapmaker The Journals of Captain Oscar Hinrichs A

Brotherhood Of Valor Jeffry D. Wert,2015-05-26 This unusual and moving chronicle covers some of the most important battles of the Civil War Sharpsburg Antietam Gettysburg and Chancellorsville through the stories of the two brigades who confronted each other on the bloody fields of battle Drawing on original source material Jeffry Wert reconstructs the drama and terrors of war through the eyes of the ordinary men who became members of two of the most respected fighting units of their respective armies the Stonewall Brigade of the Confederacy and the Iron Brigade of the Union There are tales of grueling marches and almost unbearable deprivations eyewitness accounts of ferocious fighting and devastating losses on both sides and portraits of acts of courage and valor performed by soldiers and officers who despite the difficulties they faced remained dedicated to the cause for which they were fighting

The Battles for Spotsylvania Court House and the Road to Yellow Tavern, May 7--12, 1864 Gordon C. Rhea,2005-03 The second volume in Gordon C Rhea s peerless five book series on the Civil War s 1864 Overland Campaign abounds with Rhea s signature detail innovative analysis and riveting prose Here Rhea examines the maneuvers and battles from May 7 1864 when Grant left the Wilderness through May 12 when his attempt to break Lee s line by frontal assault reached a chilling climax at what is now called the Bloody Angle Drawing exhaustively upon previously untapped materials Rhea challenges conventional wisdom about this violent clash of titans to construct the ultimate account of Grant and Lee at Spotsylvania

To the North Anna River Gordon C. Rhea,2005-09-01 With To the North Anna River the third book in his outstanding five book series Gordon C Rhea continues his spectacular narrative of the initial campaign between Ulysses S Grant and Robert E Lee in the spring of 1864 May 13 through 25 a phase oddly ignored by historians was critical in the clash between the Army of the Potomac and the Army of Northern Virginia During those thirteen days an interlude bracketed by horrific battles that riveted the public s attention a game of guile and endurance between Grant and Lee escalated to a suspenseful draw on Virginia s North Anna River From the bloodstained fields of the Mule Shoe to the North Anna River with Meadow Bridge Myers Hill Harris Farm Jericho Mills Ox Ford and Doswell Farm in between grueling night marches desperate attacks and thundering cavalry charges became the norm for both Grant s and Lee s men But the real story of May 13 25 lay in the two generals efforts to outfox each other and Rhea charts their every step and misstep Realizing that his bludgeoning tactics at the Bloody Angle were ineffective Grant resorted to a fast paced assault on Lee s vulnerable points Lee outnumbered two to one abandoned the offensive and concentrated on anticipating Grant s maneuvers and shifting quickly enough to repel them It was an amazingly equal match of wits that produced a gripping high stakes bout of warfare a test ultimately of improvisation for Lee and of perseverance for Grant
