Sinkin Spells Hot Flashes Fits And Cravins:

Gravel and Grit Al Price,2020-06-17 Gravel and Grit recounts not only a rural boyhood in a period of racial hostility and class exclusion but also of simple country pleasures and strong family ties Other approaches to writing about the South either romanticize or demonize the people and culture in which the author was reared What makes this work different is that it reveals both the gravel the course unflattering and shameful side of that era and the grit the remarkable will to survive Stories are told with a backdrop of significant historical events such as the Great Depression World War II the Southern Labor Movement the Civil Rights Movement and the advent of the rock and roll revolution in music all of which led to a transformation of values Price promotes racial harmony as well as understanding the conflicts contradictions and joys of living in the South Rich in literary quotations and cultural allusions the reader will recall memories from his or her own life Here in this world of sunshine and toil these common people both black and white endured survived and prevailed It was also here that some white citizens made one last bloody fatal gasp to preserve the cultural curse of Jim Crow African Americans left a legacy of fighting for their country both overseas and at home This is a book that can change a reader and it is certainly a book the reader will remember

A New Voice Janet Paterson,2015-03-25 welcome to my world and this new voice of mine i have had parkinsons disease pd since 1988 and have also been dealing with clinical depression cd for most of my life in july 1995 i joined the internet and then i joined an online pd support group cleverly disguised as a cyber family both events changed my life and then i discovered that i love writing including all the learning that is buried in it for me as a result this volume is comprised of over 150 e mail messages sent to my pd support group pals online aka my cyber siblings as well as to my family and friends these messages unprecedented in me at least poetry and prose pieces along with a few humour items just to keep us all on our toes speaking of digits most punctuation and upper case characters went awol in my early qwerty years mainly due to pd and its effects on my peripherals i dont miss them one bit and i dont think you will either if you come along and join me on my sixteen year trek into the cyber light *Hot Flashes and Hot Springs* Ramona
