Stories Of Adoption Loss And Reunion:

Stories of Adoption Eric Blau,1993 Offers insight into the thoughts and emotions of the people who have experienced the adoption process either as adoptees birth parents or adoptive parents **Love Child** Sue Elliott,2013 *Mary & Me Beyond the Canvas* Susan Van Sleet,2013-01-15 The year was 1966 and Susie a senior in high school found herself with a new label unwed mother It was an era of silent surrender and Susie was forced to leave home and move in with her aunt for three months of seclusion until her baby was born and could be put up for adoption She somehow found the inner strength to survive the solitude shame physical changes and the incredible loss of giving up her baby Susie was told to forget about her baby and go on with life but that was impossible While other birthmothers may have turned to alcohol or drugs to deal with their loss Susie transformed her deep longing into art Her most remarkable works were annual paintings of the child she privately named Mary For more than two decades Mary grew to adulthood on canvas And twenty seven years after giving birth Susie would finally meet Mary whose given name was Jeanne in person The resemblance between the woman before her and the woman in the paintings was remarkable and there was a connection of epic proportion between mother and child The adoption experience had come full circle This inspirational memoir sheds new light on the shadowy era of closed adoption and shares how one woman translated her pain and guilt into art *Keeping Family Secrets* Margaret K. Nelson,2022 Drawing on 160 published memoirs this book explores the costs and benefits in the post WWII period in the United States both for individuals and for families of keeping secrets about homosexuality institutionalization of children with disabilities unwed pregnancy involvement in left wing political activities adoption and Jewish ancestry *Publishing Lives* Jerome Gold,1995 In *Publishing Lives* publishers from 31 independent presses talk about how they came to publishing and why they stayed or didn't the mistakes they made their relationships with authors the problems of growth definitions of success why they do or do not seek grants their relationships with distributors bookstores New York and Toronto and each other More than just a directory *Publishing Lives* presents these publishers as the spiritual heirs of the nineteenth century founders of the great New York houses *Five against One* Kim Neely,1998-04-01 More than any other band Pearl Jam embodies the alternative style that dominates rock today From their early days as fame ducking grunge pioneers through their headline making battle with Ticketmaster to their current status as self assured survivors *Five Against One* brings to life Pearl Jam's tumultuous ascent to superstardom in rich detail A compelling portrait of the band's elusive leader Eddie Vedder and family photos never seen before by the public make this a must have for every Pearl Jam fan [Christian Women in the Patristic World](#) Lynn H. Cohick,Amy Brown Hughes,2017-10-03 From facing wild beasts in the arena to governing the Roman Empire Christian women as preachers and philosophers martyrs and empresses virgins and mothers influenced the shape of the church in its formative centuries This book provides in a single volume a nearly complete compendium of extant evidence about Christian women in the second through fifth centuries It highlights the social and

theological contributions they made to shaping early Christian beliefs and practices integrating their influence into the history of the patristic church and showing how their achievements can be edifying for contemporary Christians **Beating the Adoption Odds** Cynthia D. Martin, Dru Martin Groves, 1998 Comprehensive authoritative and proactive *Beating the Adoption Odds* is the indispensable manual for both those considering adoption and those working in the adoption field

Adopted Women and Biological Fathers Elizabeth Hughes, 2017-03-01 *Adopted Women and Biological Fathers* offers a critical and deconstructive challenge to the dominant notions of adoptive identity The author explores adoptive women's experiences of meeting their biological fathers and reflects on personal narratives to give an authoritative overview of both the field of adoption and the specific history of adoption reunion This book takes as its focus the narratives of 14 adopted women as well as the partly fictionalised story of the author and examines their experiences of birth father reunion in an attempt to dissect the ways in which we understand adoptive female subjectivity through a psychosocial lens Opening a space for thinking about the role of the discursively neglected biological father this book exposes the enigmatic dimensions of this figure and how telling the relational story of reconciliation might be used to complicate wider categories of subjective completeness belonging and truth This book attempts to subvert the culturally normative unifying system of the mother child bond and prompts the reader to think about what the biological father might represent and how his role in relation to adoptive female subjects may be understood This book will be essential reading for those in critical psychology gender studies narrative work sociology and psychosocial studies as well as appealing to anyone interested in adoption issues and female subjectivity *Birth Mothers and Transnational Adoption Practice in South Korea* Hosu Kim, 2016-10-26 This book illuminates the hidden history of South Korean birth mothers involved in the 60 year long practice of transnational adoption The author presents a performance based ethnography of maternity homes a television search show an internet forum and an oral history collection to develop the concept of virtual mothering a theoretical framework in which the birth mothers experiences of separating from and then reconnecting with the child as well as their painful ambivalent narratives of adoption losses are rendered felt and registered In this the author refuses a universal notion of motherhood Her critique of transnational adoption and its relentless effects on birth mothers lives points to the everyday normalized gendered violence against working class poor single mothers in South Korea's modern nation state development and illuminates the biopolitical functions of transnational adoption in managing an excess population Simultaneously her creative analysis reveals a counter public and counter history proposing the collective grievances of birth mothers
