Stop Police Humour:

Stop! : Police Humour Bruce Day,1995 *Police Humor* Oliver Gaspirtz,2014-07-14 The lighter side of law enforcement comics for cops and weird news about stupid criminals This book is a tribute to all the hard working men and women in law enforcement who risk their lives every day for an often less than grateful public The cartoons capture the human side of police officers and find humor in the often very stressful situations they deal with As George Bernard Shaw said Life does not cease to be funny when someone dies anymore than it ceases to be serious when someone laughs Policing is a serious job and at some point you ve got to lighten up If you re serious all the time you ll go crazy in this job Cops love humor Darlene Hutchinson Hunter editor of The Police Marksman The great salve for the soul humor has always been used by cops as a counterweight to the high stress demands and seriousness of the job Dennis Hall editor of Police magazine In the rigid and structured world of law enforcement it s refreshing to see illustrations that capture the human side of police officers while making us smile Gaspirtz cartoons are always objects of joy and entertainment around the office Cisco Mendoza art director of Texas Highway Patrol magazine Gaspirtz s cartoons are very humorous and down to earth They reflect the real life of police officers and what they have to face every day but in a funny stress relieving way David J Armitage editor of The Police Shield California Highway Patrol officers always take their duties seriously but Gaspirtz s cartoons allow them the room to take themselves a little lighter Carol Perri editor of The California Highway Patrolman

Humorous Wit Djamel Ouis,2020-01-17 Humorous Wit is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race Humour in Political Activism Majken Jul Sørensen,2016-08-23 This book analyses how humour in political activism contributes to facilitating outreach mobilisation and the sustaining of cultures of resistance Drawing on examples of attention grabbing stunts from around the world Humour in Political Activism demonstrates how they succeed in turning relations of power upside down The ambiguity and unpredictability of humour Sørensen argues makes it difficult to respond to this form of political activism when it is performed in public Humorous political stunts can therefore challenge state power help influence changes in law and make significant contributions to the conversations about how societies should be organised The book also investigates the potential risks and limitations of using humour in nonviolent action and what makes humour unique compared with other forms of non humorous political activism
