The European Social Model under Pressure Romana

Careja,Patrick Emmenegger,Nathalie Giger,2019-07-11 The European Social Model is at a crossroad Although from the 1990s onwards the threat of an imminent crisis shaped much of the rhetoric surrounding the future of the welfare state disagreement within the academic community remains What is however increasingly clear is that with the global financial crisis and the Euro crisis that followed it the challenges the European Social Model faces have become more acute and demand action This volume launches a multifaceted inquiry into these challenges Each contribution written by renowned scholars in their fields represents an in depth exploration of issues that cut to the core of current political economic and social processes They are an invitation to the seasoned scholars as well as to the beginning students of social sciences public administration or journalism to engage with by now a large body of scholarship to accompany the authors in their endeavours to seek an explanation to burning questions and start their own inquiries Encyclopedia of Social Work ,1965

Reforming Social Policy Neclâ Yongaçoğlu Tschirgi,International Development Research Centre (Canada),2000
Reforming Social Policy Changing Perspectives in Sustainable Human Development The Black Family Sadye Logan,2018-05-04 With numerous selections designed to reinforce the goal of empowering clients to take charge of their lives this revised and updated second edition of The Black Family serves a two fold purpose It extends the small but growing body of strength oriented literature to include African American families and it serves as a natural extension of current texts on African American families to provide social workers and the education community with a broader framework for understanding the needs of Black families Offering both a research orientation and a practice perspective this book should appeal to social work educators and practitioners involved in family services health and mental health settings and child and public welfare *Cross-national Policy Convergence* Christoph Knill,2013-10-31 A fresh analysis of policy convergences across nations which identifies their key driving forces To what extent and in which direction can we empirically observe a convergence of national policies In which areas and for which patterns of policy is convergence more or less pronounced This text addresses these central questions with clarity and rigour With growing economic and institutional interlinkages between nation states it is often assumed that there is an overall trend towards increasingly similar policies across countries Comparative research on the domestic impact of globalization and European integration however reveals that policy convergence can hardly be considered as a dominant and uniform tendency which can be taken for granted Although a number of factors have been suggested in order to account for the rather mixed empirical picture we still have limited knowledge about the causes and conditions of cross national policy convergence In particular the central mechanisms and conditions affecting both degree and level of cross national policy convergence are yet not well understood This book will be of great interest to all students and scholars of the European Union European politics and international relations This is a special issue of the leading Journal of European Public Policy *The Routledge Handbook of Post-Prohibition Cannabis Research* Dominic Corva,Joshua Meisel,2021-09-06 The place of cannabis in global drug prohibition is in crisis opening up

new directions for socially engaged cannabis research The Routledge Handbook of Post Prohibition Cannabis Research invites readers to explore new landscapes of cannabis research under conditions of legalization with not after prohibition post prohibition The chapters are organized into five multidisciplinary sections Governance Public Health Markets and Society Ecology and the Environment and Culture and Social Change Case studies from the United States Uruguay Morocco and the United Kingdom show readers alternative ways of thinking about human cannabis relationships that move beyond questions of legality and illegality Representing a cross section of cannabis scholarship the contributors provide readers with critical perspectives on legalization that are not based upon orthodoxies of prohibition While legalization signals a global shift in the legitimacy of cannabis research this collection identifies openings for academics policy makers and the public interested in ending the drug war as well as a way to address broader social problems evident in the age of neoliberal governance within which prohibition has been entangled
