## **Social Work Practice With Asian Americans:**

Social Work Practice with Asian Americans Sharlene Maeda Furuto, Renuka Biswas, Douglas Chung, Kenji Murase, Fariyal Ross-Sheriff, 1992-04-30 Insight into the profound differences between the value systems of Asian American and mainstream American culture is provided by this volume by means of a comprehensive treatment of social work theory and practice with an ethnic minority. The contributors discuss both historical and contemporary experiences Asian Americans have had in adapting to and integrating into American society and explore intervention issues with specific client populations such as Vietnamese refugee women and Korean American elderly.

**Social Work Practice with the Asian American Elderly** Namkee G Choi, 2018-10-24 This fascinating book addresses the cultures and concerns of five major ethnic groups: Chinese, Japanese, Korean, Asian Indian, and Vietnamese. *Social Work Practice with the Asian American Elderly* examines the diverse needs of this rapidly growing population. It suggests interventions and service delivery models that are culturally sensitive and appropriate for these clients, many of whom are first generation immigrants still closely linked with their cultures of origin. This comprehensive book serves as a timely resource for both researchers and practitioners concerned with this neglected yet rapidly growing segment of the elderly population. *Social Work Practice with the Asian American Elderly* offers both quantitative and qualitative research on essential topics including migratory grief, assimilation, depression, elderly nutrition programs, social support.

*Social Work Practice with Immigrants and Refugees* Pallassana R. Balgopal, 2000-11-01 The United States has always been a land of immigrants and a destination for refugees. With the increase in immigration in the late 1980s when the number of refugees entering the United States nearly doubled as well the number of clients needing social work services rose dramatically. *Social Work Practice with Immigrants and Refugees* takes an ecological systems perspective on working with these two distinct groups, paying special attention to the relationship between individuals and their social environment. Focusing on the major immigrant groups who have come to the United States since the 1965 Immigration Act, the book contains chapters on immigrants and refugees from Asia, Latin America, Europe, and Africa. Pallassana R. Balgopal and contributors explore ideas, concepts, and skills that will help human service workers, social workers, helping professionals, and policymakers deepen their understanding of cultural attitudes toward newly arrived immigrants and refugees, thus strengthening their ability to better serve an ethnically diverse clientele.

**Relational Social Work Practice with Diverse Populations** Judith B. Rosenberger, 2013-06-25 Social work and relational theory have long been clinical comrades given their shared goals and ideals. This close fit continues to be productive as client populations and their needs grow more diverse. *Clinical Social Work Practice with Diverse Populations* sorts through vital matters of race, ethnicity, sexuality, religion, and social status and addresses groups and issues often seen in practice but rarely encountered in print. With a profound understanding of the healing power of relational based treatment, case examples illustrate all stages of social work process offering practice guidelines for working with members of diverse groups while emphasizing the uniqueness of

every therapeutic dyad The coverage recognizes the multiple relationships that comprise individuals lives as well as the individuality that co exists within group identity And the contributors carefully show readers how to check themselves for biases and us versus them thinking and how to develop confidence along with clinical skills Included in this first of its kind text Practice technique and research support for relational therapy Whiteness Deconstruction of a practice paradox Racial and ethnic diversity including African American Latino Asian American and Asian Indian clients Religious diversity evangelical Christians Muslim and Orthodox Jewish clients Diversity of sexual identity LGBT clients Diversity of life altering experiences combat veterans reentry from incarceration homelessness Plus background chapters providing a framework for applying relational theory to social work Bridging the knowledge gaps between the diversity literature and the practical literature Relational Social Work Practice with Diverse Populations supplies clinical social work professionals educators and counselors with tools and concepts for effective efficient practice

**Cultural Diversity and Social Work Practice** Bruce A. Thyer, 2010 The profession of social work has a long and admirable history of attending to issues related to diversity and oppression This new edition continues to examine the disciplinary attention regarding the provision of services to clientele who were most often marginalized by mainstream society By understanding certain aspects of the culture experienced by a client a social worker is better equipped to be of service to assess to plan to cooperate and to intervene The goal of this book is to bridge the gaps and to present to readers in one source a wealth of practice relevant information a

