## **Social Political Ideas Of Some Repre:**

**Michael Oakeshott Selected Writings Collection** Michael Oakeshott,2014-08-26 A collection of 6 volumes of Oakeshott's work Notebooks 1922-86 Early Political Writings 1925-30 The Concept of a Philosophical Jurisprudence Vocabulary of a Modern European State Lectures in the History of Political Thought and What is History **Routledge**

**Library Editions: 18th Century Philosophy** Various,2021-07-14 This collection reissues 17 titles that provide an excellent overview of 18th century philosophy as well as the debates that surround the topic Featuring works on Berkeley Hume Kant and Rousseau among others the collection examines a host of philosophical arguments by the leading thinkers of the time It is an essential reference collection

**Ideologies and Political Theory** Michael Freeden,1996-10-25 Ideologies play a crucial role in the way we understand and shape the political world But no one has yet satisfactorily explained the nature of ideologies themselves In this important study Michael Freeden offers a ground breaking approach to the subject Drawing on the political experience of Britain France Germany and the USA over the past two centuries the author provides an in depth examination of the key political ideologies liberalism conservatism socialism feminism and green political thought He goes on to outline a powerful and sophisticated new theory of ideologies and argues that by paying special attention to the complexity conceptual inter relationship and historical and contemporary context of ideologies we can both better understand them and reinvigorate the study of political theory From reviews of the hardback What is on offer here is both a highly original and profoundly stimulating analysis of ideological thinking Freeden's book will undoubtedly shape and redefine the field of ideological studies as it presently stands initiating fruitful lines of research for many years to come There is much to admire in this book History of European Ideas The approach is immensely illuminating The outstanding merit of Freeden's work is that he has shown what political philosophy presently lacks and has done so by demonstrating that ideologies should not be dismissed as merely the poor cousins of philosophies Both political theory and political philosophy have a great deal to learn from this book Radical Philosophy

**New Perspectives on Power and Political Representation from Ancient History to the Present Day**,2019-06-07 New Perspectives on Power and Political Representation from Ancient History to the Present Day offers a unique perspective on political communication between rulers and ruled from antiquity to the present day by putting the concept of representation center stage It explores the dynamic relationship between elites and the people as it was shaped by constructions of self representation and representative claims The contributors to this volume specialists in ancient medieval early modern and modern history move away from reductionist associations of political representation with formal aspects of modern democratic electoral and parliamentary politics Instead they contend that the construction of political representation involves a set of discourses practices and mechanisms that although they have been applied and appropriated in various ways in a range of historical contexts has stood the test of time

**Theory of State : Plato to Marx** N. D. Arora,2022-01-22 Theory of State Theory of State is a study of the concept of state as viewed by various philosophers

from Plato to Marx Indeed there is no dearth of literature on this subject by competent scholars This study only supplements the vast and voluminous body of writings but with a difference The usual tendency among the scholars has been to assess a political philosopher only from the present day relevance Such an approach though important as it may be in its own right belies a proper and unbiased estimate of the philosopher The study aims to remove the pitfalls of a polemic account It purports to evaluate a philosopher in the objective conditions of his own times That is why the philosophers included in the study speak for themselves An attempt has thus been made to establish linkage in the thought process of the various philosophers so as to present a coherent account

The social & political ideas of some representative thinkers... Fossey John Cobb Hearnshaw,1933

The Concept of a Philosophical Jurisprudence Michael Oakeshott,2011-10-26 This volume brings together for the first time over a hundred of Oakeshott s essays and reviews written between 1926 and 1951 that until now have remained scattered through a variety of scholarly journals periodicals and newspapers A new editorial introduction explains how these pieces including the lengthy essay on the philosophical nature of jurisprudence that occupies an important position in Oakeshott s work illuminate his other published writings The collection throws new light on the context of his thought by placing him in dialogue with a number of other major figures in the humanities and social sciences during this period including Leo Strauss A N Whitehead Karl Mannheim Herbert Butterfield E H Carr Gilbert Ryle and R G Collingwood

Tocqueville's Moral and Political Thought Marinus Richard Ringo Ossewaarde,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

The Cambridge Bibliography of English Literature Frederick Wilse Bateson,1940

**General Will in Political Philosophy** Janusz Grygieńć,2013-11-27 This book deals with the role and place of the general will in modern and contemporary political thought This project is carried out at the crossroads of the history of ideas and political philosophy It extensively develops historical and philosophical themes showing modifications to the idea of the general will in the writings of thinkers who sometimes represent very distant epochs The author tracks down the birth and the development of the idea of the general will in ancient medieval modern and contemporary times devoting most of the book to the thoughts of Jean Jacques Rousseau and nineteenth and twentieth century British idealists

**Victorian Political Thought on France and the French** G. Varouxakis,2002-02-17 By scrutinizing the major Victorian political thinkers perceptions and representations of France this book shows how comparisons with the country on the other side of the Channel its politics civilization and the French national character contributed to nineteenth century Britain s self definition While the utterances on France of several other figures are also examined the main focus is on Walter Bagehot John Stuart Mill Matthew Arnold Lord Acton Thomas Carlyle Nassau William Senior James Fitzjames Stephen William Rathbone Greg Thomas Babington Macaulay John Morley and Frederic Harrison

**The Conservative Mind** Russell Kirk,1968

**Lectures on the Principles of Political Obligation and Other Writings** Thomas Hill Green,1986-02-06 The political writings of T H Green with notes and an introductory essay A

HISTORY OF POLITICAL THOUGHT SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx. The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato, Aristotle, Machiavelli, Hegel, and Marx. The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition. It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato, civic humanism and republicanism in Machiavelli, the radicalism of Locke, and the contributions to the woman's cause by John Stuart Mill. The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations. NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal. Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory.

