Stories of Mukunda Bro Kriyananda, Swami Kriyananda, J. Walters, 2013-04-30 From the PREFACE These are true stories The fourteen anecdotes are among those that Paramahansa Yogananda recounted to lecture audiences in America or that were told to SRF disciples by his relatives and friends who had known him in his early life in India In his narratives the great Master did not always mention names dates and places He would often start out One time this friend and I and then proceed with the tale Therefore in writing the stories I have not always been certain about the chronology settings and personal names I have found it expedient to bestow fictitious names on certain people in various episodes The only true names are Mukunda Sri Yukteswarji Ananta Roma Prabhas Chandra Ghose and Maid Ma To increase narrative interest in a few instances I have included in one story two or more incidents that in actuality were not closely connected in time During Paramahansaji s last years I had the blessing as a disciple at Mount Washington Center of seeing the Master often In this book I have tried to depict in words which are inadequate at best the spirit of Yoganandaji a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed never afraid to side with a righteous cause however unpopular What wonder that the Master s message of man s divinity was blazoned across the earth even during his lifetime Or that thousands heard and answered it changing their lives with a newborn faith to conform to the ideals set before them by the compassionate Guru BROTHER KRIYANANDA formerly Donald Walters Minister Self Realization Fellowship Church Los Angeles California December 16 1953 *Stories of Mukunda* ,1958

Wisdom of a Yogi Rizwan Virk ,2023-06-12 The impact of the Autobiography wasn t limited to musicians or spiritual seekers Steve Jobs Co founder of Apple Inc which became the world s most valuable company was a big fan and went so far as to say it was one of his favourite books Jobs first read it as a teenager and claimed to have re read it every year since then Paramahansa Yogananda s Autobiography of a Yogi was one of the most impactful spiritual books of the twentieth century and has travelled around the world inspiring millions to walk the spiritual path But what are twenty first century spiritual aspirants steeped in technology and science to think of these classic tales of gurus swamis and miracles in the Himalayas Do these tales have relevance today In Wisdom of a Yogi bestselling author entrepreneur and venture capitalist Rizwan Virk brings out the lessons from Yogananda s classic and reinterprets them for the modern age In fourteen unforgettable lessons interweaving stories from the Autobiography with tales of college professors students entrepreneurs and modern seekers Virk brings the ancient lessons of karma yoga meditation and siddhas into the modern age of YouTube video games mobile phones and social media Whether you have never read the Autobiography or have read it multiple times Wisdom of a Yogi will help enhance your spiritual practice in today s increasingly complex cluttered and connected world Kriyananda ,1958

Stories of Mukunda James Donald Walters (Erzieher, USA),1953 *How to Live Without Fear* Paramhansa

Yogananda,2024-01-02 Remove The Mental Bacteria to Overcome Your Fear One of the greatest enemies of willpower is fear Avoid it both in thought and in action Fear doesn't help you to get away from the object of fear it only paralyzes your willpower In this eleventh installment in The Wisdom of Yogananda series the great yoga master Paramhansa Yogananda teaches us how to Eliminate the mental bacteria of fear Rid the mind of worry poisons Overcome stage fright Use chants and affirmations to overcome fear and Relax on all levels physical mental and metaphysical The first part of this book shows us how to recognize when we are acting from a place of fear The second part helps us to overcome fear's sometimes overwhelming presence in our lives through Paramhansa Yogananda's original teachings **Stories of Yogananda's Youth**

Swami Kriyananda,2017-11-15 Stories from the youth of Mukunda Lal Ghosh later known to the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda's own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda's spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda's heart however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India's greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda's keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master's life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story Two Great Masters

Amrit Gupta,2020-01-01 Both were gifts the rarest of the rare offered by India to mankind For these gifts humanity will remain in perpetual debt which cannot be redeemed merely by paying homage by different means but by allowing these luminaries to affect us catalyze us help us remove all callousness and sensitize us towards a new spiritual level of consciousness The great Masters brought before humanity for the first time the most efficacious and practical methods of understanding ultimate verities and application of such verities truths in their practical day to day life The contribution of both the masters in the field of personal development and especially in the case of education of children is ideal for all

nations Both Swami Vivekananda and Paramahansa Yogananda were great masters of humanity No ordinary man surely is worthy of this spiritual title But now and then there appears on earth one of the noble lineages of God realized souls to carry out the plans of Divinity and establish righteousness on earth Vivekananda s work prepared the ground in America and planted the seeds of Eastern spiritual values These seeds were to be nurtured by another spiritual giant from India
