Stories Of Love:

Love Stories Diana Secker Tesdell, 2009-01-13 An anthology of literary love stories in a beautiful hardcover Pocket Classics edition perfect for Valentine's Day Here are nineteen stories from a rich array of writers and here is every kind of romantic entanglement from the raw erotic passion of D H Lawrence and Colette to the wickedly cynical comedy of Dorothy Parker and Roald Dahl from the yearning of unrequited romantic illusions in F Scott Fitzgerald's *Winter Dreams* to the agonizing madness of jealousy in Vladimir Nabokov's *Invitation to a Beheading* The objects of passion in these stories range from a glamorous silent movie starlet in Elizabeth Bowen's haunting *Dead Mabelle* and a faithful ghost in Yasunari Kawabata's *Immortality* to a heart surgeon in Margaret Atwood's *Bluebeard's Egg* who spends his days penetrating the mysteries of the human heart but who seems oddly emotionally opaque himself Jhumpa Lahiri plumbs the despair of a husband and wife sundered by tragedy while Lorrie Moore movingly portrays a couple brought together by it Katherine Mansfield Tobias Wolff and William Trevor explore the intricacies of long term relationships while Guy de Maupassant Italo Calvino and T C Boyle portray the elemental force of love in extremely different ways As alluring moving and intoxicating as its timeless theme this collection makes an enticing gift for lovers at any stage of life

Wheeler,2016-10-01 This unforgettable collection of classic love stories in Joe Wheeler s beloved Heart to Heart series spans the stages of life to depict love in all its incarnations the innocent love of childhood the thrilling love of adolescence and young adulthood and the quiet love of maturity From the story of the young English boy who befriends a German girl during World War II to the story of the young man who discovers unexpected romance when he returns to his hometown to attend a wedding these stories remind us of the simple beautiful pleasures of a life rooted in love Love Is a Story Robert J. Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashing incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out *Ten Greatest Love Stories* Editors of True Story and True Confessio,2014-06-20 From the Editors of TRUE STORY and TRUE CONFESSIONS Magazines True Story Magazine established in 1919 has a long history and continues to touch the hearts minds and soul of readers by sharing everyday experiences of romantic life In HIS FOR A WEEKEND you ll feel the heartache of a young woman searching for the right man in her life MY DREAM MAN is the story of a special woman trying to convince her family that the man of her dreams is real In ONE WEEK TO MAKE HIM MINE a woman wants to run away with the circus to be with the man she loves In all these
