

Global risks landscape: an interconnections map

Social Order The Risks Of War

Michael Rajnik

Social Order The Risks Of War:

Social Order and the Risks of War; Papers in Political Sociology Hans Speier, 1969 **Communication and Social Order** Niklas Luhmann, 1993 A great deal of attention has been devoted to risk research Sociologists in general have limited themselves to varying recognitions of a society at risk and have traced out the paths to disaster The detailed research has yet to be undertaken In Risk now available in paperback Niklas Luhmann develops a theoretical program for such research His premise is that the concept of risk projects essential aspects of our description of the future onto the present Risk is conceived as the possibility of triggering unexpected unlikely and detrimental consequences by means of a decision attributable to a decision maker *Social Order and the Risks of War* Former Head of Social Science Division Rand Corporation Santa Monica California Robert Maciver Professor of Social and Political Science Hans Speier, Hans Speier, 2011-06-01 *The Risk Society at War* Mikkel Vedby Rasmussen, 2006-12-14 In the globalised world of the twenty first century security policy in Western societies is driven by a wish to prevent future threats from becoming reality Applying theories of risk society to the study of strategy this book analyses the creation of a new approach to strategy The author demonstrates that this approach creates new choices for policy makers and challenges well established truths within the study of security and strategy He argues that since the seventeenth century the concept of strategy has served to rationalise new technologies doctrines and agents By outlining the history of the concept of strategy in terms of rationality Rasmussen presents a framework for studying strategy in a time of risk and uses this framework to analyse how new technologies of war pre emptive doctrines globalisation and the rise of the terrorist approach to warfare can formulate a new theory of strategy *Risk and the Control of Technology* Alan Irwin, 1985 *Honor: A Phenomenology* Robert L. Oprisko, 2012-07-26 Honor is misunderstood in the social sciences The literature lacks both accuracy and precision in its conceptual development such that we no longer say what we mean because we have no idea what we re saying We use many terms to mean honor and mean many different ideas when we refer to honor Honor A Phenomenology is designed to fix all of these problems A ground breaking examination of honor as a metaphenomenon this book incorporates various structures of social control including prestige face shame and affiliated honor and the rejection of said structures by dignified individuals and groups It shows honor to be a concept that encompasses a number of processes that operate together in order to structure society Honor is how we are inscribed with social value by others and the means by which we inscribe others with social honor Because it is the means by which individuals fit in and function with society the main divisions internal within the psyche of the individual and external within the norms and institutions of society Honor is the glue that holds groups together and the wedge that forces them apart it defines who is us and who them It accounts for the continuity and change in socio political systems **War in an Age of Risk** Christopher Coker, 2013-05-08 Wars throughout history have been fought in the name of ideology religion and the pursuit of peace Our thinking about war when it is justified how it should be fought and how it is

perceived has changed dramatically over time Whereas in the past war has been seen as a battle of wills this provocative and illuminating new book shows how war has evolved into an exercise in risk management In a rare blend of political science sociology history and cultural thought Christopher Coker peels away the layers of meaning shrouding our current understanding of war and warfare Using the ideas of writers such as Zygmunt Bauman Ulrich Beck and Frank Furedi he shows that risk has become the language of business politics and public policy and so we should not be surprised that it has now become the language of war The book highlights the increasing difference between homeland security and national security in the modern world arguing that the defense of the citizen is often now more challenging than the defense of the state By demonstrating the changing character and complexity of conflict from World War I to the current the current fight against terrorism the book provides a powerful and highly distinctive account of the re branding of war in an age of risk This book is set to ignite debate amongst students and scholars of international politics as well as appealing to anyone interested in war and its place in contemporary society

The Nature of Peace and the Morality of Armed Conflict Florian Demont-Biaggi, 2017-10-24 This book explores topical issues in military ethics by according peace a central role within an interdisciplinary framework Whilst war and peace have traditionally been viewed through the lens of philosophical enquiry political issues and theological ideas as well as common sense have also influenced people's understanding of armed conflicts with regards to both the moral issues they raise and the policies and actions they require Comprised of fourteen essays on the role and application of peace the book places emphasis on its philosophical moral theological technological and practical implications Starting with an overview of Kantian perspectives on peace it moves to discussions of the Just War debates religious conceptualizations of peace and the role of peace in modern war technology and cyber security Finally concluding with discussions of the psychological and medical impacts of war and peace on both the individual and the larger society this collection offers a contribution to the field and will be of interest to a wide audience Chapters 4 6 and 10 of this book are available open access under a CC BY 4.0 license at link.springer.com

