Slavery To Servanthood Tracing The Exodus Throughout Scripture:

Slavery to Servanthood John H. White, 1987 A Guide to Biblical Commentaries and Reference Works John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike **The Servant of the Lord and His Servant People** Matthew S. Harmon, 2021-01-26 In this NSBT volume Matthew Harmon carefully traces the title of servant from Genesis to Revelation with the intention of seeing how earlier servants point forward to the ultimate Servant Harmon shows how the title servant not only gives us a clearer understanding of Jesus Christ but also has profound implications for our lives as Christians **A Commentary on the Holy Scriptures: Exodus, Leviticus** Johann Peter Lange, 1876 **Slavery, Sabbath, War & Women** Willard M. Swartley, 1983-05-07 The Bible appears to give mixed and even conflicting signals on the four case issues of slavery Sabbath war and women New Testament scholar Willard Swartley seeks to identify the difficulties surrounding these discussions and clarify basic learnings in biblical interpretation in a spirit of unity and dialogue As a predecessor to his 2003 publication Homosexuality this book rounds out a thorough spirit filled discussion of some of the most contentious and sensitive issues facing the church today **Torah Story, Second Edition** Gary Edward Schnittjer, 2023-04-18 The gospel story begins in Torah What culminates at Golgotha starts with the rebellion in the garden The Torah s story can be framed as a question How will the word of God overcome the human revolution Torah Story offers a student friendly introduction to the redemptive narrative housed in the first five books of the Bible Every main chapter introduces a section of Torah with attention to its basic structure This is followed by another look at how this portion of Torah connects to the rest of the Christian Bible The dynamic design includes opportunities in every chapter to make the most of Torah study including Helps for getting started focus questions key terms outline An interactive workshop with challenge questions and advanced questions Suggestions for research projects Next steps for further study A refreshingly

new approach to the Torah neither an introduction nor a commentary Torah Story provides an apprenticeship on the Old Testament's first five books But it also provides a model of how to read Scripture intertextually with an eye to the New Testament gospels It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch The second edition is streamlined and simplified throughout with updated examples and new sidebars and imagery **Jewish Biblical Interpretation and Cultural Exchange** Natalie B. Dohrmann, David Stern, 2013-06-18 Biblical interpretation is not simply study of the Bible's meaning This volume focuses on signal moments in the histories of scriptural interpretation of Judaism Christianity and Islam from the ancient period to the early modern and shows how deeply intertwined these religions have always been *Youth Track* Harold F. Williams, 2023-05-31 Teaching youth can be challenging and is often difficult You need to know your subject but more importantly know your students Do you like young people Would you want to teach Bible lessons from the viewpoint of a teenager and encourage their faith This forty eight lesson guide helps you focus as a religious teacher to youth Youth Track identifies stories about young people in the Bible including related scripture references for those stories It presents suggested thoughts and current day questions to involve your students This is not a cookie cutter guide but a solid place to start since teaching kids can be hard work Although this guide was written as a series of weekly lessons it is also appropriate in other situations Select just the New Testament stories for a shorter period At special times of the year such as Christmas or Easter use the stories about those celebrations If you know your students pick stories that you can relate to their day to day lives Youth are very special With the help of this guide use your abilities your knowledge and your experiences in whatever way you can to encourage their Christian growth and faith **Hidden Polemics in Biblical Narrative** Amit, 2022-07-04 In current usage polemics is broadly defined as the practice of rhetorical persuasion or as the rhetorical presentation of an argument in dispute The phenomenon of polemics is found throughout the whole corpus of biblical literature In most instances the polemics is direct but sometimes indirect and occasionally it appears to be deliberately covert This book is primarily concerned with exploring the phenomenon of covert polemics Dealing first with considerations of method definition and characterization the study moves on to the analysis of a number of narrative texts and the uncovering of their covert polemical content Polemics of this type is a feature of biblical writing on a range of central issues and can be instructively isolated in texts relating to cultic locations Beth El Jerusalem questions of leadership the houses of Saul and David community boundaries the Samaritans and other problems of legitimation **Human Trafficking, The Bible and the Church** Marion L. S. Carson, 2017-05-26 Whilst the philosophical battle against slavery might have been won human trafficking is very much a problem for our time and continues to spark rigorous debate among Christians wrestling with what God's justice might look like today Can the Bible whose teaching on slavery is so at odds with our contemporary worldview inform efforts to end human trafficking and if so how In Human Trafficking the Bible and the Church Marion Carson offers a profound interdisciplinary account of how Christians have engaged with slavery in the past

and how they might respond in the future Whilst rigorously scholarly and painstakingly researched this is at the same time a highly readable book that will refresh our own understanding and help shape our responsibility to bring about change
