**Michael Hoelscher**

## **Social Work With Rural Peoples Theory And Practice:**

*Social Work with Rural Peoples : Theory and Practice* Ken Collier,1980      *Social Work with Rural Peoples* Ken Collier,1993-01-01 Social workers choosing to work in smaller towns or rural communities face a different set of conditions and concerns from their city colleagues Ken Collier wrote his now classic text *Social Work with Rural Peoples* for those social workers whether they are just starting out or already in the field The gist of Collier s genuinely radical book is that for the rural social worker to be effective she must be able to identify with the struggles of the people she is trying to help that trying to maintain professional objective distance will merely ensure that the social worker becomes part of the problem rather than part of the solution For the social worker in a smaller community Whose side are you one is the most important question to be answered before any effective work can be done It is an indictment of the slow pace of progress against the societal problems facing rural populations that a third edition of *Social Work with Rural Peoples* is necessary      **Rural Social Work** T. Laine Scales,Calvin L. Streeter,H. Stephen Cooper,2013-07-03 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second edition *Rural Social Work* is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments *Rural Social Work Second Edition* explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice *Rural Social Work Second Edition* provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities      **Encyclopedia of Canadian Social Work** Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide      *Decolonizing Social Work* Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of *Indigenous Social Work Around the World* this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world s Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs

honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA

**Social Work in India** Bishnu Mohan Dash, Mithilesh Kumar, Siddheshwar Shukla, 2020-01-01 The present book is an attempt to decolonize the colonial legacy and professional imperialism in Social Work Education and has presented various Swadeshi indigenous perspectives and approaches relevant for social work education The book has tried to incorporate the significant contributions and developmental models propounded by the great Indian thinkers particularly Swami Vivekananda Dr Bhim Rao Ambedkar Mahatma Gandhi Vinoba Bhave and Nanaji Deshmukh which is highly relevant in the reconstruction of Indian Society The book will be extremely relevant for the students of social work sociology rural development development studies and allied social science disciplines at Bachelors and Masters level

**Spirituality and Social Work** John Russell Graham, John Coates, Barbara Swartzentruber, Brian Ouellette, 2007 Spirituality is an area of thought and practice that is attracting an increasing amount of attention and interest from social work practitioners theorists and instructors Spirituality and Social Work Selected Canadian Readings explores the history practice and diversity of faith traditions with which spirituality and social work are intertwined Exciting and relevant chapters in this collection include Spirituality As a Guiding Construct in the Development of Canadian Social Work Reframing Spirituality Reconceptualizing Change Possibilities for Critical Social Work From Ecology to Spirituality and Social Justice Making Circles Renewing First Nations Ways of Helping Black Churches in Canada Vehicles for Fostering Community Development in African Canadian Communities Islamic Theology and Prayer Relevance for Social Work Practice

**Rural, Regional and Remote Social Work** Amanda Howard, Meaghan Katrak, Tamara Blakemore, Phillip Pallas, 2016-05-26 This book gives voice to the direct practice experience of social workers working in rural and remote contexts using Australia as the primary case study The authors undertake a qualitative research project conducting in depth interviews to examine social work theory and practice against the reality of

rural and remote contexts Practice examples provide the reader with an insight into the diverse and complex nature of social work in rural and remote Australia and the role of contemporary social work Through placing rural and remote social work in its historical theoretical and geographical contexts this work explores a range of considerations These include isolation ethical dilemmas when working with small and closely linked communities climate disaster relief and the environment community identity and culture working with indigenous communities in remote contexts and social work education Based on direct practice research this book challenges existing theories of practice and reframes those to reflect the reality of practice in rural and remote communities As social work must continue to critically reflect on its role within an ever changing and individualistic society lessons from rural and remote settings around engagement sense of place and skillful innovative practice have never been more relevant