Annihilation and Utopia Errol E. Harris, 2013-04-15 Originally published in 1966 The main purpose of this book is not philosophical speculation but to draw the obvious conclusions from political and historical facts about the prospects and methods of human political survival The central theme is developed in the context of problems which cause most anxiety today the mounting arms race the unstable balance of power the rapid growth of population racial conflicts and ideological incompatibilities

Privatizing Peace: From Conflict to Security Allan Gerson, Nat Colletta, 2022-06-08 Privatizing Peace From Conflict to Security pinpoints the weaknesses in the numerous peacekeeping missions of recent decades as well as the blind spots in the thinking that guided them Even more significantly they clearly demonstrate the ways in which well meaning stabilization and reconstruction programs fail to accommodate the economic and social imperatives of war torn societies But this visionary work is not merely an indictment of First World myopia in the face of Third World devastation The authors offer cogent well thought out

recommendations firmly grounded in current reality with a powerful determination to avoid the repetition of past mistakes
Published under the Transnational Publishers imprint **Digital Services in Crisis, Disaster, and Emergency**

Situations Oliveira, Lídia, Tajariol, Federico, Gonçalves, Liliana Baptista, 2021-01-29 The contemporary world is characterized by the massive use of digital communication platforms and services that allow people to stay in touch with each other and their organizations On the other hand it is also a world with great challenges in terms of crisis disaster and emergency situations of various kinds Thus it is crucial to understand the role of digital platforms services in the context of crisis disaster and emergency situations *Digital Services in Crisis Disaster and Emergency Situations* presents recent studies on crisis disaster and emergency situations in which digital technologies are considered as a key mediator Featuring multi and interdisciplinary research findings this comprehensive reference work highlights the relevance of society's digitization and its usefulness and contribution to the different phases and types of risk scenarios Thus the book investigates the design of digital services that are specifically developed for use in crisis situations and examines services such as online social networks that can be used for communication purposes in emergency events Highlighting themes that include crisis management communication risk monitoring digital crisis intervention and smartphone applications this book is of particular use to governments institutions corporations and professionals who deal with crisis disaster and emergency scenarios as well as researchers academicians and students working in fields such as communications multimedia sociology political science and engineering **Risk in The New York Times (1987-2014)** Jens O. Zinn, Daniel McDonald, 2017-11-09 This book investigates to what extent claims of common social science risk theories such as risk society governmentality risk and culture risk colonisation and culture of fear are reflected in linguistic changes in print news media The authors provide a corpus based investigation of risk words in The New York Times 1987 2014 and a case study of the health domain The book presents results from an interdisciplinary enterprise which combines sociological risk theories with a systematic functional theory of language to conduct an empirical analysis of linguistic patterns and social change It will be of interest to students and scholars interested in corpus linguistics and digital humanities and social scientists looking for new research strategies to examine long term social change *Peace and War* Mary LeCron Foster, 2020-03-02 Is war necessary In *Peace and War* prominent anthropologists and other social scientists explore the cultural and social factors leading to war They analyze the covert causes of war from a cross cultural perspective ideologies that dispose people to war underlying patterns of social relationships that help institutionalize war and the cultural systems of military establishments Overt causes of war environmental factors like the control of scarce resources advantageous territories and technologies or promoting the welfare of people like oneself are also considered The authors examine anthropologists role in policy formation how their theories on the nature of culture and society help those who deal with global problems on a day to day basis They argue that both covert and overt mechanisms are pushing the world closer to a devastating war and offer strategies to weaken the

