100 Love Sonnets Pablo Neruda,2007 Celebrating the works of a great Chilean poet this collection offers a vibrant translation of Neruda's sensual and erotic poetry Famous for his politically engaged lyrics the Nobel Laureate also wrote bold and sexual sonnets and this compilation captures the spirit and verbal dexterity of the lesser known genre These sonnets from one of the most influential and beloved 20th century poets accompany questions for discussion and lists of recommended readings and related websites Ontological Necessities Priscila Uppal,2006 Written with the verve of the uninhibited artist but with a clarity of thought and expression more akin to the scientist or scholar these poems investigate the emotional and philosophical struggles of contemporary life Often sparked by the horrors depicted in today's news the poems combine surrealist images with spare and lyrical language to grapple with an increasingly absurd world The most ambitious piece in the collection is a radical post 9 11 translation of the Anglo Saxon elegy *The Wanderer* and other poems include *Don Quixote* *You Sure Can Take One Helluva Beating* *Film Version of My Hatred* *Never Held a Gun* and *The Romantic Impulse Hits the Schoolyard* **Far from Nothing** Zoltán Böszörményi,2006 Ripe with love money and power the story of 35 year old Rudolf set in a fast paced urban environment begs the question Do we only think we exist Rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership He also keeps up a heart wrenching relationship with the chic Wanda Then there is Nina who studies logic but is secretly a prostitute and Alfred owner of a car leasing company seemingly upright but actually an embezzler Each character conceals something Be it in Hungary or North America the craving for existential clarity remains strong **Lanzmann and Other Stories** Damian Tarnopolsky,2007-05 Ranging widely in subject matter from a musician's destructive narcissism to the strange effects a persistent Norwegian has on a bachelor's love life the stories in this collection also vary in style Both elegantly insightful and highly adventurous these tales are inventive deeply comic sometimes very unsettling and completely engaging Midnight Stroll Janice Kulyk Keefer,Natalka Husar,Claire Weissman Wilks,Goran Petkovsky,2006 A unique collaboration that explores themes of love and family this collection features poems that are based on works of art placed alongside the very works that inspired them It includes paintings by Natalka Husar drawings monotypes and lithographs by Claire Weissman Wilks and photographs by Goran Petkovsky **Canadian Books in Print. Author and Title Index** ,1975

That Summer in Paris Morley Callaghan,2006 It was the fabulous summer of 1929 when the literary capital of North America moved to La Rive Gauche the Left Bank of the Seine River in Paris Ernest Hemingway was reading proofs of *A Farewell to Arms* and a few blocks away F Scott Fitzgerald was struggling with *Tender Is the Night* As his first published book rose to fame in New York Morley Callaghan arrived in Paris to share the felicities of literary life not just with his two friends Hemingway and Fitzgerald but also with fellow writers James Joyce Ford Madox Ford and Robert McAlmon Amidst

these tangled relations some friendships flourished while others failed This tragic and unforgettable story comes to vivid life in Callaghan s lucid compassionate prose *Asterisks* David Wevill, 2007 Poems written with clarity and craftsmanship this collection contemplates what is real and observable versus what is not The verses are like asterisks that refer to somewhere else and they strike with meditative depth and spiritual strength Drawn from experiences in Burma England Spain and the United States these words depict moments in time and step back into silence
