Stone Diaries The Essential Edition Penguin Essential Edition:

The Stone Diaries Carol Shields, 2008-09-30 In celebration of the fifteenth anniversary of its original publication Carol Shields's Pulitzer Prize winning novel is now available in a Penguin Classics Deluxe Edition One of the most successful and acclaimed novels of our time this fictionalized autobiography of Daisy Goodwill Flett is a subtle but affecting portrait of an everywoman reflecting on an unconventional life What transforms this seemingly ordinary tale is the richness of Daisy's vividly described inner life from her earliest memories of her adoptive mother to her awareness of impending death For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators The Publishers Weekly, 1972

Bloomsbury Essential Guide for Reading Groups Susan Osborne, 2009-01-01 A book club gives the opportunity to meet up with friends and wake the brain up a bit with lively and often quite aggressive discussion Dawn French How do you keep your reading groups discussions lively and focussed If you want to gain new insight into literature and share your passion with friends this book offers readers guides for 75 of the very best reads guaranteed to provoke spirited debate Each of the readers guides includes a summary of the book a brief author biography discussion points to spark debate and a set of titles for further reading that deal with similar themes A background section provides pointers to more material about the book online and as well as further thought provoking material Where did the author come from What made them write the book How did the context in which they wrote influence them If you'd like further insight debate discussion and analysis to underpin your understanding and enjoyment of reading then look no further than this guide New titles in this edition include *The Long Firm Leper's Companions* *By the Sea* *The Ninth Life of Louis Drax* *Buddha of Suburbia* *The Icarus Girl* *Black and Blue* *The Minotaur Takes a Cigarette Break* *Balzac and the Little Chinese Seamstress* *The Cutting Room* *Shadow of the Wind* *Giving up the Ghost* and many more *Shame and the Aging Woman* J. Brooks Bouson, 2016-08-19 This book brings together the research findings of contemporary feminist age studies scholars shame theorists and feminist gerontologists in order to unfurl the affective dynamics of gendered ageism In her analysis of what she calls embodied shame J Brooks Bouson describes older women's shame about the visible signs of aging and the health and appearance of their bodies as they undergo the normal processes of bodily aging Examining both fictional and nonfiction works by contemporary North American and British women authors this book offers a sustained analysis of the various ways that ageism devalues and damages the identities of otherwise psychologically healthy women in our graying culture Shame theory as Bouson shows astutely explains why gendered ageism is so deeply entrenched in our culture and why even aging feminists may succumb to this distressing but sometimes hidden cultural affliction Susan Sontag's Tangential Classics

,2025-02-08 Susan Sontag 1933 2004 once declared My idea of a writer someone interested in everything Being interested in everything had come naturally to me This statement was made thirty years after the publication of *Against Interpretation* in 1966 towards the end of a prolific career as an essayist diarist novelist filmmaker and activist The Greco Roman classics play an intriguing part in this narrative of insatiable thirst for knowledge Susan Sontag's *Tangential Classics* sets out to focus on this juncture in her work Instead of offering an account of antiquity in Sontag or of Sontag on antiquity the collected chapters are specifically concerned with her as a case of a thinker in whom the classical tradition does not come into exclusive focus but emerges tangentially in often disparate and exiguous traces connections and references within a polymathic awareness This volume examines Sontag's work and life to probe new strategies of plotting antiquity when its presence in modernity is alluring yet barely there and when the connective thread of influence seems to exist at breaking point Susan Sontag's *Tangential Classics* directs our attention to a twentieth century thinker who invites a markedly different perception of antiquity and its influence in her thought at once captivating and light provocative and uncertain *The First Love Story* Bruce Feiler,2018-03-20 An exploration of the way Adam and Eve introduced the idea of love into the world and how they continue to shape our deepest feelings about relationships family and togetherness Since antiquity Adam and Eve have stood at the center of every conversation about men and women Yet instead of celebrating them history has blamed them for bringing sin deceit and death into the world In this fresh retelling of their story Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome discovering how Adam and Eve should be hailed as exemplars of a long term healthy resilient relationship At a time of discord and fear over the strength of our social fabric Feiler shows how history's first couple can again be role models for unity forgiveness and love *Blackwell Handbook of Infant Development* J. Gavin Bremner,Alan Fogel,2009-02-04 This up to date overview of the fast moving field of infant development covers all the major areas of interest in terms of research applications and policy Provides an up to date overview of progress on important developmental questions relating to infancy Balances North American and European perspective Written by leading international researchers Now available in full text online via xreferplus the award winning reference library on the web from xrefer For more information visit www.xreferplus.com *Activist Business Ethics* International Business Programs,2004-09-29 The truth can wait for it lives a long life Arthur Schopenhauer German philosopher 1788 1860 The philosopher Schopenhauer believed in the eventual triumph of truth despite the disappointments engendered by his indifferent contemporaries Two centuries later we live in a time of accelerated changes and we do not have the long life to wait for the truth Activist business ethics business ethics with a more activist militant approach is needed in order to remedy the wrongdoing committed to the stakeholders and minority shareholders This will be achieved by cooperation between ethical businessmen and businesswomen activist academics and associations of stakeholders and minority shareholders We should treat others as we would want them to treat us not through interest but by conviction Yet this principle is not the

guideline of many companies in the modern business world although most of religions and philosophers have preconized it in the last 3 000 years How could we convince or compel modern business to apply this principle and is it essential to the success of economy In order to answer these questions this book examines the evolution of activist business ethics in business democracies Christianity Judaism Islam Buddhism and other religions as well as in philosophy psychology and psychoanalysis The book examines international aspects the personification of stakeholders the predominance of values and ethics for CEOs and the inefficient safeguards of the stakeholders interests **Gender and the First World War** Christa Hämmerle,O. Überegger,B. Bader-Zaar,2014-01-02 The First World War cannot be sufficiently documented and understood without considering the analytical category of gender This exciting volume examines key issues in this area including the home front and battlefield violence pacifism citizenship and emphasizes the relevance of gender within the expanding field of First World War Studies **The Wiley-Blackwell Handbook of Infant Development, Volume 1** J. Gavin Bremner,Theodore D. Wachs,2011-07-11 Now part of a two volume set the fully revised and updated second edition of The Wiley Blackwell Handbook of Infant Development Volume 1 Basic Research provides comprehensive coverage of the basic research relating to infant development Updated fully revised and expanded this two volume set presents in depth and cutting edge coverage of both basic and applied developmental issues during infancy Features contributions by leading international researchers and practitioners in the field that reflect the most current theories and research findings Includes editor commentary and analysis to synthesize the material and provide further insight The most comprehensive work available in this dynamic and rapidly growing field
