Storm Boy:

The Fiction Gateway Suzanne Eberlé, Noelle Williamson, 2009 In this guide two experienced school librarians provide a selection of books for librarians teachers and parents The Fiction Gateway is an essential resource that supports individual group and social reading program and provides an instant guide to matching children s interests with suitable reading material

Southwords Philip Butterss, 1995 The thirteen essays in Southwords written by and about some of the country s top writers celebrate the diversity of South Australia s literary past and present confront uneasy questions and entertain and delight in their explorations of South Australia s contributions to Australian and global literature

Reconfiguring the Natures of Childhood Affrica Taylor, 2013 In this fascinating new book Affrica Taylor encourages an exciting paradigmatic shift in the ways in which childhood and nature are conceived and pedagogically deployed and invites readers to critically reassess the naturalist childhood discourses that are rife within popular culture and early years education Through adopting a common worlds framework Reconfiguring the Natures of Childhood generates a number of complex and inclusive ways of seeing and representing the early years It recasts childhood as messy and implicated rather than pure and innocent situated and differentiated rather than decontextualized and universal entangled within real world relations rather than protected in a separate space Throughout the book the author follows an intelligent and innovative line of thought which challenges many pre existing ideas about childhood Drawing upon cross disciplinary perspectives and with international relevance this book makes an important contribution to the field of childhood studies and early childhood education and will be a valuable resource for scholars postgraduate students and higher education teachers

Pelican Barbara Allen, 2019-07-15 With its distinctive comical walk large bill and association with the conservation movement the pelican has attained iconic status But as Barbara Allen reveals this graceful skimmer of ocean waves has a checkered history Originally classed as unclean in the King James Bible the legend of the compassionate pelican was later appropriated by Christianity to symbolize Christ s sacrifice This majestic bird gifted to British royalty in 1664 has been celebrated in art and literature from Shakespeare s King Lear to the writing of Edward Lear and is the holder of three Guinness World Records The pelican s anatomy has been copied for paper plane construction aircraft design and in 3D imaging and its resilience is as remarkable as its make up the pelican has rallied against threats of extinction habitat destruction and environmental disasters such as the Deepwater Horizon oil spill A must read book for all bird enthusiasts Barbara Allen s Pelican weaves together wildlife trivia historical tales and the latest research to provide an engaging many feathered account of this emblematic bird

Pinguo Colin Thiele, 1986

At the End of the River David Paton, 2010-12-31 Beautifully presented and written by one of the Coorong s most knowledgeable ecologists At the end of the River is an essential read for those responsible for making the decisions that will determine its future

A Blundering Boy Bruce Weston Munro, 2017-07-02 Silly as this story may seem there is a fixed purpose in writing it and like water in a goose pond it is deeper than it at first appears The intention chiefly is to be absurd to

cast ridicule on certain pedants and romancers and to jeer at the ridiculous solemnity mystery and villainy that hedge in works of fiction Disgusted with tales which cause exceedingly good heroes and heroines to live a life of torture only to find a haven of peace and security in the last line of the last chapter the writer determined to go over the old ground in a different way Now that the story is written however he has a horrible suspicion that in some measure he has totally failed in his design and that more often than he cares to own he has overshot the mark Having endeavored to make the intention tolerably clear the reader may now be able to get more enjoyment from this tale The tale aims to attack so called vagaries as well as great and contemptible follies It attacks the frailties of the school boy with as much gusto as it attacks the foibles of the romancer In fact from first to last in almost every chapter the writer rushes gallantly to attack something Not satisfied with attempting to ridicule other people s tales he often indirectly but not the less insultingly attacks this one as the careful reader will doubtless observe This was begun in jest perhaps but it soon became a fixed purpose carried out in earnest Even a boy can generally see the drift of our narrative but it is often hard for the writer himself to see its true meaning harder still to appreciate it Nevertheless there is a good deal to be seen in the story and doubtless there are xii some who will see more in it than was designed to be put there

Reading and Responding Denise Ryan,2014-01-01 Introduce students to literary texts to help them become active and enthusiastic readers From alphabet books to poetry chapter books to read alouds this teacher friendly resource is a must have

The Crystallizing Teacher Craig Wood,2024-05-31 This book advocates for teacher professional development done differently The author introduces a process described as crystallizing conscientiza o which restores agency to teachers Looking beyond incremental improvements in teacher micro skills promoted by neo managerial approaches to professional development the book considers the wider impact of teachers personal professional and political identities on their work This critical reflective practice combines crystallization as method with Freirean principles of conscientiza o asking questions that reveal the impact of whiteness in schools and the role that education performs in replicating whiteness and perpetuating injustice The book will appeal to academics in the diverse fields of sociology of education critical race theory critical whiteness studies curriculum and pedagogy and teachers work as well as providers of initial teacher education programs and pre service teachers