**Multicultural Social Work Practice** Derald Wing Sue, Mikal N. Rasheed, Janice Matthews Rasheed, 2016-01-19 A thorough exploration of diversity and social justice within the field of social work Multicultural Social Work Practice A Competency Based Approach to Diversity and Social Justice 2nd Edition has been aligned with the Council on Social Work Education's 2015 Educational Policy and Standards and incorporates the National Association of Social Workers Standards of Cultural Competence New chapters focus on theoretical perspectives of critical race theory microaggressions and changing societal attitudes and evidence based practice on research supported approaches for understanding the influence of cultural differences on the social work practice The second edition includes an expanded discussion of religion and spirituality and addresses emerging issues affecting diverse populations such as women in the military Additionally Implications for Multicultural Social Work Practice at the end of each chapter assist you in applying the information you have learned Multicultural Social Work Practice 2nd Edition provides access to important guidance regarding culturally sensitive social work practice including the sociopolitical and social justice aspects of effective work in this field This thoroughly revised edition incorporates new content and pedagogical features including Theoretical frameworks for multicultural social work practice Microaggressions in social work practice Evidence based multicultural social work practice New chapter overviews learning objectives and reflection questions Multicultural Social Work Practice 2nd Edition is an integral guide for students and aspiring social workers who want to engage in diversity and difference

*Best Practices for Social Work with Refugees and Immigrants*

Miriam Potocky-Tripodi, 2002 Rather than focusing on specific groups this book takes a pan cultural perspective that focuses on the common experiences of refugees and immigrants It presents a best practice for each problem area defined *Radical Social Work and Asian Americans* Lauren Kiyo Higa, 2021 This study investigates the practices that radical Asian American social workers undertake in response to the dilemmas that arise between their political beliefs and the social work profession Based on interviews with ten activist social workers selected through snowball and criterion sampling this project asks How are radical Asian American social workers shaping their practice based on a reimagination of the field This study responds to the paucity of social work literature on Asian American practitioners especially as related to the social work profession s heightened contradictions in the time of neoliberalism It remains clear that there is much for social work to learn from Asian Americans who have more radical agendas for change Heeding Robert Mullaly and Eric Keating s 1991 call that radical social workers work both inside and outside the welfare state p 69 I argue that radical Asian American social work encompasses three modes of practice infrapolitics and insurgency healing work as political practice and political and community organizing Within the welfare state interviewees engage in subversive practices or infrapolitics and insurgency to help protect and empower themselves and the people with whom they work Interviewees also take part in healing work as political practice by invoking family history and radical imaginations in a typically ahistorical space Their organizing work takes place outside traditional service organizations and involves organizing social work colleagues as well as addressing social and political forces that affect their communities lives Ultimately the work of radical Asian American social workers lead us to identify the ways white supremacy have shaped the contemporary field s lens and refuse to comply with practices we know harm communities our own or otherwise Instead we will offer critiques of the current structures and begin building alternate modes of practice to empower and survive pending revolution

**Social Work Practice with Culturally Diverse People** Surjit Singh Dhooper, Sharon E Moore, 2000-10-18 Social Work With Culturally Diverse People addresses the ambivalent and ambiguous changes in society which have conditioned and constrained the willingness ability and efforts of social workers to provide culturally competent services to those different from mainstream society Each major disadvantaged group is studied Asian Americans Pyong Gap Min, 2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony Brook Offering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical

information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience

**Psychosocial Aspects of the Asian-American Experience** Namkee G Choi,2021-02-25 Discover intervention strategies for issues affecting Asian Americans This important book examines the childhood adolescence young adulthood and aging stages of Asian Americans to help researchers and practitioners offer better services to this ethnic group Psychosocial Aspects of the Asian American Experience will help you understand the ethnic and cultural diversity within the Asian American population and offers both quantitative and qualitative research that may impact social policies and social services for Asian Americans Representing Chinese Japanese Filipinos Koreans Asian Indians Vietnamese Hmong Cambodians and native born Hawaiians this helpful book covers a wide span of individual ethnic identities in order to represent the scope of the Asian American subculture The topics and problems examined in Psychosocial Aspects of the Asian American Experience include ethnic identity acculturation and cultural orientation psychological adjustment of adoptees attitudes and behavior of adolescents regarding academic achievement social network composition depression and other mental health problems dating violence and domestic abuse substance abuse aging In addition to analyzing these problems this book also presents culturally competent intervention strategies to assist human services practitioners in offering their clients relevant services that are appropriate for their ethnic backgrounds beliefs and experiences This book is also a valuable resource for researchers policymakers and graduate students and faculty members in the areas of social work sociology psychology and ethnic studies

**Addressing Anti-Asian Racism with Social Work Advocacy and Action** Meirong Liu,Keith Chan,Keith T. Chan,2024 This book is the first of its kind in examining how social work as a profession can address anti Asian racism through our mission of providing clinical and community interventions impacting policy and advancing advocacy for Asian American and Pacific Islander populations The contributing authors for this book represent many of the seminal social work scholars activists and educators on this topic and we provide a comprehensive and in depth investigation on to address anti Asian racism through social work action

**Asian and Pacific Islander Americans** Daya Singh Sandhu,1999 Scholars of psychology education social work and counseling examine such topics as transracial adoption women s issues substance abuse and the racial experiences of 43 different ethnic groups often

statistically lumped together Among the specific topics are Asian Indian women s bicultural experience political ethnic identity versus cultural ethnic identity ethnic variations in the adaptation of recent immigrant Asian adolescents regarding and sexual abuse     *Handbook of Social Work in Health and Aging* Barbara Berkman,2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today

