Storm Of Fortune A Novel:

Storm of Fortune Austin Clarke, 2012-08-07 This is the second book in Austin Clarke's groundbreaking Toronto Trilogy about the lives of black people in Canada. In *Storm of Fortune* Clarke brings us into a circle of West Indian domestics, their friends, lovers, spouses, and employers living in Toronto in the late 1950s. In lush, invigorating prose, Clarke illuminates the world of Bernice Leach, a world inhabited by earthy, garrulous but terribly isolated people, all living, working, and struggling within an alien white Canadian culture. He brilliantly articulates the unsettled attitudes of his characters towards themselves, their community, and their fellow immigrants, exploring questions of status and social mobility. In turn, he unites these themes into a devastating commentary on the quest for success in North America. Dominated by warm, superbly drawn characters and pulsing with the nation language of Clarke's characters' speech, *Storm of Fortune* is a window into one of the most dynamic periods of Canadian history, one that has brought so much to bear on our present. **Fortune's Child: A Novel of**

Empress Theodora (Book 1 of 2) James Conroyd Martin, 2021-04-30 KIRKUS REVIEWS A meticulously researched historical account presented in the form of a thrilling political drama. GRAND PRIZE 2019 Best Book Chanticleer International Book Awards. Theodora, actress, prostitute, mistress, feminist, and Byzantine Empress of the Roman world. Stephen, handsome Syrian boy, wizard's apprentice, palace eunuch, and Secretary to the Empress. How does this unlikely pair become such allies that one day Empress Theodora asks Stephen to write her biography? From a very young age, Theodora, daughter of a circus bearkeeper in Constantinople, sets her sights well above her station in life. Her exquisite beauty sets her apart on stages and in the eyes of men. Stephen, a Syrian lad of striking good looks, is sold by his parents to a Persian wizard who teaches him a skill in languages that will serve him well. By the time Destiny brings them together in Antioch, Theodora has undergone heart-rending trials and a transformation, while Stephen has been sold again and castrated. Discover the enduring bond that, however imperfect, prompts Theodora as Empress to request palace eunuch Stephen to write her biography. **The Crisis**, 1975-11

The Crisis, founded by W. E. B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture, and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought, leaders, decision makers, peacemakers, and justice seekers. It has chronicled, informed, educated, entertained, and in many instances set the economic, political, and social agenda for our nation and its multi-ethnic citizens. *Collected Ancient*

Greek Novels B. P. Reardon, 2019-05-07 Prose fiction, although not always associated with classical antiquity, flourished in the early Roman Empire, not only in realistic Latin novels but also, and indeed principally, in the Greek ideal romance of love and adventure. Enormously popular in the Renaissance, these stories have been less familiar in later centuries. Translations of the Greek stories were not readily available in English before B. P. Reardon's first appeared in 1989. Nine complete stories are included here, as well as ten others encompassing the whole range of classical themes: romance, travel, adventure, historical.
