Beyond the Portal Joe Gonzalez, 2021-04-21 Would you want to go back in time If your answer is yes what would you give to go back in time and be able to re live something from history s past or re live something from your own past Have you ever asked yourself the question Could there a hidden portal somewhere on this earth where one can enter it in order to take a trip into a forgotten place and time And if you do find that hidden portal would you be brave enough to enter it not knowing if you will be able to return Would you be brave enough to see where it takes you Would you be able to find it back in order to get back to the present What if it is not there anymore What if you only had a certain amount of time to get back What would happen if you missed that window of opportunity What then And what if you decided to stay and not go back to the present Could you do it Cotton accidentally stumbles into a portal during a freak lightning strike close to the North Fork Double Mountain Brazos River The year is 1965 When Cotton wakes up he finds himself in the year 1865 right at the end of the Civil War Stonewall s wolf Thunder is with him He has gone through the portal right behind Cotton Cotton realizes that he is about to be shot by a Union soldier Cotton and Thunder are not in Texas anymore They are

in Louisiana just east of the Sabine River Cotton and Thunder must now figure out how to get back to Texas before his mom misses him In their efforts to get back home Cotton slowly begins meeting some very important people that will end up being a part of his past Follow the dangers and miscalculations Cotton must now face What dangers will Cotton and Thunder along with his friends will now have to face in order to survive the wilderness that existed at the end of the Civil War when there were no trail or very few trails to follow in order to get from location to another Will Cotton and Thunder be able to get back to Texas Will they be able find the portal in time to get back to the present Will they stay in 1865 Who will the strangers be and how will they be able to help Cotton Who will end up saving who Will Cotton and his new friends stay together and make their way back to the Brazos

Avant-Gardes in Crisis Jean-Thomas Tremblay, Andrew Strombeck, 2021-10-01 Avant Gardes in Crisis claims that the avant gardes of the late twentieth and early twenty first centuries are in crisis in that artmaking both responds to political economic and social crises and reveals a crisis of confidence regarding resistance s very possibility Specifically this collection casts contemporary avant gardes as a reaction to a crisis in the reproduction of life that accelerated in the 1970s a crisis that encompasses living wage rarity deadly epidemics and other aspects of an uneven management of vitality indexed by race citizenship gender sexual orientation class and disability The contributors collectively argue that a minoritarian concept of the avant garde one attuned to uneven patterns of resource depletion and infrastructural failure broadly conceived clarifies the interplay between art and politics as it has played out for instance in discussions of art s autonomy or institutionality Writ large this book seeks to restore the historical and political context for the debates on the avant garde that have raged since the 1970s

On the Law of Speaking Freely Adam Tomkins, 2025-05-29 This book tackles the most pressing problems of contemporary free speech law by examining where the idea of free expression came from in the first place applying the lessons of the past to address the challenges of the present Free speech cannot be taken for granted it needs to be fought for But its champions will be successful only if they understand what they are defending For free speech is a deceptively simple principle How should it guide us on the bounds of what is acceptable to say Should we be free to preach hatred or to spread fear or fake news Can media freedom be balanced against the right to privacy How does free speech work online Can the internet be made a safe space without compromising freedom of expression On the Law of Speaking Freely offers not just insights but answers to these and other such vital questions by roaming widely over the law of free speech from English common law to the European Convention on Human Rights via the US First Amendment In rescuing free speech from the culture wars in which it has become embroiled Adam Tomkins restates its values its complexities and its enduring importance in prose that is as passionate as it is clear sighted Even handed informed and authoritative this is a major timely work from one of the UK s leading constitutional scholars

On the Fringe David M. Rayside,2018-09-05 Does the idea of equality for sexual minorities have as strong an influence as the media suggest How often do politicians come out forthrightly in support of gay rights Drawing on more than three hundred interviews with activists politicians officials legislative aides and journalists David Rayside shows that gays lesbians and their political issues are still on the fringe of the political mainstream His landmark study of political access demonstrates that despite the overall tempering of anti gay rhetoric in the 1990s opponents of equality are formidable and standing up for sexual minorities is still widely thought to be politically risky Rayside documents a high profile controversy in each of three countries gays and lesbians in the military in the United States sexual orientation and human rights legislation in Canada and the age of consent battle in the United Kingdom In addition in depth interviews of openly gay elected officials from three countries U S Congressman Barney Frank Canadian Member of Parliament Svend Robinson and British M P Chris Smith provide an inside look at the political process the negotiation of gay and lesbian policy issues on a daily basis the attitudes of colleagues in various political parties and the tensions created when grassroots and mainstream activism intersect with each other The only major book to look at gay and lesbian politics in three culturally similar but politically disparate countries *On the Fringe* explores the political workings and impact of a modern social movement

choice in picking her own husband been taken away from her but the earl her guardian is going to have her marry hates the very idea of having a wife at all Aaron Henry Earl of Northton doesn't trust ladies Any of them From a young age his mother taught him that all a lady is good for is an heir If they're sweet it's only to trick the gentleman into doing what they want and once they get it they're on to the next gentleman So when he discovers the money he expected to win in a wager turns out to be the dowry of his future bride he wants nothing to do with her But whether Kitty or Aaron want the marriage or not it's going to happen And heaven help anyone who tries to make the marriage a love match

The Top Books of the Year Stonewall Speaks The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Stonewall Speaks : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
