Rainbow's Shadow and the Covenant of Wisdom John Cicero, 2010-03 Rainbow s SHADOW and the Covenant of Wisdom Rainbow s Shadow and the Covenant of Wisdom picks up where Rainbow s Shadow and the Tablets of Fate leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head

spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer s Shadow novel entitled The Pirate s Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer s Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind

Bones of Contention Barbara R. Ambros, 2012-09-10 Since the 1990s the Japanese pet industry has grown to a trillion yen business and estimates place the number of pets above the number of children under the age of fifteen There are between 6 000 to 8 000 businesses in the Japanese pet funeral industry including more than 900 pet cemeteries Of these about 120 are operated by Buddhist temples and Buddhist mortuary rites for pets have become an institutionalized practice In *Bones of Contention* Barbara Ambros investigates what religious and intellectual traditions constructed animals as subjects of religious rituals and how pets have been included or excluded in the necral landscapes of contemporary Japan Pet mortuary rites are emblems of the ongoing changes in contemporary Japanese religions The increase in single and nuclear family households marriage delays for both males and females the falling birthrate and graying of society the occult boom of the 1980s the pet boom of the 1990s the anti religious backlash in the wake of the 1995 Aum Shinriky incident all of these and more have contributed to Japan s contested history of pet mortuary rites Ambros uses this history to shed light on important questions such as Who or what counts as a family member What kinds of practices should the state recognize as religious and thus protect financially and legally Is it frivolous or selfish to keep pamper or love an animal Should humans and pets be buried together How do people reconcile the deeply personal grief that follows the loss of a pet and how do they imagine the afterlife of pets And ultimately what is the status of animals in Japan *Bones of Contention* is a book about how Japanese people feel and think about pets and other kinds of animals and in turn what pets and their people have to tell us

about life and death in Japan today *The Rainbow'S Light* Derek Earls,2016-10-12 Droplets of evil had diluted and eventually dispersed the white power of the suns special light The special light had a purpose It was created for such a time as this The purpose carried a good intent but some devilry had diluted and dispersed the good intent It was remembered by those occasions when rainbows arched the sky The rainbows appeared less to men and others forgot But most men had forgotten the purpose of the rainbows reminder and most men and others had never known the purpose of the special light It was always known by a few that such a time as this would come The few intent on good feared the coming of such a time Now the greater number who were evil were aware that the time or a time had come They were at first unaware that the special light might reconvene as a whole and that the white power of the whole might thwart their intent These others were not men not human Though they had mans outward appearance most were subhuman some were superhuman Evil intent rested with the superhuman but to them the intent was not evil just inevitable Only those carried upon the waves of the special light had the energy to combat the evil intent and then it was only when they came together