effects of these mechanisms This anthropological and historical analysis of the causes of war is a valuable resource for those studying war and those trying to understand the place of social science in framing pacific options **Political, Economic and Legal Effects of Artificial Intelligence** Georgios I. Zekos, 2022-03-07 This book presents a comprehensive analysis of the alterations and problems caused by new technologies in all fields of politics It further examines the impact of artificial intelligence AI on the nexus between politics economics and law The book raises and answers several important questions What is the role of AI in politics Are people prepared for the challenges presented by technical developments How will AI affect future politics and human society How can politics and law deal with AI s disruptive technologies What impact will AI and technology have on law How can efficient cooperation between human beings and AI be shaped Can artificial intelligence automate public decision making Topics discussed in the book include but are not limited to digital governance public administration digital economy corruption democracy and voting legal singularity separation of power constitutional rights GDPR in politics AI personhood digital politics cyberspace sovereignty cyberspace transactions and human rights This book is a must read for scholars and students of political science law and economics as well as policy makers and practitioners interested in a better understanding of political legal and economic aspects and issues of AI **Leashing the Dogs of War** Chester A. Crocker, Fen Osler Hampson, Pamela R. Aall, 2007 The definitive volume on the sources of contemporary conflict and the array of possible responses to it **Risk and the War on Terror** Louise Amoore, Marieke de Goede, 2008-06-11 Pt 1 Risk precaution governance pt 2 Crime deviance exception pt 3 Biopolitics biometrics borders pt 4 Risks tactics resistances **War, Police and Assemblages of Intervention** Jan Bachmann, Colleen Bell, Caroline Holmqvist, 2014-11-13 This book reflects on the way in which war and police policing intersect in contemporary Western led interventions in the global South The volume combines empirically oriented work with ground breaking theoretical insights and aims to collect for the first time thoughts on how war and policing converge amalgamate diffuse and dissolve in the context both of actual international intervention and in understandings thereof The book uses the caption WAR POLICE to highlight the distinctiveness of this volume in presenting a variety of approaches that share a concern for the assemblage of war police as a whole The volume thus serves to bring together critical perspectives on liberal interventionism where the logics of war and police policing blur and bleed into a complex assemblage of WAR POLICE Contributions to this volume offer an understanding of police as a technique of ordering and collectively take issue with accounts of the character of contemporary war that argue that war is simply reduced to policing In contrast the contributions show how both historically and conceptually the two are always already connected Contributions to this volume come from a variety of disciplines including international relations war studies geography anthropology and law but share a critical poststructuralist approach to the study of international intervention war and policing This volume will be useful to students and scholars who have an interest in social theories on intervention war security and the making of international order **Theorizing War** N. Mansfield, 2008-09-30 War is always

defined in relation to something else peace society civilisation friendship or love What is the relationship between war and its other Are they opposites or versions of one another This book surveys four hundred years of thinking about the definition of war from Hobbes and Clausewitz to Badiou and i ek Looking Forward Jamie L. Pietruska, 2017-12-08 In the decades after the Civil War the world experienced monumental changes in industry trade and governance As Americans faced this uncertain future public debate sprang up over the accuracy and value of predictions asking whether it was possible to look into the future with any degree of certainty In Looking Forward Jamie L Pietruska uncovers a culture of prediction in the modern era where forecasts became commonplace as crop forecasters weather prophets business forecasters utopian novelists and fortune tellers produced and sold their visions of the future Private and government forecasters competed for authority as well as for an audience and a single prediction could make or break a forecaster s reputation Pietruska argues that this late nineteenth century quest for future certainty had an especially ironic consequence it led Americans to accept uncertainty as an inescapable part of both forecasting and twentieth century economic and cultural life Drawing together histories of science technology capitalism environment and culture Looking Forward explores how forecasts functioned as new forms of knowledge and risk management tools that sometimes mitigated but at other times exacerbated the very uncertainties they were designed to conquer Ultimately Pietruska shows how Americans came to understand the future itself as predictable yet still uncertain **Business Digest and Investment Weekly** Arthur Fremont Rider, 1918

This is likewise one of the factors by obtaining the soft documents of this **Social Order The Risks Of War** by online. You might not require more get older to spend to go to the ebook introduction as without difficulty as search for them. Social Order The Risks Of War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Order The Risks Of War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Order The Risks Of War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Order The Risks Of War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Social Order The Risks Of War Books

What is a Social Order The Risks Of War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Order The Risks Of War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Social Order The Risks Of War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Order The Risks Of War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Order The**

Risks Of War PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
