about to step out into the open at last Sure that makes sense But that really would be going back over ground we already covered Trouble is we have so much ground to cover in the whole county that we re short handed most of the time I don t have anyone trained to do what you do And yes I do know you re damn good at it Enough flattery Sheriff Walsh Cousin or not cut it and get to the point There have to be private investigators around here I m sure Terri held both hands up Absolutely and fine investigators they are They d be none too happy with me if they knew I wanted to bring you in instead But the truth is there s something strange here Deb I feel it I know it in my bones I don t trust anyone besides you to handle this one
