## **Social Services For The Older Persons:**

*Providing Integrated Health and Social Services for Older Persons* Andy M. Alaszewski, 2019-06-04 Originally published in 2004 Providing Integrated Health and Social Care for Older Persons Issues Problems and Solutions PROCARE is a project in the EU Fifth Framework Programme Quality of Life and Management of Living Resources Area The Ageing Population and Disabilities that aims to help in defining the new concept of an integrated health and social care for older persons in need of care by comparing and evaluating different modes of care delivery The project will identify structural organisational economic and social cultural factors and actors that constitute an integrated and sustainable care system with enhanced outcomes for all actors involved This book gathers the achievements of the first project phase 2002 that consisted in a literature overview focusing on the question which of the variety of innovations in modes of organisation finance and professional collaboration observed in Europe over the last decade have been the most successful and long lasting ones Thus national reports from nine EU Member States Austria Denmark Finland France Germany Greece Italy the Netherlands and the UK will be presented by scholars from leading research and consulting agencies in these countries The national reports follow a mutually agreed structure The publication is introduced by a general overview and a more theoretic article defining the issues at stake The book gives a unique general overview on European approaches towards integrated social and health care services and policies that are to be developed to face the growing need of care in ageing societies furthermore it provides indicators for successful approaches and models of good practice to overcome the social health divide and a better understanding of the meaning of integrated services and coordination of social and health systems in the different countries Finally facts and figures about coordination at the interface between health and social care for older persons as well as problems and solutions

*Social Work with Older People* Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people Social Work with Older People will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service

users     Handbook of Human Services for Older Persons Monica Bychowski Holmes,Douglas Holmes,1979     **Social Work with Older People** Karin Crawford,Janet Walker,2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people

**Social Work with Older People** Mark Lymbery,2005-11-03 This book provides an up to date and authoritative overview of the development of social work with older people in the UK The coherent structure draws together the key themes involved in working with older people and clearly demonstrates how to translate these into real life practice Key features of the book include Establishes an understanding of the policy context within which social work takes place with particular attention to key topics such as inter professional collaboration and ethics Goes beyond other textbooks to challenge the restricted nature of social work practice and adopts a positive view of its potential to benefit older people An engaging and practice led approach which includes student friendly features and detailed practice scenarios Satisfies the curriculum benchmarks and National Occupational Standards that structure social work training and practice Written by a leading academic this is a key text for social work trainees Its analytical depth will ensure that it will also be valuable for students undertaking post qualifying courses and for those in related disciplines such as health and community care social policy and social gerontology Its practice based and inter professional approach will mean it is also useful for health and social care practitioners seeking to improve the quality of practice with older people Drawing on both theory and research as well as the author s clear knowledge of current practice this book is able to deal with practice realities in ways which many texts cannot It offers social workers realistic options for how to approach their work Karen Postle University of East Anglia     **Social Work With Older People: Approaches To Person-Centred Practice** Hall, Barbara,Scragg, Terry,2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research     Handbook of International Social Work Lynne M. Healy,Rosemary J. Link,2012 Global knowledge is increasingly essential for all aspects of social work Today s professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research

Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today Innovation in Social Services Tomáš Sirovátka,Bent Greve,2016-05-23 EU member states have seen high levels of unemployment in recent years especially amongst young people At the same time the fiscal crisis of welfare states has made it difficult for them to invest in new jobs and new economic growth The EU at least since the enactment of the Amsterdam treaty has had a focus on how to support member states development of an employment policy which aims for higher levels of participation lower levels of unemployment and more gender equal approaches Through exploring patterns in the recent development of financing and governance of social services and developments of social services and employment in the Czech Republic Denmark Germany and the UK this volume provides readers with new knowledge and evidence of the options regarding social innovation in social services Furthermore it provides a comparative European perspective on how the interplay between a public and private mix of social service on the one hand might help in creating jobs and on the other be a way of coping with the needs and expectations of higher level of services in the core areas of the welfare state Modernising social work John Harris,Vicky White,2009-03-31 New Labour s modernisation agenda has produced an avalanche of change that has posed formidable challenges for everyone involved in social work whether as service users practitioners or managers Modernising Social Work provides a radical appraisal of the far reaching changes in their theoretical historical and policy contexts The book is organised into three sections that consider the inter relationship of modernisation and managerialism modernisation s impact on service users and the ways in which social workers and front line managers seek to exercise professional discretion for the benefit of service users within a workplace culture of intensified scrutiny and control Analysis of a range of key developments in all three areas reveals the modernisation agenda as complex and contested The book s three sections cover the main issues of the modernisation agenda making it ideal for teaching Locating the issues in their theoretical historical and policy contexts meets the needs of student readers and experienced social workers will appreciate the emphasis on empirical research as well as practice experience *Citizenship Social Work with Older People* Malcolm Payne,2012-02-08 This title draws from existing social work practice ideas to develop a citizenship social work with older people **Journal of Human Services Abstracts** ,1984 **Social Work and Human Rights** Elisabeth Reichert,2011 Social Work and Human Rights has become a standard text highlighting the role of social work in protecting the rights of vulnerable populations Through rigorous analysis classroom exercises and a frank discussion of the implications for practice both within and outside of the

