status of Jews in Syria their relationship with their Muslim and Christian neighbours and their links with the West It draws on a wide range of archival material in six languages including Jewish Christian Arab and Muslim Arab sources Ottoman and European documents consular reports travel accounts and reports from the contemporary press and by emissaries to Syria of the Alliance Israélite Universelle Rabbinic sources including the archive of the chief rabbinate in Istanbul are particularly important in opening a window onto Syrian Jewish life and concerns Together these sources bring to light an enormous amount of material and provide a broad multifaceted perspective on the Syrian Jewish community The Hebrew edition of the book was the winner of the Ben Zvi Award for Research in Oriental Jewry in 2004 For the first time in the historiography of the Jews of Muslim countries we are presented with a rich picture well written and riveting of the history of important Jewish communities in the period of the Tanzimat From the award citation *The British Empire in the Nineteenth Century* Edgar Sanderson, 1897 **The Jewish Encyclopedia: Leon-Moravia** Isidore Singer, 1904 [The Jews of North Africa](#) Sarah Taieb-Carlen, 2010-02-23 Before the Arabo Muslim conquest of 698 the Jews lived peacefully in North Africa with the other inhabitants of the region except for a few brief periods of Roman and Byzantine rules Under Islam life was at times so good that some of the most important religious works since Babylon were written by North African Jewish scholars Often however the Jews suffered because of the dhimmi status that the Muslims imposed upon them and through which they were discriminated against and even persecuted Consequently they welcomed the French colonization of their country from 1830 to 1962 Their enthusiastic adoption of everything French among which the rejection of religion came with a high price the almost total loss of their Jewish identity which caused them to feel so alienated in their native land that when the French left so did they mostly for Israel but also for other countries **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901
