Social Focus On Ethnic Minority Social Focus On Ethnic Minorities:

Social Focus on Ethnic Minorities Alyson Whitmarsh, Jenny Church, Tim Harris, Carol Summerfield, Great Britain. Office for National Statistics, 1996 The ethnic minority population of Britain has grown since the end of World War II when people from the Commonwealth countries came to Britain to work There are more than three million people in Great Britain belonging to an ethnic minority group just under six per cent of the total population

Ethnic Minorities and Inter-ethnic Relations in Context Karen Phalet, Antal Orkeny, 2017-10-19 This volume is based on papers presented on ethnic minorities and inter ethnic relations in Hungary and The Netherlands which were presented and discussed in three conferences and a series of meetings from 1997 1999 This work builds on comparative studies of the rise of a radical right and the mobilization of anti immigrant feelings It presents cross national comparative research due to the credence that shifting national angles is a powerful strategic tool with which to correct national bias and to uncover submerged or overlooked aspects of specific national cases The book brings together contributions from Hungarian and Dutch scholars in the field of ethnic minorities and inter ethnic relations The two countries are used as exemplary cases of distinct ethno political patterns in Central and Western Europe Combining complementary configurational and dimensional approaches to cross national comparison the diverse forms of ethnic relations in Hungary and The Netherlands are analyzed and competing explanations of ethno political conflict or co ordination are tested in both national contexts

Palliative care for older people Lieve Van den Block, Gwenda Albers, Sandra Martins Pereira, Bregje Onwuteaka-Philipsen, Roeline Pasman, Luc Deliens, 2015-05-07 Current projections indicate that by 2050 the number of people aged over 80 years old will rise to 395 million and that by this date 25 30% of people over the age of 85 will show some degree of cognitive decline Palliative care for older people A public health perspective provides a comprehensive account of the current state of palliative care for older people worldwide and illustrates the range of concomitant issues that as the global population ages will ever more acutely shape the decisions of policy makers and care givers The book begins by outlining the range of policies towards palliative care for older people that are found worldwide It follows this by examining an array of socio cultural issues and palliative care initiatives from the care implications of health trajectories of older people to the spiritual requirements of palliative care patients and from the need to encourage compassion towards end of life care within communities to the development of care pathways for older people Palliative care for older people A public health perspective is a valuable resource for professionals and academics in a range of healthcare and public health fields to understand the current state of policy work from around the world The book also highlights the social cultural considerations that influence the difficult decisions that those involved in palliative care face not least patients themselves and offers examples of good practice and recommendations to inspire support and direct healthcare policy and decision making at organisational regional national and international levels

Handbook of Asian American Health Grace J. Yoo, Mai-Nhung Le, Alan Y. Oda, 2012-10-12 Asian Americans encounter a range of health issues often unknown to the American public policy makers researchers and even clinicians National research often combines Asian Americans into a single category not taking into account the differences and complexity among Asian ethnic subgroups The definition of Asian American derives from the U S Census Bureau s definition of Asian which includes peoples from all the vast territories of the Far East Southeast Asia and the South Asian Subcontinent While Census classifications determine demographic measurements that affect equal opportunity programs the broad rubric Asian American can never describe

accurately the more than 50 distinct Asian American subgroups who together comprise multifaceted diversity across cultural ethnicities socio economic status languages religions and generations This volume rectifies that situation by exploring the unique needs and health concerns of particular subgroups within the Asian American community It consolidates a wide range of knowledge on various health issues impacting Asian Americans while also providing a discussion into the cultural social and structural forces impacting morbidity mortality and quality of life The volume is designed to advance the understanding of Asian American health by explaining key challenges and identifying emerging trends faced in specific ethnic groups and diseases illnesses innovative community based interventions and the future needed areas of research **Varieties of**

Russian Activism Jeremy Morris, Andrei Semenov, Regina Smyth, 2023-04-04 Despite decades under Putin's rule it is too simplistic to assert that authoritarianism in Russia has eliminated activism especially in relation to everyday life Instead we must build an awareness of diverse efforts to mobilize citizens to better understand how activism is shaped by and in turn shapes the regime *Varieties of Russian Activism* focuses on a broad range of collective actions addressing issues from labor organizing to housing renovation religion electoral politics minority language rights and urban planning Contributors draw attention to significant forms of grassroots politics that have not received sufficient attention in scholarship or that deserve fresh examination The volume shows that Russians find novel ways to redress everyday problems and demand new services Together these essays interrogate what kinds of practices can be defined as activism in a fast changing politically volatile society An engaging collection *Varieties of Russian Activism* unites leading scholars in the common aim of approaching the embeddedness of civic activism in the conditions of everyday life connectedness and rising society state expectations **The**
