Stonewall Jackson And Religious Faith In Military Command

Kenneth E. Hall

Stonewall Jackson And Religious Faith In Military Command:

Stonewall Jackson and Religious Faith in Military Command Kenneth E. Hall, 2005-05-03 The relationship between war and religion is nothing new For millennia humankind has waged war over religion and derived religion from war It is not surprising then that military leadership and religious conviction frequently coincide This study documents the long tradition of the religious warrior in Western history and literature with a special focus on Civil War general Thomas J Stonewall Jackson It also provides a general survey of the religious antecedents of Jackson and other more modern American military heroes The book begins with an introduction to the Confederate general largely from the perspective of those who lived with and served under him whose testimonies attest to his courage initiative innate tactical talent deep religious faith and eccentric personal habits The author analyzes the extent to which Jackson's national zeal has elevated him to the status of a religious martyr remembered today within an epic frame of sainthood and heroism Concise comparisons are drawn between Jackson and his Old World predecessors including Ulrich Zwingli John Knox and Oliver Cromwell Similar associations are made between Jackson and such Civil War contemporaries as William Dorsey Pender and Oliver Otis Howard A chapter addressing the representation of Stonewall in modern Civil War literature and film particularly in the novel and subsequent motion picture *Gods and Generals* provides an insightful juxtaposition of Jackson's status among the gods of the Civil War and his own reverence for the God of his Presbyterian faith

Stonewall Jackson, Beresford Hope, and the Meaning of the American Civil War in Britain Michael Turner, 2020-10-21 In this comprehensive examination of British sympathy for the South during and after the American Civil War Michael J Turner explores the ideas and activities of A J Beresford Hope one of the leaders of the pro Confederate lobby in Britain to provide fresh insight into that seemingly curious allegiance Hope and his associates cast famed Confederate general Thomas J Stonewall Jackson as the embodiment of southern independence courage and honor elevating him to the status of a hero in Britain Historians have often noted that economic interest political attitudes and concern about Britain's global reach and geostrategic position led many in the country to embrace the Confederate cause but they have focused less on the social cultural and religious reasons enunciated by Hope and ostensibly represented by Jackson factors Turner suggests also heightened British affinity for the South During the war Hope noticed a tendency among British people to view southerners as heroic warriors in their struggle against the North He and his pro southern followers shared and promoted this vision framing Jackson as the personification of that noble mission and raising the general's profile in Britain so high that they collected enough funds to construct a memorial to him after his death in 1863 Unveiled twelve years later in Richmond Virginia the statue stands today as a remarkable artifact of one of the lesser known strands of British pro Confederate ideology *Stonewall Jackson Beresford Hope and the Meaning of the American Civil War in Britain* serves as the first in depth analysis of Hope as a leading pro southern activist and of Jackson's reputation in Britain during and after the Civil War It places the conflict in a transnational context that reveals the reasons British citizens

formed bonds of solidarity with the southerners whom they perceived shared their social and cultural values *Leadership In The Shenandoah Valley And North Africa: Historical Studies In Mission Command* Major Colin P. Mahle, 2015-11-06

Mission command as outlined in Army Doctrine Reference Publication ADRP 6-0 Mission Command is the contemporary philosophy through which army commanders combine mission intent and subordinate initiative to win in unified land operations. Though not known to them as mission command, prominent leaders such as Field Marshal Erwin Rommel and Major General Thomas J. Stonewall Jackson used similar concepts. This study specifically examines how these leaders employed three of the six principles outlined in current mission command doctrine: They are 1. build cohesive teams through mutual trust, 2. exercise disciplined initiative, and 3. provide a clear commander's intent. Determining the methods that these commanders employed during their celebrated campaigns through the framework of mission command highlights characteristics that will benefit military leaders at all levels. The linkages between these historical campaigns and current mission command philosophy are the focus of this study.

Rebel Yell S. C. Gwynne, 2014. An account of General Thomas Stonewall Jackson's rise to prominence during the Civil War. *Focus On: 100 Most Popular Deaths from Pneumonia* Wikipedia contributors, **Civil War Almanac** John C. Fredriksen, 2007. Presents a comprehensive reference to the American Civil War including a chronology of major events, biographical sketches, related articles, and a collection of maps.

The Cantigas de Santa Maria Henry T. Drummond, 2024. Alfonso X 1221-84 ruled over the Crown of Castile from 1252 until his death. Known as the Wise, he oversaw the production of a wealth of literature, one of the most impressive of which is the collection of songs known as the Cantigas de Santa Maria. This book offers a new perspective to the song collection, probing how the Cantigas use their music and text together with rhetorical devices to communicate with their desired audience.

Stonewall Jackson as Military Commander John Selby, 1999. **John Woo** Kenneth E. Hall, 2014-01-10. The first edition of John Woo: The Films, McFarland, 1999, was the earliest English language volume to address the motion picture output of the celebrated Hong Kong director. The book dealt with Woo's film career from his professional beginnings in 1968 through his first three Hollywood releases: *Hard Target*, *Broken Arrow*, and *Face/Off*, situating his work within Asian and Western cinematic and cultural traditions. This second edition offers a wealth of additional information, including treatment of John Woo's Hollywood productions *Mission: Impossible II*, *Windtalkers*, and *Paycheck*. Also featured is material on Woo's epic *Red Cliff*, filmed in China. A new foreword is provided by Tony Williams, author of *John Woo's Bullet in the Head*. Instructors considering this book for use in a course may request an examination copy here.

Did They Rest in Peace? Joseph William Lewis Jr. M.D., 2018-10-18. Ashes to ashes, dust to dust. By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being? Amazingly, once aggregated, these atoms, molecules, and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs. Of the billions of our species who have existed on earth over the millennia, most have quietly and inexorably returned.

to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer

Embark on a breathtaking journey through nature and adventure with Explore with is mesmerizing ebook, Witness the Wonders in **Stonewall Jackson And Religious Faith In Military Command** . This immersive experience, available for download in a PDF format (*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