A Theory of Public Opinion Francis Wilson, 2017-07-12 This book traces the emergence of the ideas and institutions that evolved to give people mastery over their own destiny through the force of public opinion. The Greek belief in citizen participation is shown as the ground upon which the idea of public opinion began and grew. For Wilson, public opinion is an orderly force contributing to social and political life. Wilson appraises the influence of modern psychology and the slow appearance of methodologies that would enable people not only to measure the opinions of others but to mold them as well. He examines the relation of the theory of public opinion to the intellectuals, the middle class, and the various revolutionary and proletarian movements of the modern era. The circumstances in which the individual may refuse to follow the opinions of the experts are succinctly and movingly analyzed. This book is a historical and philosophical evaluation of a concept that has played a decisive part in history and whose overwhelming force is underestimated. The author's insight brings an understanding that is invaluable at a time when public opinion, the force developed to enable the ruled to restrain their rulers, has become controllable. Attempts to manipulate it are made by those who would impose their will upon their fellow men.

Bibliography of Eighteenth Century English Literature, Political Ideas in Modern India Project of History of Indian Science, Philosophy, and Culture, 2006-03-31 The volumes of the Project on the History of Science, Philosophy, and Culture in Indian Civilization aim at discovering the main aspects of India's heritage and present them in an interrelated way. In Political Ideas in Modern India, an outstanding group of social and political theorists offers a creative reinterpretation of the ideas and principles that have shaped modern Indian society and state. The ideas interpreted or analysed include rights, freedoms, equality, social justice, constitutional rule, swaraj, swadeshi, satyagraha, class war, socialism, Hindutva, Hind Swaraj, syncretic culture, composite nationalism, and international peace and justice. *The Political Psychology of Social Unrest in Latin America* Hüseyin Çakal, David Sirlopú, Vanessa Smith-Castro, 2025-04-24 The Political Psychology of Social Unrest in Latin

America is a unique collection of research and writings by Latin American scholars. It explores the social psychological and political factors of the recent turmoil in Latin American countries. From the ongoing political crisis in Venezuela, the impeachment demonstrations in Brazil, student movements in Chile, and massive demonstrations in Chile, Peru, Colombia, Ecuador, Bolivia, Venezuela, and Nicaragua, this edited volume analyses the underlying similarities and differences between these events through the lens of diverse research traditions, methods, and researchers. The book examines both actual inequalities and disadvantages as well as the role of perceptions of inequality and injustice. The authors also investigate the role of micro processes such as cultural consumption in the family and the role of social psychological processes in historical Latin American unrest. By utilising leading approaches in social and political psychology and testing these approaches in the context of a very diverse and dynamic non WEIRD (Western Educated Industrialized Rich and Democratic) societies, the authors bring the communities and civilizations less studied by Western social psychologists to the international audience. Focusing on how social and political processes unfold in different countries and providing insights into the psychological underpinnings of social unrest from a variety of perspectives, this is an essential reading for students and researchers of psychology, social political peace, and cross cultural psychology, as well as political science and sociology.

**Political Representation in Indonesia** Michael Hatherell, 2019-04-29. This book analyses the transformation of political representation in contemporary Indonesia to argue the need to better understand how political representatives use claims to engage in storytelling about themselves and the community they represent. By adopting a new approach that focuses on the cultural and performative aspects of representation and draws on a substantive evidence base of representative claims, this book examines common narratives developed by Joko Widodo, Tri Rismaharini, Basuki Tjahaja Purnama, Ridwan Kamil, and Nurdin Abdullah. Through this analysis, the book highlights two key foundations of their claims: technocratic focus and innovative engagement. This study considers how the ideational power generated through the representative claim making of these leaders interacts and competes with other forms of power. Moreover, the author emphasises the success of the representative claims developed by the innovative technocrats while noting the impact their emergence has had on the broader context of Indonesian politics. An empirical monograph on new and upcoming leaders in Indonesia, this book will be of interest to scholars of democracy and democratisation and political change in general and Southeast Asian politics and Indonesian politics in particular.

Representation in Religion Jan Assmann, Albert I. Baumgartner, 2018-08-14. The role of representation in religion is complex. While often perceived as essential, it is also associated in many traditions with the liability of idolatry and provokes iconoclasm. The essays in this volume examine the nuances of representation in religion and the debate concerning its place across a variety of traditions from the three Abrahamic faiths to those of antiquity and the East. This volume consists of presentations made at an international conference held in honor of Moshe Barasch, art historian and cultural critic who has done much to elucidate the light which representation and religion shed on each other. It pays

tribute to Barasch by expanding the base of understanding and insight he has erected It should be of interest to students of religion and of art history

Getting the books **Social Political Ideas Of Some Repre** now is not type of challenging means. You could not lonely going taking into account books deposit or library or borrowing from your friends to approach them. This is an very simple means to specifically acquire guide by on-line.