**Social Work Practice with Ethnically and Racially Diverse Nursing Home Residents and Their Families** Patricia Kolb,2007-07-06 The first of its kind this volume is a critical companion for service providers who work with African American American Indian Chinese Italian Japanese Korean Mexican American and Puerto Rican elders and their families in nursing homes and other care settings These groups are likely to use nursing homes in larger numbers as cultural shifts such as higher divorce rates and increased outside of home employment for females transform traditional family dynamics Contributors are experience social workers and most belong to the specific ethnic or racial group that is the focus of their chapter and have also provided nursing home services to this group They provide a wealth of demographic historical cultural and practice information crucial to understanding and providing services to older adults and their families Many nursing home residents experience physical and or cognitive debilitation and increased dependence as older adults and cultural and situational differences create variations in how these changes are experienced and addressed In this volume contributors touch upon all of these areas as well as ways in which prejudice and discrimination have shaped intergenerational and other relationships for members of specific ethnic and racial groups Little has been written about the characteristics needs and experiences of racially and ethnically diverse nursing home residents and their families and requirements for culturally competent social work practice Written by social workers for social workers and other service providers this book fills a gap in a rapidly growing area of gerontological service and provides a truly comprehensive examination of cultural and practice phenomena     *Spiritual Diversity in Social Work Practice* Edward R. Canda,Leola Dyrud Furman,2010 Weaving together interdisciplinary theory and research as well as the results from a national survey of practitioners the authors describe a

spiritually oriented model for practice that places clients challenges and goals within the context of their deepest meanings and highest aspirations Using richly detailed case examples and thought provoking activities this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice It presents definitions and conceptual models of spirituality and religion draws connections between spiritual diversity and cultural gender and sexual orientation diversity and offers insights from Buddhism Christianity Confucianism Hinduism Indigenous religions Islam Judaism Existentialism and Transpersonal theory Eminently practical it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support transformation and resilience such as meditation mindfulness ritual forgiveness and engagement of individual and community based spiritual support systems

*Encyclopedia of Social Work* ,1965      *Immigrants and Social Work* Diane Drachman,Ana Paulino,2013-10-11

Explore an understudied but vital aspect of the immigration experience Until now the American social work literature on immigration has emphasized one part of the migration process the experiences of immigrants in this country Country of origin experiences that lead to emigration have received limited attention Immigrants and Social Work Thinking Beyond the Borders of the United States expands the focus of the literature drawing clear connections between immigrants situations in their countries of origin and how they adapt to their new country This book presents a two or more country perspective on immigration looking at migration as a process that requires an understanding of phenomena that occur in immigrants country of origin and that impact their lives in the United States It also looks at immigrants back and forth movements between their home and new countries and examines the immigration process when it involves movement to a third or fourth country or as in the case of the Armenian diaspora a return to the home country after years of settlement in a new land To provide immigrants with effective social services it is essential to understand the situations that prompted them to uproot their lives and start over in a new country Immigrants and Social Work Thinking Beyond the Borders of the United States provides an unflinching look at many of these country of origin issues examining mental health issues that result from the traumatic experiences of undocumented Mexican immigrants the essential link between international social work and social work with immigrants and refugees in the United States cross national collaboration between educators in the United States and Armenia that is helping to provide vital services to Armenian refugees the phenomenon of return migration the migration experiences of women living in towns along the United States Mexico border culturally competent mental health service delivery for Chinese immigrants circular migration between Puerto Rico and the United States the challenges facing impoverished Dominican immigrants to the United States and a look at the relationship between the two countries policies regarding migration Immigrants and Social Work Thinking Beyond the Borders of the United States is important reading for social work professionals who serve immigrant populations It is also an ideal ancillary text for courses in international social work family policy social work with immigrants and refugees child welfare and social work practice with families as well as

any social work course that covers Chinese Mexican Armenian Puerto Rican or Dominican immigrant populations Make it a part of your teaching professional collection today      **Asian Americans** Laura Uba,2003-04-07 This widely adopted text synthesizes an extensive body of research on Asian American personality development identity and mental health Uba focuses on how ethnocultural factors interact with minority group status to shape the experiences of members of diverse Asian American groups Cultural values and norms shared by many Asian Americans are examined and common sources of stress described including racial discrimination and immigrant and refugee experiences Rates of mental health problems in Asian American communities are reviewed as are predictors and manifestations of specific disorders The volume also explores patterns in usage of available mental health services and considers ways that service delivery models might be adapted to better meet the needs of Asian American clients      *Asian American Reference Data Directory* R.J. Associates,1976
