Jonathan Franklin William Vance

Stormy Weather Vol 1 F H Varley A Biography:

Stormy Weather Maria Tippett, 1998 He never held down a job for long Although a fine portrait painter he could not bring himself to curry favour with the powerful people who might have given him a living as a portraitist BOOK JACKET He was above all a committed bohemian who put his art before friends family and conventional appearances BOOK JACKET **F.H. Varley** Katerina Atanassova, 2007-03-30 Frederick Horsman Varley was unique among the members of the Group of Seven One of the greatest Canadian portraitists of the twentieth century he is an intriguing example of an artist who despite his fame as a portrait painter remains better known for his landscapes This is due mainly to his position as one of the founding members of the Group of Seven and their deliberate attempt to raise awareness of our national identity by depicting the Canadian landscape Even though many public collections across the country including the National Gallery of Canada the Art Gallery of Ontario and the Vancouver Art Gallery display some of Varley s best known portraits these works do not easily fit into the conventional mould of the Group of Seven Nearly four decades after his death Varley s portraits are still not fully acknowledged The release of this beautifully illustrated bilingual volume coincides with the opening of an unprecedented exhibition of his portraiture **A.Y. Jackson** Wayne Larsen, 2009-09-21 A founding member of the Group of Seven Jackson portrayed the Canadian landscape in a bold and inventive manner illustrating a key chapter in Canadas coming of age

Harold Mortimer Lamb Robert Amos, 2013-10-01 Harold Mortimer Lamb s name is in the index of almost every book written on the history of Canadian art yet his place in that world has never been clear Photographer writer painter promoter he was a man of many parts and the ideal patron and friend to some of Canada s most famous artists including A Y Jackson Emily Carr and Jack Shadbolt At the centre of his story are his relationships with painter Frederick Varley and young student Vera Weatherbie whom Mortimer Lamb at the age of seventy eventually married when she was just thirty Profusely illustrated with his photos paintings and the art he collected Harold Mortimer Lamb The Art Lover brings into focus an unknown chapter in Canadian art history I Can Only Paint Irene Gammel, 2022-03-30 For Canadian impressionist Mary Riter Hamilton capturing the emotional landscape of battlefields and graveyards in the months after the Great War s armistice became an artistic calling and defined her work A woman alone after the storm had passed she found that her life after the war was indelibly marked by the experience Undeterred by a rejection from the Canadian War Memorials Fund who nominated only male war artists abroad in 1919 Hamilton received a commission from the Amputation Club of British Columbia now the War Amps to commemorate those lost at war She travelled from Victoria to the pre reconstruction battlefields and towns of the Somme Vimy Ridge and the Ypres Salient where amid harsh conditions inadequate shelter and food surroundings littered with unexploded shells she recorded with determination pride and grace the ruins of war Based on intensive archival research in Canada France and Belgium and using many previously unpublished letters *I Can Only Paint* offers an insider s view of the artist s vast underexplored body of war work and the conditions in which she created it

places this period central though it was in the context of a full understanding of her life and restores the work she created there to its proper place in the canon of war art in Canada and abroad Irene Gammel argues that Hamilton's work encoded a female perspective that distinguishes her paintings from the work of official Canadian war artists The first reliable account of Hamilton's impressions of Canada's most haunting sites of conflict *I Can Only Paint* captures with detail and sensitivity an experience that defined her life and recovers a body of work that stands as a unique and enduring portrait of the effects of the Great War

E. J. Hughes Paints British Columbia Robert Amos, 2019-10-22 A retrospective on one of BC's most famous artists that features beautifully reproduced landscape paintings from all over mainland BC and unveils new photographs sketches and ephemera from the artist's estate E J Hughes 1913-2007 is British Columbia's best loved landscape painter His unashamedly picturesque views of the province are appreciated by art professionals and the public alike Following the success of his previous volume *E J Hughes Paints Vancouver Island* author and artist Robert Amos now follows the footsteps of the artist as Hughes travelled throughout mainland British Columbia from Stanley Park to Savary Island from Fraser Valley to the Okanagan and from the Kootenays to the Rockies between the 1930s and 1970s Working the with Estate of E J Hughes Amos has created a nuanced representation of the activities and life of this extraordinarily talented and very private man Both biography and monograph this book features full page full colour reproductions of Hughes's finest paintings many of them published here for the first time Each painting is accompanied by supporting sketches drawings and photographs from Hughes's personal archive

Shaped by the West Wind Claire Elizabeth Campbell, 2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket

A History of Canadian Culture Jonathan Franklin William Vance, 2009 From Dorset sculpture to the Barenaked Ladies award winning historian Jonathan F Vance reveals a storyteller's ear for narrative In a country this diverse culture has different meanings Vance tells a story from the wind swept Arctic where a stranded Innu woman fighting to survive took the time to decorate her clothing with rich designs A British explorer was amazed at her efforts but Vance reminds us of the inseparable connection between life and art in Inuit culture the Innu word for breathe also means to make poetry and both derive from the word for the soul No surprise that Aboriginal culture began to change irrevocably with the arrival of more Europeans who brought their own ideas about culture But that is another tale in Vance's fascinating *History* Vance considers a range of key topics Where for example is the divide between culture and mass entertainment He also considers how the hot button issues of Canadian culture government funding for the arts the cultural brain drain the drive to preserve distinctly Canadian forms of expression concerns over copyright protection the economic impact of cultural industries can be traced back to previous

centuries And he shines new light on other key areas such as the unique culture of Quebec and the CBC Résumé de l'auteur

Canadian Books in Print 2002 Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses

Jackson's Wars Douglas Hunter, 2022-05-15 A captivating account of the formative years of one of Canada's best known artists Jackson's Wars follows A Y Jackson's education and progress as a painter before he was a well known artist and his time on the battlefield in Europe before he cast his lot in with a group of like minded Toronto artists Jackson fought many battles he was a feisty and opinionated combatant when he crossed swords with critics collectors museums galleries and fellow painters as an emerging artist Moving from Montreal to Toronto in 1913 he became a key figure in a landscape movement that was determined to depict Canada in a bold new way only to have a war dash the group's collective ambitions Alone among his close associates Jackson enlisted to fight with the 60th Infantry Battalion Wounded at Sanctuary Wood in 1916 he returned to the field of combat as an official war artist the first Canadian artist appointed the only infantryman in the program and militated for other Canadian appointments to what is now a storied moment of creation for such artists as F H Varley and Arthur Lismer Jackson produced some of Canada's most memorable depictions of the world's first industrial scale conflict even as he reckoned with the anguish caused by the mysterious death of his close friend Tom Thomson A life changing event for soldiers families and nations alike the First World War has been understood as a moment of stasis in the visual arts in Canada the dead ground from which the Group of Seven emerged in the early 1920s Douglas Hunter shows how Jackson's war was a moment of intense transformation and artistic development on the canvas as well as an experience that tempered a young man into a constructive elder statesman for Canadian art On his return home he was not only instrumental in the formation of the Group of Seven in Toronto but a key figure for the Beaver Hall Group in Montreal Jackson's Wars is a story of brotherhoods of painters and soldiers shot through with inspiration ambition trauma and loss on the home front as well as on the battlefield Hunter widens and deepens A Y Jackson's world of friends family and colleagues to capture the life of a complex man and the crucial events and relationships behind the creation of Canada's best known art collective
