Stop Rommel:

The End of the Beginning Malcolm Archibald, 2025-01-09 The North African desert 1942 Recovering from his injuries Lieutenant Douglas Tulloch returns to the Lothian Rifles just as the tide of war shifts With Rommel's forces pressing deep into Allied territory the British are pushed to their limits and the Lothians find themselves outgunned and struggling to hold the line The morale of Tulloch's unit is crumbling and he must rebuild trust among his men while navigating a war that seems increasingly hopeless As the men prepare for a defining battle at El Alamein personal encounters with the enemy force Tulloch to question not only his adversaries but also the cost of his duty A gripping story of courage leadership and the brutal reality of warfare THE END OF THE BEGINNING is the third book in Malcolm Archibald's series of historical war novels

At Rommel's Side Hans-Joachim Schraepler, 2009-07-27 Erwin Rommel Hitler's so called Desert Fox is possibly the most famous German Field Marshal of WWII He is widely regarded as the one of the most skilled commanders of desert warfare and in contrast to other leaders of Nazi Germany is considered to have been a chivalrous and humane officer The letters of his adjutant provide a unique picture of Rommel during his time in Libya Hans Joachim Schraepler was by Rommel's side in North Africa for ten crucial months in 1940-41 During that time he wrote to his wife almost every day In most cases the correspondence went via the usual channels but occasionally he used other methods to avoid the censor's gaze Through his letters Schraepler supplies a vivid image of the first phase of the North Africa campaign He covers the siege of Tobruk the capture of Benghazi and the difficulties experienced by those fighting in Cyrenica and the wider North African theatre He also complains that the Italian were poor Allies lacking training and leadership and that Berlin regarded North Africa as a theatre of only secondary importance Schraepler also provides insights into Rommel's character his dynamism and tactical skill along with the growing cult of personality which seemed to surround him One of his unofficial tasks for example was to respond in Rommel's name to much of the fan mail that arrived at the Afrikakorps HQ Hans Albrecht Schraepler was only seven years old when his father died The cache of letters was held by his mother and remained untouched for sixty years His father's last letter found the day of his death remains unfinished *Rommel's Last Victory* Martin Blumenson, 2021-11-21 This book first published in 1968 examines the disastrous defeat suffered by inexperienced American troops newly landed in North Africa at the hands of Rommel The news of Kasserine shocked the United States militarily and politically and led to swift changes in equipment and tactics This book traces the battle through to its aftermath in a remarkable piece of battlefield investigation Manchester Evening News **Generals of World War I** Mike Taylor, 1998-09 An account of the battlefield activities of German British American and Russian generals during the largest war in history *With Pennants Flying* David Masters, 2017-04-07 Originally published in 1943 this book tells the story of the battles and campaigns of the Armoured regiments of the British Army in the early period of WWII It includes BEF operations in France 1940 the Western Desert fighting the Italians and later the Germans Siege of Tobruk the ill fated Greek Campaign and battle for Crete and the

early battles in Burma **Taking Paris** Martin Dugard, 2022-09-06 NATIONAL BESTSELLER From Martin Dugard the 1 New York Times bestselling coauthor of the Killing series with Bill O'Reilly comes the spellbinding story of the Allied liberation of Paris from the grip of the Nazis during World War II Taking Paris does for Paris during World War II what The Splendid and the Vile did for London James Patterson Heroes and villains abound You'll enjoy this fast paced book immensely Bill O'Reilly Succeeds triumphantly The Washington Post May 1940 The world is stunned as Hitler's forces invade France with a devastating blitzkrieg aimed at Paris Within weeks the French government has collapsed and the City of Lights revered for its carefree lifestyle intellectual freedom and love of liberty has fallen under Nazi control perhaps forever As the Germans ruthlessly crush all opposition a patriotic band of Parisians known as the Resistance secretly rise up to fight back But these young men and women cannot do it alone Over 120 000 Parisians die under German occupation Countless more are tortured in the city's Gestapo prisons and sent to death camps The longer the Nazis hold the city the greater the danger its citizens face As the armies of America and Great Britain prepare to launch the greatest invasion in history the spies of the Resistance risk all to ensure the Germans are defeated and Paris is once again free The players holding the fate of Paris in their hands are some of the biggest historical figures of the era Winston Churchill Franklin Roosevelt General George S Patton and the exiled French general Charles de Gaulle headquartered in London's Connaught Hotel From the fall of Paris in 1940 to the race for Paris in 1944 this riveting page turning drama unfolds through their decisions for better and worse Taking Paris is history told at a breathtaking pace a sprawling yet intimate saga of heroism desire and personal sacrifice for all that is right Military Maverick Lavinia Greacen, 2025-03-31 Reveals the provocative and irreverent life of Dorman Smith through his private letters and war diary highlighting his military brilliance and conflicts with Churchill A follow up to the best selling biography Chink this selection from private letters and intimate war diary has the impact of a fresh no holds barred autobiography Dorman Smith the man flesh and blood comes alive here on the page Provocative irreverent caustic and witty his disdain for Churchill and for the Establishment in general increases as his military career unravels Egotistical Yes Arrogant Certainly His own worst enemy Perhaps But Dorman Smith's grasp of tactics and strategy was unsurpassed as his exchanges with Basil Liddell Hart demonstrate Full of contradictions he was externally reserved and inwardly super sensitive Growing up in style in Ireland and educated at public school in England his religion was Catholic and he scorned any Anglo Irish tag His private life while rising up the Northumberland Fusiliers proved colorful while a brief dalliance with the IRA in the 1950s never endangered his vow of silence over the Enigma Ultra secret This book gives a marvellous picture of personal war experience in two world wars from RMC Sandhurst and life in the trenches via the Staff College to high command in Egypt and India between the wars until service in North Africa under Wavell began and working side by side with Auchinleck at the First Battle of El Alamein That would lead to confrontation with Churchill and Brooke and subsequent breakout from Anzio under fire Readers will know what it was like to survive the trenches to serve in HQ as crises arose and

to have command involving losses the reality of war is dramatic and moving The First Battle of El Alamein fought under Auchinleck in the emergency that dangerous summer of 1942 was to be followed within three months by Montgomery's celebrated battle and its consequent fame The important argument of Military Maverick however is that First Alamein was the real turning point in the Desert War and that makes Dorman Smith's account even more valuable The letters and diary entries are linked by commentary and explanation by the editor Lavinia Greacen and by the military historian John Lee

The Last Hour Will Montgomery, 2023-10-05 A Royal Navy commander is tasked with stopping a German convoy in this thrilling novel of love courage and honor in the midst of World War II Harry Scott has served honorably in the Royal Navy since 1939 including at Dunkirk where he evacuated hundreds of soldiers before his own boat was blown up and he lost many of his crew By 1942 the tide of the war is flowing against the Allies A worried Churchill needs to block a fleet of German reinforcements and knows his large ships would never survive But a force of smaller vessels might just have a chance if their voyage is kept from the enemy until it's too late and the group is led by the right man Now Harry with the help of officer Annie Lenton has been tasked to bring this new flotilla together and train the officers and crew The two gradually develop a respect and a love for each other a love that could make or destroy them both as a vicious sea battle looms **Johnnie**
