Birch Appleton, Charles Edward Doble, James Sutherland Cotton, Charles Lewis Hind, William Teignmouth Shore, Alfred Bruce Douglas, Ellis Ashmead-Bartlett, Thomas William Hodgson Crosland, 1901 Twelve Vile Tales Preston Mulroy, 2016-12-04 I've met lots of folks in lots of situations and after a while people seem to just open up to me. Call it a gift if you like, but I have to tell you sometimes I don't want to listen. So I do the polite thing which usually ends up in the poor soul thanking me for allowing them to unburden their problems. Often they will berate the fact that no one would believe them anyway. I always respond in the same way which is to tell them to write it down. That way even if no one believes you, at least you've got a good yarn to show for it. They most often agree but then ask me to write the story although sometimes they want to write it in their own words. The result is a bit of a mish-mash of styles I suppose but I like to think that gives them authenticity.
