erupted into the public conversation But long before Pantsuit Nation before the Women s March and before the MeToo movement women s anger was not only politically catalytic but politically problematic The story of female fury and its cultural significance demonstrates the long history of bitter resentment that has enshrouded women s slow rise to political power in America as well as the ways that anger is received when it comes from women as opposed to when it comes from men *The Plantation* ,1870 **The Ladies' Repository** ,1865 *United Daughters of the Confederacy Patriot Ancestor Album* United Daughters of the Confederacy,1999 The End of Woman Carrie Gress,2023-08-15 Feminism Doesn t Empower Women It Erases Them The bestselling author of *Theology of Home* Carrie Gress shows that fifty years of radical feminism have solidified the primacy of the traditionally male sphere of life and devalued the attributes virtues and strengths of women Feminism the ideology dedicated to smashing the patriarchy has instead made male lives the norm for everyone After fifty years of radical feminism we can t even define woman In this powerful new book Carrie Gress says what cannot be said feminism has abolished women Hulking trans women thrash female athletes Mothers abort their baby girls Drag queens perform obscene parodies of women Females are enslaved for men s pleasure or they enslave themselves Feminism doesn t avert these tragedies it encourages them The carefree binge of self absorption has left women exploited unhappy dependent on the state and at war with men And still feminists cling to their illusions of liberation But there are real answers Real answers for real women Carrie Gress a wife mother and philosopher punctures the myth of feminism exposing its legacy of abuse abandonment and anarchy From the serpent s seduction of Eve to Mary Shelley s *Frankenstein* to Kate Millett s lust violence and insanity to Meghan Markle s havoc ridden rise to royalty Gress presents a history as intriguing as the characters who lived it The answers women most desperately need she concludes are to be found precisely where they are most afraid to look Only a rediscovery of true womanhood and motherhood can pull our society back from the brink And happiness is possible only if women are open to making peace with men with children with God and no less difficult with themselves For feminism s victims Gress is a welcoming voice in the darkness The door is open The lights are on Come home
