Infinity's Flower Jack Allis, 2007-08-15 *Infinity's Flower* The Tale of 2012 the Great Shift of the Ages The year is 2011 David and Kelly are soul mates who share an awareness of the ancient esoteric wisdom confirmed by quantum science that the universe is alive and everything in it including us consists of pulsating luminous energy Like shamans from indigenous cultures around the world David and Kelly have powers far exceeding those of ordinary humans as a function of their awareness that this world of energy is guided by an unseen intelligence or spirit and their ability to merge with these mysterious forces One of their powers is the ability to see through the illusion of everyday life and into another dimension where malevolent extraterrestrial beings masquerading as humans have covertly ruled the world for thousands of years and have imposed a fascist world government or New World Order upon a human race *Infinity's Flower* is the epic story of the age old intergalactic battle between the forces of good and evil that is coming to a head on the planet Earth at this time and David and Kelly's struggle to join the forces of light both in this world and in higher etheric dimensions to defeat the powers

of darkness and reclaim the planet The backdrop of this tale is The Great Shift of the Ages an exceedingly rare geophysical and astrophysical time the Earth has entered It is the completion of a 26 000 year cycle which was prophesized by ancient cultures spanning the globe including the Egyptians the Mayans and the Hopis The Shift involves forces of colossal magnitude such as the reversing of the Earth s electromagnetic field which will change the face of the planet and life on it forever The clock is ticking The year 2012 appears to be the turning point Are these the end times as so many believe was predicted in the Bible or is this an opportunity for the birth of a new era of higher consciousness and spirituality Infinity s Flower weaves the epic scope of Orwell the esoteric wisdom of Castaneda and the riveting storytelling of the film sensation The Matrix into a tale of this rare and blessed opportunity for humanity to evict the forces of evil and make the shift to the new paradigm It is a world in which doors swing open to unimaginable forces and where humanity reconnects with the one true source of its power the divine spirit of a living universe Infinity s Flower is a vision of the paradise that an empowered and an enlightened humanity can and must create on Earth

momentous event in the history of esoteric literature At the time of their publication the author was engaged in the study of Indian philosophy with special reference to the Madhyamaka Buddhism as formulated and expounded by Nagarjuna The author was struck by the profound similarities between the teachings of Don Juan and Nagarjuna in particular concerning Samvrti and Paramartha of Madhyamaka and the Tonal and Nagual of Don Juan and the concept of categorical frameworks This recognition on his part prompted him to compose the present work The author has chosen to write in a manner and style intelligible to the non specialist and yet an inquiring reader The essential unity of human experience is clearly demonstrated by the fact that human beings widely separated in space time language and culture discern at their wisest the same fundamental truths concerning man and the world
