

A sunset over the ocean with waves crashing against a rocky shore. The sky is a warm orange, and the water is a deep blue-grey. The waves are white with foam as they break on the dark rocks in the foreground.

Stop the world. I
want to get off.

help dealing with the crisis by showing that the language of faith is built by a web of metaphors taken from the Ancient Near East We do not need to take biblical language literally but as parables for human values in need to be assessed critically
