Stories Of The Vikings:

Stories of the Vikings Mary Macgregor,1909 **Stories of the Vikings (Serapis Classics)** Mary MacGregor,2017-10-19 On a summer day nearly twelve hundred years ago three ships with bright red sails drew near to one of the little ports of the Dorset coast in the south of England The townsfolk saw the ships and paying no heed to the bright sails said carelessly one to another The merchantmen will be in port to day And the harbour master gathered together a few of his men and hastened to the quay For he too had seen the ships and as in duty bound he went to meet them to demand from the captains the port taxes which were lawfully due to the king But townsfolk and harbour master alike had made a grievous mistake that summer day For as they soon discovered to their cost and as the red sails might have forewarned them the three ships were no peaceful merchantmen No sooner had the vessels drawn up along the quay than a wild strange looking crew sprang to the shore drew their swords and speedily slew the harbour master and his few unarmed followers They then entered the town plundering and burning the houses of all both rich and poor Leaving the little town in ruins the strange crew dragging their booty with them marched down again to the quay There they embarked and without delay sailed away out to sea Perhaps you have already guessed that the strange crew was a Viking band that the three ships were Viking ships So indeed they were and this summer day in the year seven hundred and eighty nine was the first time that the wild Northmen had been seen in England or in any part of Europe where the White Christ was worshipped Stories of the Vikings Maurice Pratt Dunlap,1923 Exploring the Vikings John Malam,2003 New in paperback Remains to be Seen is a fascinating series which looks at the past through the archeological evidence that remains today Exploring the Vikings looks at who the Vikings were at their world and how they spent their time as well as their travels their voyages of discovery and their rituals and religion There are fact boxes which highlight key facts and the text is supported by a wonderful array of photographs and maps Exploring the Vikings also features a time line a glossary and a full index **Stories of the Vikings** Mary Macgregor,1909 **The Orchard Book of Viking Stories** Robert E. Swindells,2004 The fiery world of the Vikings is filled with amazing adventures and acts of courage Battles with mighty giants demons and dwarves abound and superhuman gods Thor Odin and many more leap from the pages These retellings will fire every child s imagination All the drama magical and mystery of Robert Swindells stories are captured in Peter Utton s illustrations which bring the world of the Vikings so vividly to life Viking Tales Jennie Hall,2024-02-10 Iceland is a little country far north in the cold sea Men found it and went there to live more than a thousand years ago During the warm season they used to fish and make fish oil and hunt sea birds and gather feathers and tend their sheep and make hay But the winters were long and dark and cold Men and women and children stayed in the house and carded and spun and wove and knit A whole family sat for hours around the fire in the middle of the room That fire gave the only light Shadows flitted in the dark corners Smoke curled along the high beams in the ceiling The children sat on the dirt floor close by the fire The grown people were on a long narrow bench that they had

pulled up to the light and warmth Everybody's hands were busy with wool The work left their minds free to think and their lips to talk What was there to talk about PART I IN NORWAY The Baby The Tooth Thrall Olaf's Farm Olaf's Fight With Havard Foes fear Harald is King Harald's Battle Gyda's Saucy Message The Sea Fight King Harald's Wedding King Harald Goes West Over Seas PART II WEST OVER SEAS Homes in Iceland Eric the Red Leif and His New Land Wineland the Good
