Stories Of David Leavitt:

The Stories of David Leavitt David Leavitt, 2013-09-19 This is a complete collection of moving elegant and often witty short stories from one of America's most respected writers. Here David Leavitt covers a range of challenging themes such as illness, grief, and betrayal with his inimitable graceful touch. He takes the reader from Switzerland to San Francisco and from a young man's attempt to contract the HIV virus to American tourists being startled by the local conventions in Italy. Bringing together *Family Dancing*, a finalist for both the National Book Award and the PEN Faulkner Prize, *A Place I've Never Been*, and *The Marble Quilt*, this edition affirms David Leavitt's mastery of the short story form. A Place I've Never Been David Leavitt, 2014-06-03 David Leavitt's second collection of stories further confirms a talent deep and wonderfully creative in its empathy. *A Place I've Never Been* explores family relationships, friendships, and romantic relationships among characters whose sexuality is fluid or uncertain, a barrier or under threat. A real estate agent happily married to a woman finds himself in love with another man in *Houses*. A man entering a bold new world of gay hookups feels sheltered from the most intimidating attentions by his more attractive charismatic friend. And Leavitt moves from the familiar American suburbs to Italy where he's also spent time to create a contrast with European concepts of loyalty and fidelity that transcends the usual stereotypes. *A Place I've Never Been* is clever and pleasurable but also revelatory and wise. The Page Turner David Leavitt, 1999 A homosexual love affair between a concert pianist and his young page turner. The affair becomes complicated when the youth's mother misconstrues the pianist's attention in her son as an interest in her. The settings are Rome and New York. By the author of *While England Sleeps*. Collected Stories David Leavitt, 2003-11-05 A definitive anthology of short fiction by the critically acclaimed author of *The Lost Language of Cranes* offers a complete collection of his stories including works from *Family Dancing*, *The Marble Quilt*, and *A Place I've Never Been*. Original 12,000 first printing. **The Marble Quilt** David Leavitt, 2014-06-03 David Leavitt displays his masterful range, his deep emotional intelligence, and wit in these nine stories, a cosmopolitan selection set variously over the past century from fin de siècle London to early 60s Hollywood, from Florida to Rome. Here is a survey of human relationships from the most intimate to the most unexpected and human experience veering from the light into the dark, as in the title story where a man tries to make sense of his partner's murder, and in *Black Box* about the alliance of two souls left grieving after a plane crash. His fourth story collection since he burst onto the scene at age twenty-three. *The Marble Quilt* shows Leavitt maturing into one of the most accomplished and agile writers of short fiction today. Family Dancing David Leavitt, 2014-06-03 Thirty years ago David Leavitt first appeared on the literary scene with a gutsy story collection that stunned readers and reviewers. Just twenty-three, he was hailed as a prodigy of sorts, remarkably gifted. *The Washington Post* with a genius for empathy. *The New York Times Book Review* and a knowledge of others' lives that a writer twice his age might envy. *USA Today* Regardless of age, wrote the *New York Times*, few writers so effortlessly achieve the sense of maturity and earned compassion so evident in these pages. In *Territory*, a well-intentioned

liberal mother presiding over her local Parents of Lesbians and Gays chapter finds her acceptance of her son's sexuality shaken when he arrives home with a lover In the title story a family extended through divorce and remarriage dances together at the end of a summer party in the recognition that they are still bound by the very forces that split them apart Tender and funny these stories reveal the intricacies and subtleties of the dances in which we all engage [A Place I've Never Been](#) David Leavitt,1990

The Man Who Knew Too Much David Leavitt,2012-12-03 A skillful and literate New York Times Book Review biography of the persecuted genius who helped create the modern computer To solve one of the great mathematical problems of his day Alan Turing proposed an imaginary computer Then attempting to break a Nazi code during World War II he successfully designed and built one thus ensuring the Allied victory Turing became a champion of artificial intelligence but his work was cut short As an openly gay man at a time when homosexuality was illegal in England he was convicted and forced to undergo a humiliating treatment that may have led to his suicide With a novelist's sensitivity David Leavitt portrays Turing in all his humanity his eccentricities his brilliance his fatal candor and elegantly explains his work and its implications
