Stolen Feelings Margaret Mayo, 2011-07-15 Kiss and tell It should have been the job of a lifetime But when Julie found herself on a Pacific island working with Cameron Storm it was anything but paradise Oh Cameron was gorgeous all right and didn't he know it Julie's only defense against a broken heart was to pretend to be a married woman But deception had its price and Cameron made sure that Julie paid He ignored her wedding ring and went right on kissing her *The Books of Angelhaunt* Jason Stuart Ratcliff, 2002-11 These final four Angelhaunt books are at once philosophy and works of art Ratcliff has created in these four books both poetry and religion both blasphemy and a completely original cosmology Ratcliff has looked into himself found both treasures and terrors and made works only a madman could create **Lost Innocence** Geraldine Cool, 2009-11-20 Lost Innocence is the unforgettable account of a child's life who was sexually physically and mentally abused Through her struggles you will feel her pain her loneliness and fighting for her life Imagine a young girl forced into submission and ordered to perform adult acts Her own possession loneliness and fear I'm still here after years of you trying to break me One day you'll see I will make something of myself Geraldine Cool tells of the courageous and moving story of her abusive childhood Here is a horrifying glimpse of what went on behind closed doors It is her touching account and testament to the strength of the human heart and its capacity to triumph over unimaginable trauma She had nothing and no one to turn to but her dreams kept her alive Dreams of one day being loved honored and cherished by a special angel Experiencing the instability of three foster homes a detention home and a mental hospital People thought foster kids were nothing but trouble and unworthy of being loved just because she wasn't part of a Real Family Forced to suffer shame Devastation tears and hope create the journey of this severely abused child *Back Pain* John Lee, Suzanne Brook, Clare Daniel, 2009-06-25 Back Pain The Facts is aimed at people who want to help themselves Affecting nearly everyone at some time in their lives 40% of people will have experienced some form of back pain within the last year with around 5% of sufferers taking time off work within the last month Long term back pain causes a great deal of distress and unhappiness affecting work life income home life relationships fitness and mood Back Pain The Facts uses clear succinct chapters to give advice about every aspect of managing back pain as well as answering frequently asked questions from sufferers A key element is empowerment through understanding why back pain starts and why it persists There are chapters promoting stretching exercise relaxation communication and advice on sexual relations as well as considerable emphasis on helping with thoughts and feelings **A New Language for Psychoanalysis** Roy Schafer, 1976-01-01 Should be of considerable interest to a wider public since it proposes a radical reformulation of psychoanalytical theory which if accepted would render outmoded almost all the analytical jargon that has crept into the language of progressive enlightened post-Freudian people Charles Rycroft The New York Review of Books Schafer's arguments have considerable cogency The tendency to over-theorize so that the translation of abstractions into the language of ordinary discourse between analyst and patient has

become increasingly difficult is a fault Schafer goes a long way towards redressing it and his efforts to include meaning and the person in the form of his language is an achievement Michael Fordham The Times Higher Education Supplement
