Lawrence Martin F. Kearney,2016-12-05 First published in 1998 This reference guide is designed for those who would be knowledge able readers of major short stories by D H Lawrence when the store of scholarship investigation and appraisal is far too vast for all but the expert An inclusive examination of what has been written about these short stories each chapter deals with a different short story and consists of five distinct sections 1 the complete publication history including all revisions and variants 2 a thorough examination of recognized and hitherto unrecognized sources as well as the influences at work on Lawrence in the creation of the story 3 the story s relationship to Lawrence s other writings 4 acknowledgement and summary of all extant critical studies and 5 a bibliography of works cited

This study concentrates on six short stories culled from Lawrence's more than fifty works of short fiction *Trial Stories in Jewish Antiquity* Chaya T. Halberstam, 2025-05-15 What can early Jewish courtroom narratives tell us about the capacity and limits of human justice By exploring how judges and the act of judging are depicted in these narratives *Trial Stories in Jewish Antiquity* Counternarratives of Justice challenges the prevailing notion both then and now of the ideal impartial judge As a work of intellectual history the book also contributes to contemporary debates about the role of legal decision making in shaping a just society Chaya T Halberstam shows that instead of modelling a system in which lofty inaccessible judges follow objective and rational rules ancient Jewish trial narratives depict a legal practice dependent upon the individual judge's personal relationships reactive emotions and impulse to care Drawing from affect theory and feminist legal thought Halberstam offers original readings of some of the most famous trials in ancient Jewish writings alongside minor case stories in Josephus and rabbinic literature She shows both the consistency of a counter tradition that sees legal practice as contingent upon relationship and emotion and the specific ways in which that perspective was manifest in changing times and contexts