United States the volume effectively acquaints readers with the political economic and social dimensions of rights issues and the documents that guarantee them New material covers international events such as the United Nations Millennium Declaration 2000 and its effort to reduce the poverty and suffering of billions worldwide The volume now emphasizes cultural rights and includes a probing lesson in cultural relativism It turns a critical eye toward the failure in the United States to address social welfare issues and its reluctance to rectify policies favoring one group over another Praise for the first edition A human rights compass a preliminary guide for the translation of human rights for social workers It is to be welcomed European Journal of Social Work Foundation documents provide an essential tool for understanding the issues and applying the understanding to concrete social policy advocacy and action Canadian Association of Social Workers Bulletin This is a text which is overdue for social work students and faculty Rosemary Link coauthor of Human Behavior in a Just World Reaching for Common Ground Reichert makes human rights concepts come alive Practice case examples and human rights analysis of the National Association of Social Worker s Code of Ethics are particularly valuable in orienting the reader to the domestic practice applications of the global human rights movement Lynne M Healy author of International Social Work Professional Action in an Interdependent World Social Work Practice with Older People Rory Lynch,2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University **Social Work and Social Welfare** Katherine S. Van Wormer,Rosemary J. Link,2018 Infused with relevant personal narratives and photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today s world e g immigration policies environmental sustainability health care housing food insecurity and income wealth inequality **Services to the Urban Elderly** United States. Congress. House. Select Committee on Aging. Subcommittee on Human Services,1982 *Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1996: Department of Health and Human Services: technical briefing* United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1995 **Introducing Social Work** Jonathan Parker,2023-04-05 Everything you need to succeed in your

social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice

**Older People: Improving Health and Social Care**  
 Bea L. Dijkman, Irma Mikkonen, Petrie F. Roodbol, 2018-11-11 This contributed volume is based on the European Core Competences Framework for health and social care professionals working with older people ECCF developed and verified in a unique international cooperation between 26 universities and universities of applied sciences in 25 European countries part of the European Later Life Active Network ELLAN In addition to the framework the book outlines the necessary qualifications and describes the roles of professionals working with older people in health and social services It explores healthy ageing for older people from different perspectives and describes the seven roles of health and social care professionals Expert Communicator Collaborator Organizer Health and Welfare Advocate Scholar and Professional before going on to define 18 related competences and elaborating them in performance indicators Beyond the ECCF the book explains the widely used CanMED role model and puts forward theories to support a client centered and integrated approach on health and social care in order to change attitudes toward older clients and offer better care and support It also provides health and social care professionals for example nurses allied health professionals and social workers with new contextual information and cultural awareness It gives a voice to students by addressing selected perspectives for professional development The book includes questions for reflective learning helping to make the book a vital practical instrument for use in the educational context throughout Europe Europe s ageing populations represent a major challenge for both public health and social care systems 18% of the population is 65 years old and over and this proportion will increase in the coming years As a result more and more health and social care professionals will work with older people in different settings at home in the community in hospitals or in long term care settings Older people and especially the frail face a host of interrelated issues e g cognitive restrictions functional restrictions psychosocial problems multimorbidity polypharmacy and social isolation These problems call for an integrated approach to health and social care which this book supplies It is intended for health and social care professionals students and educators for a better understanding of Europe s ageing society and of the impact on care and services Furthermore the ECCF offers educational institutes a unique resource for curriculum development education training and assessment