**Social Organizations Working with Rural People** Walter Abram Terpenning, 1925

**Modern Social Work Theory** Malcolm Payne, 2021-01-11 Modern Social Work Theory Fifth Edition provides a comprehensive and critical overview of the main practice theories that will act as a companion for students throughout their courses and their careers as practitioners In this substantially reworked and updated edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them

**Social Policy and Social Justice** Jim Harding, 1995-11-20 Social policy is analyzed widely including day care workers control prescription drugs social assistance income distribution legal aid and policing Additional chapters review the NDP s re organization of bureaucracy and allocation of expenditures Also included are an historical synopsis of the legislation pursued in the period and an analysis of the broader political economic and sociological contexts in Canada Social Policy and Social Justice is the first in depth analysis of social policy at a provincial level It is the product of the multidisciplinary scholarship of the authors all of whom have extensive experience in policy making policy advocacy or policy research

*Social Work for Women Poverty-Alleviation* Cuie Zhang, Yunsu Du, 2025-01-07 This book comprehensively applies social gender theory life course theory and spatiotemporal sociology theory to explore social work actions for poverty alleviation among women based on empirical investigations and social work practice Taking impoverished women as the research object this book analyzes the characteristics and difficulties of women s poverty and poverty alleviation from the vertical dimension of life course as well as from the horizontal dimension of social space Meanwhile taking impoverished women as the service object it systematically sorts out the main modes of social work for women s poverty alleviation presents classified cases of social work for poverty reduction targeting rural women in different life stages and summarizes the main problems in the practice of social work for poverty alleviation

**Social Work with Older People** Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of

practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people Social Work with Older People will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users

**Social Work for the Elderly Poverty-Alleviation** Huaijuan Zhao,2024-11-27 This book focuses on how to provide social work services for elderly people living in poverty Divided into eight chapters the book first outlines the scale characteristics and causes of poverty among elderly people and discusses the significance of social work in poverty alleviation for the elderly The book then concentrates on different types of elderly people such as those in economic and ecological poverty and those suffering from poverty caused by illness disability and lack of ability analyzing the content and service modes and providing case studies Finally the book discusses ways and strategies for social work participation in poverty alleviation for the elderly in the post poverty alleviation era This book combines theory with practice and is a useful reference for government departments universities as well as social organizations related to social work

Research on Community-Centered Poverty-Alleviation Social Work Jun Wen,Yuefei Wu,2023-09-01 This book starts with detailed community based poverty alleviation cases and focuses on several important aspects in this field to demonstrate the intervention methods theoretical paradigms and intervention models of poverty alleviation social work Based on the introduction to the characteristics theoretical foundation and practical model of community based poverty alleviation social work this book elaborates the specific operation processes from the perspectives of community intervention community empowerment and community construction Its chapters are arranged in a progressive order yet can also be understood separately Moreover not only are the characteristics of community based anti poverty social work highlighted in the book but the essentials of all kinds of related social work in the fight against poverty are reflected As the first professional book in China that systematically describes the theory and practice of community based anti poverty social work it is especially suitable for social workers poverty alleviation workers community workers and readers interested in related topics

**Professional Social Work - Indian Perspective** Mr. Rohit Manglik,2023-12-23 In this book we will study about the development values and principles of social work in the Indian context

**Women and Social Change** Jeri Dawn Wine,Janice L. Ristock,1991-01-01 Preface Introduction Feminist Activism in Canada Jeri Dawn Wine and Janice L Ristock Section I Frameworks and Strategies for Social Change Introduction

1 Feminist Practice A New Approach      International Books in Print ,1990      **Radical Challenges for Social Work**

**Education** Jane Fenton,2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end Radical Challenges for Social Work Education is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy Development Studies Anthropology and Human Geography The chapters in this book were originally published as a special issue of the journal Social Work Education      **Handbook of Social Work in Health and Aging**

Barbara Berkman,2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today

Thank you extremely much for downloading **Social Work With Rural Peoples Theory And Practice**. Most likely you have knowledge that, people have seen numerous times for their favorite books later than this Social Work With Rural Peoples Theory And Practice, but stop going on in harmful downloads.
